

Tribute Paid Rt. Wor. Bro. Fred Bateman, Grand Master Ont. East

Presentations Made Guests of Honour — Varied Programme Is Much Enjoyed

Members of the Loyal Orange Association of Centre Hastings and friends numbering close to four hundred, gathered in Stirling Theatre on Tuesday night to do honour to Rt. Wor. Bro. Fred Bateman, Grand Master of Ontario East, and Mrs. Bateman.

Presentation

During the evening Rt. Wor. Bro. Bateman was presented with a wrist watch and Mrs. Bateman a gold necklace and matching earrings. An address was read by Alex McCurdy and the presentations made by County Master Ernest Coulter and Miss June Coulter.

Rt. Wor. Bro. Bateman expressed his deep appreciation of the honour paid him and his wife and thanked his friends and the Grand Lodge Officers for their splendid support.

County Master Ernest Coulter presided and the programme opened with the singing of the Doxology and prayer by Bro. Archie Sinclair, County Chaplain, of Tweed. County Director, Bro. Carman Fitchett, introduced the Grand Lodge Officials and honoured guests including J. Corrigan, Immediate Past Grand Master, Ottawa; Grand Master, Rt. Wor. Bro. Fred Bateman; Deputy Grand Master, R. Sanderson, of Havelock; Grand Secretary, Dan Sutherland, and Associate Grand Master, J. E. Maglady, both of Ottawa; Field Secretary H. A. Graham, Kingston; Warden Harry Coulter, of Hastings County; County Master Ralph Gibson, of Prince Edward; Roscoe Robson, M.P.P. for East Hastings; Elmer Sandercock, M.P.P. for West Hastings and Reeve H. J. Wells, who extended a civic welcome.

Past Grand Master Speaker

"I'm glad to be present to assist in doing honour to one of the finest and most sincere Grand Masters of Ontario East in the person of Rt. Wor. Bro. Fred Bateman," stated Rt. Wor. Bro. J. Corrigan, Past Grand Master, in opening his address on the principles of the Orange Order. He emphasized the place held in the Orange Order by the open Bible and the Union Jack and called on all members of the association to be true to their obligations and stand behind the principles of the Order. Men were looking for a new

world, but a solution to all their problems could be found in the Holy Bible, continued the speaker. He deprecated the laxness shown by members of the Order in displaying the Union Jack and urged them to fly the grand old flag at every opportunity.

Stirling Lodge Instituted In 1833

The first Orange Lodge was instituted in Stirling under the jurisdiction of the Grand Lodge of Ireland in 1833 in the name of Henry Bowen, stated Grand Secretary D. Sutherland, who also paid tribute to the sterling character and sincerity of the Grand Master. This lodge died in March 7th, 1833, but was re-instituted on October 17th, 1838, in the name of J. Francis of Hastings. Again on Feb. 5th, 1892, the charter was surrendered only to be reissued again on January 12th, 1894, in the name of James Montgomery, of Stirling.

Other speakers who extended congratulations and good wishes to Rt. Wor. Bro. Bateman were Messrs. J. E. Maglady, Associate Grand Master; R. Sanderson, Deputy Grand Master; H. Graham, Field Secretary; Harry Coulter, Warden of Hastings County; Roscoe Robson, W. E. Sandercock, and R. Gibson, County Master of Prince Edward.

Varied Programme

The programme included instrumental selections by a trio composed of Maurice Bell, H. Smith and X. P. Mayhew, (the latter also giving two vocal selections); Joan Vance, of Roslin, an instrumental; vocal solos by Bill Reynolds, of Stirling and Ed. Payne, of Warsaw; duet by Carolyn Rollins and Lois Cooke; readings by Philip Carr and J. Diamond; impersonation of Foster Hewitt by Chas. Reynolds and community singing led by Bob Patterson. Miss Betty McConnell acted as pianist throughout the evening.

Following the meeting refreshments were served to about one hundred Grand Lodge Officials and members in the Stirling Lodge room.

Bride-To-Be Entertained

Mr. and Mrs. Chas. Vance opened their home on Wednesday evening, October 24th to entertain relatives and friends of Katherine Wright prior to her marriage. Mrs. Ann Fanning and Mrs. John Sheridan were co-hostesses.

Mr. Volney Richardson acted as chairman and called on Frank Harding to lead in the singing of some well known songs accompanied by Mrs. J. Sheridan at the piano.

Katherine and Allan were given seats of honour and were presented with a beautiful floor lamp and many other beautiful and useful gifts for which they both thanked those present and invited them to call on them at their new home in Belleville.

A dainty lunch was served by the hostesses and all sang, "For They Are Jolly Good Fellows."

95th Milestone Passed By St. Andrew's Presbyterian Church

The Rev. M. C. Young, B.A., of Gananoque, was guest speaker on Sunday, October 20th, when St. Andrew's Presbyterian Church, Stirling, marked its 95th Anniversary.

Mr. Young delivered two timely and challenging messages. In the morning his subject was "The Church of Our Fathers," stating that the Church has not only vitality and a message, but also a purpose and a programme. The purpose of the Church is to take the Christian message to the whole world through its messengers, and the programme of the Church is to apply the redemptive love of God spiritually, morally, educationally and economically to the needs of the individual, the family, the community and society.

The evening subject was "The Christian Home," which should include Godly parents, discipline and religious training, the family altar and linking up of the home with Church worship. Resolve to say as Joshua said in Chapter 24:15, "As for me and my house we will serve the Lord."

Rev. Jas. McAvoy, Burnbrae, assisted at the evening service.

The Anniversary music consisted of an anthem by the choir in the morning entitled, "Follow Me," and a solo by William Reynolds, "One World." At the evening service an anthem, "Praise the Lord," and a duet by Wm. and Ted Reynolds, "Watchman What of the Night." Mrs. R. H. Williams presided at the organ.

The Church was beautifully decorated for the occasion with a mass arrangement of "mums in shades of red and bronze."

Large congregations were present and the thanksgiving was most gratifying. Rev. W. H. V. Walker conducted both services.

TURKEY DINNER

On Monday evening the ladies of the congregation served a Turkey Dinner in the Sunday School rooms to well over five hundred persons. The tables

COONS -- WRIGHT NUPTIALS SAT.

An informal, but pretty and impressive wedding took place on Saturday, October 27th in St. John's Anglican Church at 12 o'clock noon, when Miss Katherine Wright, Stirling, and Mr. Allan Coons, of Brockville, were united in marriage in double ring ceremony with Rev. H. C. Secker officiating.

The chimes played softly as the bride wearing an autumn grey wool suit with an orchid corsage. Her only attendant was her cousin, Mrs. John Sheridan, wearing a copper coloured suit with a corsage of cream roses.

The groom was attended by Mr. Charles Cox, of Brockville.

After the ceremony the wedding party and guests were received at the bride's home by her mother, wearing a dress of hunter's green crepe and a corsage of briarcliff roses.

A dinner was served by Mrs. Chas. Vance, assisted by Mrs. Clarence McGee, of Peterboro and Mrs. F. W. Wilkinson, of Toronto, all sisters of the bride's mother.

Several telegrams of congratulations were received and read after the dinner by Dr. F. W. Wilkinson, at whose home the bride lived for a number of years.

Later in the afternoon the happy couple left amid showers of confetti for a motor trip to Ottawa and points east.

Interesting Services St. John's Church

Two very interesting services were held recently in St. John's. On Youth Sunday, October 21st, the service was conducted by Lay Reader Fred Houchin, the Lessons were read by Lay Readers W. D. C. Hall and R. Chard. Mr. Hall delivered the address which was most interesting to the many children and young people present. Miss Enid Coombs, who won the public speaking contest for Young People at Gananoque, gave her address on the subject, "Why I am an Anglican." The choir sang appropriate hymns.

On Laymen's Sunday, October 28th, the highlight of the service was the presentation of licenses and badges to the new Lay Readers, W.D.C. Hall and R. Chard. The Rector admitted them to office, Mr. Houchin, as Senior Lay Reader, presented the licenses, and Mr. B. Belshaw, as Lay Delegate to Synod, presented the badges of office. Mr. Houchin read the prayers at the conclusion of the service of admittance. Mrs. B. Woodbeck sang a beautiful solo, "Evening prayer."

The Rector preached on the subject "Ye Must Be Born Again," pointing out the need for consecrated men to do the work of the church. The beautiful flowers on the altar and in the church were in loving memory of Mrs. W. E. Bailey and Mrs. F. Mallory.

Several new hymn books have been given to the choir in memory of Mrs. Mallory.

were laden with all the good things to eat and the large crowd was served promptly and with a minimum of confusion. The ladies of St. Andrew's have been noted for their good cooking and many fine compliments were paid them at Monday's dinner.

Rotarians and Business Men Discuss Formation of Chamber of Commerce

Won Bedsread

Mrs. Gilbert Finkle was the winner of the lucky draw on the chenille bedspread in connection with the I.O.D.E. bingos on Monday night, October 22nd. The bingos was a success and members of the I.O.D.E. are grateful for the generous patronage.

Loses Sister

The sympathy of the community is extended to Geo. Rupert in the loss of his sister, Mrs. Benson Young, whose death occurred at Millington, Mich., on Friday last. The funeral took place on Monday.

Remembrance Day November 11th

Stirling Branch No. 228, Canadian Legion, B.E.S.L. will hold its annual service of remembrance and tribute to our war dead on Sunday, November 11th from 10.30 a.m. to 11.15 a.m.

Public bodies or their representatives are invited to co-operate as follows: (1) Clergy and church officials by arranging time of morning service to permit their congregations to observe the 2 minutes' silence at Cenotaph at 11.00 o'clock, and their choirs to give combined leadership in sacred praise at the service; (2) Civic representatives, fraternal organizations, I.O.D.E., Rotary and next-of-kin, by attending with floral tributes and wreaths to be placed on Memorial; (3) School Principals and teachers and Sunday School Supts., by encouraging the attendance of all pupils, and if possible to arrange for their orderly grouping at the Memorial Park.

Scout and Cub Masters will parade their troops with the Legion.

All Veterans of Stirling and district and of Rawdon Township will assemble at Legion Room at 10.15. Berets, top-coats, and medals to be worn. Stirling Citizens' Band will be in attendance. Complete programme of the service will be published in this paper next week.

Honoured At Bethel

On Monday evening, October 8th, the friends and neighbours of Mr. C. M. Sine, and his sister, Mrs. Turner Sine, met at Bethel Church to honour them. They have resided in the Bethel community until recently, when they took up residence in Stirling.

The Pastor, Rev. R. R. Bonsteel, was master of ceremonies, and Mrs. Harold Elliott led in community singing with Mrs. Will Heath as accompanist. Readings were given by Mrs. Thomas Laycock and Mrs. Stewart Hoover; Miss Donaldia Heath sang, "It Is No Secret," accompanied by Mrs. Elliott; Misses Barbara Hadley and June Free sang a duet, with Miss Marlene Hadley as accompanist.

Presentation Made

Mr. and Mrs. Sine were asked to come to the platform and Mrs. Harold Elliott read an address and Mrs. Will Heath presented Mr. Sine with a leather bound music Hymnary from the Bethel Choir in recognition of his long and faithful service. At the age of 13 he sang his first vocal selection and has served as choir leader for many years.

Mr. Harry Heath read an address of appreciation to Mr. Sine and his sister on behalf of all their neighbours and friends in the Bethel community.

Mrs. T. Laycock presented Mrs. Sine with a dusty rose wool Kenwood blanket with matching chenille scatter rug, while Mr. Edgar McKeown made an identical presentation to Mr. Sine in a color scheme of green.

Brief addresses of appreciation were given by Messrs. B. C. Tucker, John Scott, Charles Morton and W. Warren. Both Mr. Sine and his sister graciously expressed thanks to their many friends for all their kindness.

Among the guests were Mr. Sine's daughter, Mrs. Frank Heagle and her son and daughter, Harold's, and their sister, Mrs. Sid Murphy, of Stirling.

The group then assembled in Bethel Church Hall when the ladies served refreshments and all enjoyed a social half hour. Mr. Sine and his sister moved to an apartment in Stirling in Mrs. S. A. Murphy's home on the Stirling-Campbellford Road.

Leo Lafleur, President of Kingston Chamber of Commerce Is Guest Speaker

Some fifty-five Rotarians and business men attended a joint dinner meeting in the Community Hall on Tuesday evening. The guest speaker was Mr. Leo Lafleur, President of the Kingston Chamber of Commerce. Rotary President Cliff Hatton presided and community singing was led by Geo. Crown with Maurice Bell at the piano.

Introduced by Rotarian Bruce Bell, Mr. Lafleur gave a brief history of the Chamber of Commerce organization and outlined the activities and objectives of a Chamber of Commerce.

"It is the only association where business men of all types of business join in attempting objectives for our general benefit and whether you are a member or not the Chamber of Commerce is doing something for you," declared Mr. Lafleur. "It's a voluntary organization having as its aims the civic, industrial, commercial and agricultural welfare of the community."

In the civic sphere an active Chamber of Commerce could co-operate with the town Council in things you would like done to make your town a better place in which to live. The little jobs that could be done through such an organization were manifold, continued the speaker.

The seeking of industry was another sphere in which a Chamber of Commerce could be active. The associations with Provincial and Dominion organizations of the Chamber of Commerce would help out in this. The promotion of the tourist industry was another project, while the betterment of agriculture in general could be accomplished through County projects and through representations to the governments in power, Provincial and Dominion.

The sincere thanks of the business men and Rotarians were voiced to the speaker by Rotarian H. C. Bird, President of the Stirling Business Men's Association.

A brief discussion period followed and a committee of Messrs. Don Rodgers, Bill Bentley, Chas. Davidson, W. T. Elliott, Harold Bird, David Duffin and Geo. Noble was appointed to investigate the possibility of forming a Chamber of Commerce in Stirling and report at a later date.

Legion Notes

Regular meetings of Stirling Legion were held during October in the Legion Room at the Masonic Hall.

The business meeting on the first Tuesday of the month was well attended, and saw the completion of plans for the parading of veterans at Trenton during the Royal Visit. Among items discussed were Poppy Day, which will be held in Stirling on Saturday, November 10th, and the observance of Remembrance Day on Sunday, November 11th. Complete details of the special activities for this day will be published in later issues.

Captained by Cde. Stan Royle, the Legion Bowling Team is putting on a good show these days at the Bowl-O-Drome, and staying well up in the league.

The social evening on the third Tuesday of the month was enjoyed by many of the branch and passed off uneventfully.

Next meeting will be on November 6th and 20th. Important business on the 6th so a good turnout is in order. All veterans and enlisted men are most welcome to the meetings.

Royal Tour

On Friday, October 12th, a large group of Veterans from Stirling and district paraded at Trenton for the purpose of assisting in the lining of the route taken by H.R.H. Princess Elizabeth and Prince Philip on the occasion of their visit to the town and R.C.A.F. Station in Trenton.

Two Die When Car Plunges Into Pond

A youth and a child were drowned early Saturday when an automobile plunged from a dead-end road into a stagnant pond three miles east of Havelock.

Edna Edwards, mother of Shirley Edwards, 3, escaped through an open window of the car, swam to shore, staggered to a small industrial plant nearby and summoned aid with the cry: "My little girl is in the water!" The youth was James Cooke, 19.

Mission Band

The Mission Band held their October meeting at the school on Thursday the 18th with 30 in attendance.

Miss Thelma Prest, President, presided, and opened the meeting by all singing with Donna Stapley as pianist. "Jesus Feels So Sorry." Mission Band Purpose was repeated and Rev. Clarke led in prayer. Roll Call was answered by Senior Grades in repeating individually successive verses of 1st Chapter of Corinthians and the Junior Grades a Scripture verse with the word "love." The Business Period was in charge of the leader, Mrs. W. Harlow. Thankoffering amounting to \$3.48. Rev. Clarke, with his guitar, led in a song service for the usual fifteen minutes.

The address on "Bible Instruction" was given by Mr. Clarke on Solomon. A treat was supplied by Miss Suzanne Gallagher. The singing of "Taps" brought the meeting to a close.

When you start out in your car you don't expect to come home in an ambulance. But, last year, 791 persons were killed - 20,000 were injured in street and highway accidents.

- One moment of inattention can lead to disaster.
- Always drive safely.
- Stay out of the Ambulance.

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

Quinte Lodge

Congratulations to those responsible for the program used at the opening of the new Hastings County Home last Sunday week. It was properly described as a "Dedication and Opening" and the use of a great hymn of the church led by the Salvation Army and special prayers made it a memorable occasion from the reverent opening to the hoisting of the Union Jack and the singing of the National Anthem. A religion that makes possible such a "Sunset Home" speaks for itself in the words of the gospel of the "Inasmuch."

Remembrance Day

Col. E. A. Baker, O.B.E., M.C., Croix de guerre, will be the guest speaker at the unveiling of the War Memorial at St. Paul's United Church on Sunday evening, November 11th. Col. Baker went overseas in World War I a young engineer from Queen's University. He lost his sight in a mine explosion in France and was invalided home with the rank of Captain. Undaunted he faced the challenge of his new state and became the head of the Canadian National Institute for the Blind. Under his direction this great ministry to the sightless has flourished.

Col. Baker was awarded the Military Cross by British authorities and the Croix de Guerre by the French Government. He was honoured by the King when he received the Order of the British Empire. His cheerful optimism is an inspiration to all. He is a namesake of the minister of St. Paul's and his parents resided in the same general area near Kingston settled by United Empire Loyalists where the writer's great grandparents receive a crown grant, but there is no known relationship at present. In anticipation a public address system will be installed through the kindness of Mr. Maurice Bell.

Motto

One of our homes has this interesting motto carefully worked, framed and hanging in the living room, "To know how sweet your home may be just go away but keep the key."

Campbellford

This ambitious town has been doing a fine paint job. There must be an ambitious paint salesman there. Even the skating rink has been greatly improved by a good coating of aluminum paint.

Carnegie Library

The Public Library at Campbellford has a well marked corner stone which gives full credit to the donor. We have not seen the corner stone at Stirling yet though we understand its library is due to the same benefactor. The eavestrough on the east side of the Stirling Library leaks like a sieve. It may need replacement all round.

Drain

The splendid effort made by village authorities to drain the water from the street in front of the Stirling Public

eration. 50,000 copies of "How much do you know about C2, H5, O.H." Were provided for Secondary Schools.

Sympathy

St. Paul's and Carmel convey sympathy to the loved ones of the late Annie Mallory bereaved by the death of a wife and mother.

Carmel Cemetery

On August 21st, 1885 a deed was issued to the Trustees of Carmel Church by Philo White estate for 169 square rods being part of Lot No. 22. This deed was registered April 15th, 1886. It is quite possible that this property now known as the "Little Cemetery" at Carmel was used for sometime before the deed was issued. The price paid for the property was \$25.00.

Convention At Carmel

The Christian Education Convention for this area was held in the "Church of the Prophets" at Carmel last Friday afternoon and evening. Almost every phase of Sunday School work was reviewed. Dr. Fletcher, the guest speaker, urged "Find! Get! Keep!" in relation to Sunday School pupils. The Carmel W.A. served a full-fashioned dinner.

Dinners

It may not be possible in every instance but we believe our local Masonic brethren at their recent banquet followed a long established custom by allowing out of town guests to be seated first. It would seem to be a courtesy to all non members of our congregation to be given a priority at our church dinners in so far as circumstances and their presence make it possible. We are sure that except where other appointments conflict our people will be glad to respect the rule of "visitors first."

County Health

Why the delay in organizing a County Health Unit for Hastings? The first Health Unit in the Province of Ontario was established in 1933. There are now 26 Health Units in operation. Why does Hastings County lag?

The cost to municipalities amounts to approximately sixty five cents per person per year. All other costs are cared for largely by government grants.

A County Health Unit provides for Communicable Disease Control — including immunization against diphtheria, small-pox, whooping cough, etc., as well as the control of tuberculosis and venereal disease. There is stress laid upon early diagnosis, adequate treatment and follow ups.

The School Health Supervision includes — (1) Control of communicable diseases; (2) Detection of and follow up to correct physical defects; (3) Advisory services for handicapped children; (4) Supervision of school sanitation; (5) Physical examinations; (6) Periodic inspection by Public Health Nurse; (7) Services to pre-school age groups; (8) Maternal, infant and child hygiene; (9) Mental Health; (10) Dental Hygiene; (11) Health education; (12) Public Health Nursing; (13) Nutrition; (14) Specialized services.

It seems almost incredible that our fine County should have so long delayed the organization of this service. Some 26 units are already ahead of us. For less than one dollar per person per year this recognized service is ours. May we respectfully invite our County representative to give this matter early consideration?

The Provincial Department of Public Health is willing to send a representative to outline this fine development and to answer questions. This is a field where our public service clubs could render a fine leadership service.

West Front Street

We lose a good deal of our illumination on West Front Street beyond the cluster lights due to the condition of our lamps. Perhaps it would be more economical to replace them?

Royal Choir

The Royal Junior Choir of St. Paul's is flourishing. The irregular attendance of some village children has been more than balanced by eager boys and girls from River Valley, Eggleton, Wellman's and other adjacent areas. 59 boys and girls were at practice last week.

This fine training is open to all boys of unchanged voices and all girls under 16 years of age. The problem of finding sufficient music for so many is taxing the slender resources of the choir but a way will be found to help every boy and girl. So far as they are available choir gowns will be issued to those who help on special occasions from other churches.

The Endowment Directory

The Endowment Directory to be

dedicated on Sunday morning, November 11th has been fabricated from No. 1 American White Oak. The Board which contains provision for 132 names, is surrounded by a receding gothic mould. The symbol of St. Paul has been mounted on the top moulding to provide a central feature. Carved crosses on the right and left will symbolize memorial and thanksgiving gifts to this fund. The crest and all lettering has been hand carved by craftsmen experienced in gothic reproductions.

Prison Treatment

The first Prison Treatment Centre for alcoholics was opened by the Ontario Government at Mimico September 17th. The clinic has started with ten inmates and has accommodation for thirty. We still maintain that the practice of total abstinence is preferable to salvage treatments. Twenty out of every hundred drinkers are due to become "alcoholics."

Mount Pleasant

The eightieth anniversary of Mount Pleasant United Church will be observed on Sunday, November 4th. The service on Sunday, November 4th. The services will be held at 10.30 a.m. and 7.30 p.m.

The new minister on Rawdon Circuit, Rev. R. R. Bonsteel, will give both messages. He will be assisted by a former beloved pastor, Rev. Fred G. Johnlin, Port Perry, who served the Circuit for twelve years. It is expected to have written greetings from Rev. W. H. Clarke, Deseronto, who served

the charge early in 1900. During Rev. Clarke's pastorate a series of revival services were held in the winter of 1908.

Rev. W. H. Stevens, a travelling Baptist Minister in Ontario, assisted Rev. Clarke with these special services, and on March 22nd, 1908, sixty people, some by profession of faith, and some from other churches, especially the Baptists in the Mount Pleasant community joined the Mount Pleasant Methodist Church. The Baptist church had been closed the year previous and it is now the Church Hall. After these special services Rev. Stevens linked with the Methodist Episcopal Church in Wisconsin, U.S.A., and later went as a Missionary to New Mexico with his wife, the former Ida Currie, of Stirling.

It was during these revival services that the Baptist and Methodist congregations of Hubble Hill district were united.

In 1907 Rev. Clarke realized the need of week-night organizations on the circuit and he organized Epworth Leagues at Mount Pleasant, Wellman's and Bethel. These groups functioned for a long time and later after union were renamed Young People's Union. Of the three the one at Mount Pleasant is still alive and despite many setbacks and a scarcity of young people it is still functioning under the leadership of the President, Miss Ruth Linn.

The pioneers of this district worked together to build Mount Pleasant

Hello Homemakers! When the teenagers are "cooking" up dates, it's time for mother to cook dates literally for the snack tin. Home is the best place for fun and food, so make the young folks welcome and suggest using the card tables near the fireplace or the breakfast table in the kitchen.

DATES AND NUT BARS

- 3 eggs
- 1 cup sugar
- 2 cups dates, cut in pieces
- 1 cup nut meats, cut in pieces
- 1 cup flour
- 1 tsp. baking powder
- Few grains salt

Beat yolks until thick, then add sugar while beating constantly. Beat whites stiff. Sift flour with baking powder and salt and add dates and nuts. Add beaten whites and flour mixture alternately to yolks. Drop from spoon or spread on buttered cookie sheet, bake 30 minutes in moderate electric oven (350 deg.). While warm, cut in finger-shaped pieces and roll in powdered sugar.

MINGEMEAT HERMITS

- 1 1/2 cups sugar
- 1/2 cup butter
- 2 eggs, well beaten
- 1 tsp. salt
- 1 tsp. soda in 1/2 cup sour milk
- 3 cups flour
- 1 tsp. cinnamon

- 1/4 tsp. cloves
- 1/4 tsp. nutmeg
- 1 cup mincemeat

Cream butter, add sugar, eggs, salt, soda in milk, flour sifted with spices and mincemeat. Chill. Drop by spoonfuls on greased cookie sheet. Bake in an electric oven (325 degs.).

GINGER SNAPS

- 1-3 cup molasses
- 3 tbsps. shortening
- 1 1/4 cup flour
- 1-8 tsp. soda
- 1 tsp. ginger
- 1/2 tsp. salt

Heat molasses to boiling point and pour over shortening. Add dry ingredients, mixed and sifted. Chill, roll, and bake 8 to 10 minutes in electric oven at 350 degrees.

ORANGE PARFAIT

- 1 can (tall) evaporated milk, chilled overnight
- 2 cup icing sugar
- 1 orange, rind and juice
- 1 lemon, rind and juice
- Orange colouring
- 3 dates

Whip the milk, add sugar and whip. Add juice, rind, orange colouring and whip. Place in freezing trays. Make a design on top with sliced dates. Freeze 3 hours in electric refrigerator turned to coldest point.

STIRLING WOMEN'S INSTITUTE

The regular meeting of the Stirling Women's Institute will be held in the Community Hall on Monday evening, November 5th, with Mrs. George Saries as hostess.

TAKE A TIP

(1) The dough for roll-out cookies should be thoroughly chilled in the electric refrigerator for an hour to prevent spreading in the pan.

(2) Do not grease an aluminum cookie sheet for cookies. Grease a tin pan lightly with salt-free fat.

(3) Tough cookies are due to too much flour and too much rolling.

(4) To keep some cookie dough for making fresh ones several days later, roll it in cellophane or heavy wax paper, seal in the ends and store in the electric refrigerator.

(5) Cookies stick to the pan because of excessive high temperatures and pans which may not be absolutely clean. Then, too, cookies should be transferred with a spatula to a cake rack as soon as taken from oven. If the cookies tend to crack, place the sheet on a cloth wrung out of hot water for a few minutes.

(6) If coconut becomes dry, sprinkle well with milk; place it in covered pan in warm oven for 10 to 15 minutes.

(7) To make glazed coating on fruit tarts and icing, melt a little currant jelly and pour over baked and iced goods.

THE QUESTION BOX

Mrs. B. J. asks: Can we prevent holes from appearing in aluminum

jelly molds?

Answer: We suggest that aluminum molds be lightly rubbed with salad oil (not a salty oil) to keep aluminum molds from deteriorating.

Mrs. C. T. asks: For a recipe for candy apples and why the glaze becomes soft.

Candied Apple-Sticks

- 2 cups sugar
- 1/2 cup light corn syrup
- 3 cup water
- Red colouring
- 12 red apples
- 12 skewers
- Flavouring

Put sugar, corn syrup and water in double boiler. Cook mixture, stirring, until a small drop of syrup dropped into cold water becomes brittle. While syrup is being cooked, swab down the sides with cheesecloth dipped in water. Turn electric element to Low toward last part of cooking. Add a few drops of extract or oil and colouring when brittle stage has been reached. Turn electric element to simmer. Place wooden skewers in clean, dry apples and plunge each one rapidly into syrup then stand the skewer in a cake rack.

Note: Moist or juicy apples will soften glaze in a day or so. Rainy weather causes softening, too.

FLOWER SHOW AT ROYAL WINTER FAIR

Thousands of visitors, who crowd the Royal Agricultural Winter Fair's flower court every year to see the spectacle of hundreds of thousands of blooms, will be greeted by a streamlined flower show when they attend the fair from November 13th to 21st.

Most extensive alteration is a new floor plan. The change of layout is designed to whet increasing public interest in the flower show, which features a centrepiece of 15,000 roses as well as thousands of chrysanthemums and other varieties.

A new feature of the 1951 show will be outside the field of floriculture. For the first time apples, mainly from British Columbia, Quebec and Ontario, will be exhibited in the flower court. Two sides of the flower show will be flanked by packaged apples, piled three tiers deep. A collection of prize-winning apples in single box classes will be featured in the centre of the main rose display.

Changes in the floor plan of the flower court will be extensive. A 15-foot aisle will extend from the south entrance of the show's usual location through to the north end of the west annex of the Coliseum. At one end will be a rose display.

The rose court, a favorite of long standing with fair-goers, will be in its usual location beneath the main skylight. 'Mums and other floral displays will flank the rose court on either side. Commercial displays of fruit will be exhibited on the west side.

What Others Say!

THE REAL TEST

(Brockville Recorder and Times)
We should like to see some community make a really objective analysis of the benefit of parking meters from the angle of the parking problem alone, without consideration of revenue. Such an analysis might prove very interesting.

Rustic Philosopher

The rustic philosopher insists that newspapers are just like women: They both have forms; back numbers are not in demand; they always have the last word; they are well worth looking over; they have a great deal of influence, yet you can't believe all they say; there's small demand for bold-face type; and finally, every man should have one of his own and not borrow his neighbor's.

Afghanistan Turns To Scythes

The simple step of replacing sickles with scythes can in many places represent a hundred years of advancement. In mountainous areas such as parts of Afghanistan, elaborate machines are unusable, but hay may be efficiently mowed with scythes instead of small sickles on steep slopes. Encouraged by two FAO experts, the farmers of Afghanistan are gradually changing over to scythes and beginning to use improved hand tools such as garden hoes, spades and forks. Indirectly, this change is helping the ancient Austrian handtool industry to revive some of its former prosperity; arrangements have been made with the Austrian government to provide two experts in small implements, and they have been sent to Afghanistan by FAO.

NEWS FOR THE BUSY FARMER

APPLE EXHIBIT GIVEN MORE PROMINENCE

The Canadian apple-eating public will have a better opportunity to inspect its favorite fruit when the Royal Agricultural Winter Fair takes place from November 13-21.

A move to give the Winter Fair's apple exhibit a chance to share the big audience captured annually by the Royal's spectacular flower show will be made this year.

Two rows of Canada's most palatable apples, piled three tiers deep, will flank two sides of the flower show. In addition, nine prize-winning single box entries, together with their overall champion, will be exhibited in the centre of the flower show's feature rose display.

Purpose of the apple show, which is to place before consumers and volume buyers properly graded and packaged apples, will be better fulfilled by the move, officials state.

POTTED SPRING FLOWERS

How about potting some bulbs indoors this year for flowering in the Spring? Those most commonly grown are hyacinths, tulips and daffodils or narcissus.

Soil is not very important but it should contain a fair amount of sand. Peat or leaf soil may be added, but barnyard manure is best omitted unless thoroughly pulverized with age.

After potting, water well and keep the bulbs in a cool dark part of the basement. Six to eight weeks is about the average storage time during which the root system develops. During this period keep the soil moist but avoid dryness or saturation.

When the top growth is about an inch long, the pots should be moved to a lighter place in the basement and should remain there until a slight change in colour from yellow to green occurs.

From then on the bulbs may be forced in a room that is somewhat cooler than the average living room—often the hall or a cool window is a suitable place. The bulbs should remain there until the leaves expand and the flower buds appear. At that time they may be safely moved into a warmer temperature. The full blooms will last longer if kept out of direct sunshine.

CHECK THE STOVE PIPES

Now is the time to check furnace and stove pipes. Faulty pipes are one of the chief causes of fires on Canadian farms. And while checking the pipes, what about the chimney itself? It can have deteriorated a lot in the past six months and need pointing or a new chimney pot. An excellent fire protection on a farm is a roof ladder, for fires often originate around the chimney and the roof.

A few buckets and a number of water barrels at suitable points around farm buildings are often a greater protection than a fire engine many miles away over snow-bound roads. But water barrels are worse than useless if the water is frozen, so choose a reasonably warm place to locate them.

The simplest fire-fighting equipment—a bucket of water or sand, a small fire extinguisher, even a horse blanket—if available immediately, can often smother an incipient fire before it becomes a disastrous blaze.

LOCAL HOLSTEINS WIN AT REGIONAL SHOW

A. B. McComb & Son, Belleville, won the two-year-old heifer calf class at the Regional Championship Show held at Peterboro on Glenalcomb Pabst Posch Maid. The McComb entry was also fourth in the senior yearling bull class. Earl Burnside, Madoc, exhibited the seventh prize senior bull calf and Max Burnside, Madoc, the tenth prize senior heifer calf. A joint entry of Earl Burnside, Madoc, Alec Merrill, Campbellford and Arthur Ward, Dartford, stood fourth in the Junior Get-of-Sire Class. Hastings was sixth in the County Herd Competition.

There was a close fight for Premier Exhibitor at this tenth Annual renewal of the Championship Show, with Elmcroft Farms, Oshawa, nosing out N. W. McConkey, Peterboro, by one point and Orvan Chambers, Wilfred, just three points behind McConkey. 183 head were shown by 70 exhibitors from ten counties of York, Ontario, Durham, Victoria, Northumberland, Peterboro, Prince Edward, Hastings, Lennox and Addington and Simcoe. H. C. McCloskey, Queensville, showed the Grand Champion Bull Hiehee Sover.

elgn Supreme and Elmcroft Farms, the Grand Champion Cow Ajax Abbecker Jewel. Elmcroft also had the Reserve Grand Champion Bull and the Junior Champion Female, while F. Roy Ormiston, exhibited the Reserve Junior Female and the Best-Uddered Female. Ontario won the Ormiston Trophy in the County Herd Class with York and Peterboro third. Dr. Gordon Cairns, of the University of Maryland judged.

ARTIFICIALLY BRED HOLSTEIN IS WORLD CHAMPION

For the second time within a year the purebred Holstein herd of C. Atkinson and his son, Glenn, of Schomberg, Ont., has produced a World Champion. The new champion is Elsie Texal who has established World Records for yearly production of both milk and butterfat in the junior three-year-old class on twice-a-day milking. Elsie's official figures are quoted by the Record of Performance

branch of the Dominion Department of Agriculture, under whose supervision the record was made, as 25,925 lbs. milk containing 986 lbs. fat, average test 3.80 percent butterfat. Last December her stablemate Orchard Vale Laura Teral established a World Record for milk in the junior two-year-old class of the yearly division on twice-a-day milking by giving 22,005 lbs. milk and 778 lbs. fat.

Both champions are the result of artificial breeding, their dams having been bred to bulls in the Maple Cattle Breeders Unit. Elsie is a daughter of Lonelm Texal Antony and Laura a daughter of Lonelm Texal Ideal, two paternal brothers. Antony has 1472 registered progeny, making him one of the most prolific sires in Canada.

The new champion almost missed being registered as a purebred. Her dam was sold while in calf by E. H. Redman, Concord, Ont., to a neighbour Wm. Cooper. As Mr. Cooper did not maintain a purebred herd he was not going to bother having the calf registered when it was born but was persuaded to do so by a friend. Without being registered as a purebred Elsie could not have been placed on official test and so would have missed the opportunity of establishing her World Record. She was purchased by the Atkinsons when just a few months old.

Elsie is a persistent milker having produced very evenly throughout her

lactation. On her best day she gave 93 lbs. (37 quarts) and during her best month 2679 lbs. She was fed and milked by 22 year old Glenn Atkinson except for a brief two week period when she was cared for by Bill Allison.

The former World Championships for milk and fat in this class were also held by Canadian Holsteins, the milk champion being Calamity Fayne Plebe, owned by Jas. A. McKinlay, St. Thomas, Ont., with 24,000 lbs. and the fat champion, Lillie Mata Hari Supreme, bred by Norman W. McConkey, of Peterboro, Ont., with 905 lbs. fat.

MAINTAINING SOIL ORGANIC MATTER

Soil organic matter is one of the most important natural resources. In many cases building up organic matter is one of the major fertility problems.

A farmer in choosing soils which he considers highly fertile will usually select the dark coloured ones. He makes this choice because experience has taught him that such soils are usually more productive than the light coloured soils. With this selection the farmer pays a tribute to the value of organic matter, says B. J. Finn, Soil Specialist, Lennoxville, (Quebec) Experimental Station.

When new land is broken few people realize that it has taken cen-

turies for the organic matter to accumulate in the soil. With continued cultivation the organic matter decomposes rapidly and at a rate much faster than nature can rebuild. Once the organic matter content has become so low that good crop yields cannot be obtained, it is impossible to build up the organic matter without good soil management.

Good soil management includes a suitable rotation, the proper use of cover crops, manure, green manure, fertilizers, lime and adequate drainage. Barnyard manure is urgently recommended as the most effective source of rebuilding, for it not only contains organic matter but also plant nutrients and micro-organisms. A considerable portion (about 80 per cent) of the plant nutrients removed in crops fed to livestock can be returned to the soil in the form of manure.

Light sands and heavy clays have a greater need for organic matter than the intermediate loam types of soil. In fact, by the addition of large amounts of organic matter, sands and clays can be transformed into soils similar to loams in their behaviour.

The role of organic matter in the soil is manifold: It increases the water-holding capacity of the soil thus reducing run-off and erosion; it favours workability and ease of cultivation, loosens compact heavy clay soils and closes the pores of open sandy

soils; it also serves as a storehouse for plant nutrients and is a source of food and energy for micro-organisms which are the agents assuring the circulation of plant food elements.

All soils are benefited by organic matter, and their productivity usually rises and falls, depending upon whether their supply of organic matter is increased by manuring, by growing sod and cover crops, or is decreased by continued cultivations.

Sawmill Worker Killed Crossing Road

Bayliff Evans, 45, R.R. 1, of Dettlor, died Friday, 20 minutes after he was struck down by a truck on a county road in Dungan township. The accident occurred 12 miles southeast of Bancroft.

A sawmill worker, Evans had just been given a ride home by George Kerr, a trucker from Dettlor. Evans started to cross the road to his home when he was hit by an oncoming truck, driven by Roy White, 22, of Ft. Stewart.

Eight World Championships will be awarded at the Royal Agricultural Winter Fair's seed, grain and hay show, which will take place Nov. 13-21.

ONTARIO—PROVINCE OF PROGRESS

Sane, courageous and efficient government contributes to the enduring welfare of a free and prosperous province. "Performance—not promises" is the keynote to Progressive Conservative leadership.

TO HELP THE PEOPLE

- Old age pensions to all over 70 under Provincial-Federal agreement.
- Pension for the needy, 65 to 70; to the Blind and disabled 18 years and up.
- Women guaranteed equal pay for equal work with men.
- No discrimination in employment because of race, colour or creed.
- 109 new hospitals or extensions provided.
- 14,474 hospital beds and bassinets added or being added in general hospitals.
- Fullest resources of science and medicine mobilized in war against cancer.
- Free school books for all children in primary schools; equality of opportunity.
- 1,150 new schools for 150,000 pupils.
- The most advanced labour laws; expanded compensation and rehabilitation for injured workmen.

TO DEVELOP THE PROVINCE

- Greatest plans for Highways and Roads in history.
- Trans-Canada Highway under construction.
- Grants for municipal roads multiplied nine times—now \$27,000,000 annually.
- Two million Horsepower added to Hydro output serves 85% of Ontario's farms—"Back to Niagara"—a fact.
- St. Lawrence power development to commence.
- Farm income highest in history.
- Plans for modern telephone system for our rural people.
- Private and public rental housing speeded under Federal-Provincial agreement.
- Railway level crossings to be abolished by three-way plan.

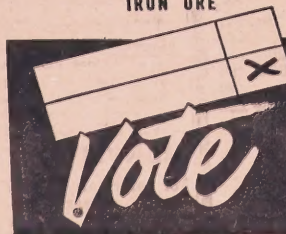

TO CONSERVE OUR RESOURCES

- Forest wealth preserved as part of vast conservation program. 20,000,000 trees provided annually by Government nurseries.
- Canadian manufacture of forest products rather than export of raw materials.
- Development of mining resources—including huge iron deposits—aided by Government action.

TO PRESERVE GOOD GOVERNMENT

- Lowest provincial taxation in Canada.
- Provincial credit at an all-time high—eight consecutive balanced budgets.
- \$100,000,000 in municipal grants to relieve local taxpayer.
- No provincial sales tax—no provincial income tax.
- Good relations maintained with Federal and all other Governments.

Entered Into Rest

MRS. JOHN C. MORTON

Mrs. Mary Morton, wife of the late John C. Morton, passed away at the home of her son, Wm. Morton, on Friday, October 19th, after a short illness.

She was a daughter of the late Mr. and Mrs. Jas. Irwin and a native of Rawdon Township all her life. She was in her 89th year.

The late Mrs. Morton was formerly Mary Anne Irwin, sixty-five years ago she married John Morton, who predeceased her 17 years ago. She was a faithful member of the Christian Brethren, and was loved by all who knew her for her kind and loving manner to all.

Left to mourn the loss of a loving mother are five daughters, Mrs. Essie Reid, Rylstone; Mrs. Etta Hallstone, Madoc; Mrs. Fred McKeown, Springbrook; Mrs. Clifford Anderson, Campbellford; Mrs. Arthur Reid, Springbrook; also three sons, Richard and William, of Rylstone, and George, of Milverton.

There are also 32 grandchildren and 24 great grandchildren.

She was the last of her family. Service was conducted at the Gospel Hall by Mr. Shantz, of Peterborough, assisted by Mr. Fox, of Trenton.

Mr. and Mrs. Ken Broadworth contributed a very comforting duet.

The pallbearers were grandsons, Arthur and Morton Reid, Ted Hallstone, Leslie McKeown, Glen and Doug Morton, and the flower bearers also grandsons, were Melville and Don McKeown, Walter, Percy, Billie and George Reid, Jack and Jimmie Morton.

Interment took place in Rylstone Cemetery.

Cubs To Hold Parents Night

On Monday, November 5th, the Cubs are holding a parent's night. A good Cub film has been obtained from Ottawa and will be shown by Mr. J. L. Good.

A good programme has been arranged and the Cubs will be presented with the badges they won this summer.

Parents and friends are cordially invited to attend this meeting to see what the boys do.

In Hymen's Bonds

McCULLOUGH — GRAVER

The marriage of Lena Lorraine, daughter of Mr. and Mrs. Wilfred Graver, to Mr. Robert McCullough, son of Mr. and Mrs. John McCullough, of Toronto, took place in St. John's Anglican Church, Stirling, on Saturday, October 20th.

Bouquets of white and yellow 'mums formed an effective setting for the double ring ceremony at which Rev. H. C. Secker officiated. Miss Katherine Wright played the wedding music. "Because" and "The Lord's Prayer" were sung by Miss Marilyn Eggleton.

The bride, who was given away by her father, looked charming in a ballerina gown of Drift white chantilly type lace over satin. The jacket was fashioned with petal collar buttoned to the waist and long, tight sleeves. The strapless bodice of the gown was cuffed, and the very full ballerina skirt featured a crinoline. Her bouquet was of red roses and white 'mums. Her tulle shoulder veil was caught by a cap of net over taffeta.

Mrs. Fred Sayers attended her sister as matron of honor. The bridesmaid was Mary McCullough, sister of the groom.

The bridesmaids wore ballerina gowns of Pacific green taffeta, fashioned with bolero jackets featuring a roll collar and short, cuffed sleeves. The strapless gowns had full skirts accented by a crinoline edged in matching green net. Their bouquets were bronze 'mums.

Mr. Fred Sayers acted as groomsmen and the ushers were Mr. John Smith and Mr. Gerald Moore, cousins of the bride and groom.

At the reception, which was held at the Golden Acres Inn, Belleville, the bride's mother received in violet crepe with grey accessories, and a corsage of white rose buds. The groom's mother assisted, wearing navy blue crepe and a corsage of red rose buds.

Following the reception the happy couple left amid showers of confetti and good wishes for Quebec, the

Council To Issue Debentures For Construction of New Sub-Station

Letter From Public Utilities Commission Suggests A Sum of \$15,000 Required

Village Council will raise the required funds for the erection of a new Hydro-Electric Station. A letter tabled from the local Hydro-Electric Commission at Monday night's Council meeting suggested \$15,000 as the amount required, with interest at 4 1/2 per cent. Reeve Wells announced that the local Commission has been assured by the Ontario Hydro-Electric Power Commission that the new sub-station would be ready for use by December of this year. During the winter months the local hydro system will be fed through both the old and new sub-stations, with the complete cutover being made in the Spring.

A letter tabled from R. Bruce Bell, relative to cars parking in front of his driveway, and on the south side of Front Street, set off a lengthy debate on parking in the village. It was the general consensus that enforcement of the local traffic bylaw was the only solution to the problem. A special meeting of Council will be held at a later date to either amend the present bylaw or pass a new traffic bylaw.

Council concurred in a request from the Township of Marmora and Lake that the Ontario Department of Highways be urged to extend Highway No. 14, which passes through this Village, from Marmora to Coe Hill. According to a letter from the above Township, the suggested new highway would open up a new section of Hastings County for tourists as well as for mining interests.

An invitation to members of Council to attend the Memorial Service in St. Paul's United Church on Sunday night, November 11th, was contained in a letter from Geo. Carlisle, Clerk of the Session of St. Paul's.

The Boiler Inspector's report on an inspection of the boiler in the Community Service Building was tabled from the General Insurance Co. The boiler was reported in good condition.

No Appeals Against Assessment

Clerk F. R. Mallory reported that no appeals had been received against the Assessment Roll for 1952. Consequently it would not be necessary to hold a Court of Revision.

The following accounts were passed for payment:

St. Andrew's Club Meets

The regular meeting of St. Andrew's Club took place on Monday night in the Sunday School Parlours of the Church with the President, Mr. James Johnston officiating. Rev. W. H. V. Walker led in prayer which was followed by the Scripture reading.

Business was discussed and plans were made for the annual Candle-Light Service to take place in the latter part of December, when a Christmas Cantata will be presented.

A reading was given by Mrs. Williams, followed by a violin solo by Mr. Clapper, accompanied at the piano by Mrs. Clapper. Several items of current events were given by Mrs. Walker and Gena Spry.

The next regular meeting will be held on November 19th at the home of Rev. W. H. V. and Mrs. Walker.

Remembrance Day Service Sunday

Remembrance Day, Sunday, November 11th, 1951, will be observed by Stirling and Rawdon Township with a joint service at the Stirling Cenotaph at 10.30 a.m. Citizens are asked to be present to honour those who fell in the two Great Wars.

Members of the Legion will meet at the Legion Hall and parade to the Cenotaph for the Service.

Normal Students Practice Teaching

Misses Eleanor Wells and Helen Stapley, student-teachers, at Peterborough Normal School, are doing some practice teaching at the Marsh Hill School this week. They are under the supervision of Mrs. J. L. Good, the regular teacher.

Over Seventy Licenses Sold

There has been a general exodus of hunters to the northern wilds in search of the wary buck this week. According to W. Wright, local issuer of hunting licenses, over seventy have been sold thus far.

Heavy Sleet Storm Over District

One of the heaviest sleet storms in years struck this district on Tuesday night, leaving in its wake snarled communications. Ice-weighted trees and branches snapped off like matchwood and lawns and gardens were littered with falling debris from trees. While the village escaped lightly rural hydro and telephone service has been disrupted and farmers have been compelled to resort to milking by hand and carrying a lantern for light.

Hallowe'en Dance Very Successful

Stirling Women's Institute's Annual Hallowe'en Dance was well attended. All sorts of clowns, witches, hard-time, well dressed, cinderellas, circus toge, lazy farmers were on parade.

Archer's Orchestra, from Campbellford, with the assistance of Maurice Bell with banjo, brought down the rafters for this Old Time hoe-down.

The highlights of the evening were the prize winners, which made it a "real" task for the judges, Mr. John Morrison, Mr. Jim Campbell and Mr. Blake Johnston, the latter two from Marsh Hill community.

Best Dressed Lady — Mrs. Burton Woodbeck
Best Dressed Man — Miss Gladys Clarke
Best Original Lady — Ken Hagerman, Carmel
Best Original Man — Fred Walte, Belleville
Hard-Time Lady — Mrs. Harold Morgan
Hard-Time Man — Mrs. Ray Sine, of Harold

The drawing of the lucky ticket for the occasional chair was made by the Orchestra leader, Mr. Archer, who drew number 229, Mr. W. W. Thompson, Mountain View. Mrs. Alfred Lake had the honour once again of selling the lucky ticket.

The lucky door prize was drawn by the President, with Mr. Lloyd Jenkins, of Harold, being the ticket holder.

At this time the president was called to the platform, and in a few well chosen words expressed thanks to each and everyone for their contribution toward attending the dance and buying tickets. Dancing was resumed till 1 o'clock.

ST. JOHN'S CHURCH HOLDS SUCCESSFUL SUPPER AND DANCE

A most successful supper, followed by a dance, was sponsored by St. James The Minor Church in the Stirling Community Hall last night. The tables were well arranged and laden with "all the good things to eat" and the large crowd did ample justice to a grand meal.

Bingo and candy booths were also in operation and did a flourishing business.

Music for round and square dancing was provided by the Tweed "Modernaires" Orchestra and a real good time was had by all.

Winners of the draw were: 1st, prize, \$20.00, Leo Ryan, Stirling; 2nd prize, \$10.00, Billy Carr, Stirling; 3rd prize, \$10.00, Ken Powers, Read, Ont.; 4th prize, pair flannelette blankets, S. Finnegan, Ormsby; 5th prize, aluminum kettle, Clare West, Stirling.

Buy Your Poppy On Saturday Next

Poppies for Remembrance Day will go on sale on the streets of this Village on Saturday next, November 10th. The proceeds will go to the Canadian Legion for work among the Canadian Veterans and their dependents. Make sure you buy a poppy and help the local Veterans.

Shot Large Wolf In Malone District

Hunting in the Malone district over the week-end, Floyd Phillips, of Stirling, shot a large wolf, measuring five feet two inches in length. He was accompanied by his brother, Carl Phillips and his father, Morley Phillips of town.

Mrs. Geo. Burkitt, District President Guest Speaker At Stirling W.I.

Mrs. Geo. Sarles was hostess to the Stirling Women's Institute on Monday night in the Community Hall.

The President, Mrs. Perry Bronson, opened the meeting in the usual way. Thirteen members and five visitors were present. Roll Call, "My favourite magazine and why," with the Reader's Digest getting most mention, as it touched on various subjects, which no other magazine editor would attempt to commence to publish. Secretary, Mrs. S. McMurray read the minutes, which were approved and signed. Bills and correspondence were given and settled.

Treasurer, Mrs. W. C. West, gave a full financial report, which included proceeds from the dance and the selling of the tickets on the occasional chair.

At this point the Treas. was asked to name the three highest ticket sellers, 1st, Mrs. Everett Cooke; 2nd, Mrs. L. Rodgers and Mrs. Ken McMurray (tied), with the President giving each a box of homemade candy; the same went to David Duffin and Charles Fairies (where the chair was purchased) who sold a large number of tickets. All members were thanked for their good work in making the dance such a success.

The buying committee, Mrs. W. H. Cooke and Mrs. L. Rodgers are getting 3 dozen flowers to be placed in the three churches on Armistice Sunday, in honour of our boys.

It was arranged to sell the print quilt that has been completed. It was agreed to remember older people and shut-ins at Christmas, and dispense with Christmas gift exchange among members. Five dollars will be donated to the Santa Claus Fund; also five dollars will be sent stricken women and children of Northern Greece.

The W.I. Winter activities will start in January. The President reminded the ladies for a full attendance on Friday for the meeting of the four branches in the Community Hall with Miss McBride as department speaker. An

TWO STIRLING DISTRICT MEN ASPHYXIATED

Carman Geen, 26, of Huntingdon Township, Ivanhoe, and Charles F. Wright, 35, of R.R. 2, Stirling, were found dead Tuesday in their automobile two miles east of St. Oia.

Death was believed due to carbon monoxide fumes. The men had been hunting and stopped their car at the side of the township road, leaving the motor running.

The late Mr. Geen was born at Thomasburg, 26 years ago, being the son of Mrs. Margaret Geen and the late Murney Geen. He has resided in that community all his life and his sudden death has brought sincere regret in a wide circle of friends.

He was a member of St. James' Church at Stirling and surviving are his mother, his wife, the former Madeline Tuepah, two daughters, Joyce and Barbara at home and seven brothers, William, Harold, Donald and Clare, of Thomasburg, Everett, of Roslin, and Harry, of Harold.

Chas. Wright

The late Mr. Wright was born at Ivanhoe, 37 years ago, being the son of Mr. and Mrs. Germain Lynn Wright and has resided in the Ivanhoe district all his life, where he was well known and highly respected. He was employed by the Northern Electric Company of Belleville.

He was a member of St. James' Church at Stirling and surviving are his parents, Mr. and Mrs. Germain Wright, of Belleville; his wife, the former Mary Tuepah, two sons, Chas. Allan and Robert Lynn and one daughter, Shirley Madeline, all at home; two brothers, Murney Ernest, of Belleville, Harold William, of Ivanhoe, and two sisters, Mrs. Claude (Betty) Roper, of Belleville, and Miss Barbara Alma, at home.

afternoon tea will be served at the close.

The President and Treasurer were appointed to meet the town Council in regard business executive matters.

The evening's programme was capably presented by the chairlady, Mrs. Geo. Sarles. The speaker, Mrs. Geo. Burkitt, of Frankford, the new District President, needed no introduction, she being one of Stirling's girls. She began with the order of the W.I. meetings. Each member should try to answer the Roll Call with some interest, as some women are backward in answering, with each saying something, it helps the one next to get courage to answer, too. Mrs. Burkitt spoke of the vast area the Women's Institute covered in order to bring some relief and comfort to those less fortunate, saying the Women's Institute organization is the "salt of the earth." Regardless of colour or creed, the Women's Institutes of the World holds out the hand of charity and love, not looking for any grand reply or praise, but going on still further seeking the helpless.

Mrs. H. Rodgers gave a very appropriate reading entitled, "A Smile In A Lonely Room." The topic for the evening, "Historical Research," prepared by Mrs. H. Tulloch, was read by Mrs. H. Foster.

The last number on the program, which proved most interesting, was a demonstration by Mr. Everett Cooke, "interior decoration." Mr. Cooke brought several prepared designs of finished walls in sample form. As he is the only agent in this district for this particular wall finish, it appeared new to most everyone, and a keen interest was anticipated.

At the close of the meeting a linen spread table was laden with good things to eat including ice cream. All were in high appraisal of the committee in charge for the fine programme and lunch committee Mrs. Geo. Sarles, Mrs. Gordanier, Mrs. W. H. Cooke, Mrs. H. Rodgers and Mrs. H. Tulloch.

Wm. Snarr, Host At Turkey Dinner On Seventieth Anniversary

W. J. BARLOW

Chosen President of Laymen

At a meeting of the Laymen's Association of the Deanery of Hastings County held in Canterbury Hall, Trenton, on Wednesday night of last week, William Barlow, of Bonarlaw, was chosen President for the ensuing year. G. H. Mouch, of Tweed, was elected Vice-President.

To Drain Village Pond

To safeguard against a Spring flood, Council has decided to have the stop logs at the village dam removed before the freeze-up. This will drain the pond and prevent the formation of ice during the coming winter.

Speaker At Lions Club

C. I. Hatton, President of the Rotary Club of Stirling, was guest speaker at a meeting of the Frankford Lions Club last night. His subject was "The Evolution of the Automobile."

Mt. Pleasant Chicken Supper

On Tuesday evening Mount Pleasant ladies served a hot chicken dinner to over three hundred and fifty people. The tables were laden with platters of chicken, hot dressing, potatoes, vegetables, jellies, sweet apples and all the usual items including cheese and the dessert course was pie and more pie.

Guests came from Belleville, Trenton, Foxboro, Frankford, Campbellford, Madoc and all the nearby points, and included Rev. and Mrs. W. H. Clarke, of Deseronto.

At 9.15 Rev. F. G. Joblin, Port Perry, led in the singing of a few gospel hymns and Rev. R. R. Bonstead acted as chairman and expressed appreciation to all who had helped in any way, to make the event a success.

The guest soloist was Mr. Alphonse McCue, Odessa, who is a personal friend of the Pastor, and who made a special effort to attend. He sang several selections which included "Molly My Old Grey Mare," "The Blind Flowerman," and "The Lord's Prayer." Mr. John Coggins, Burnbrae, rendered "Whispering Hope," by special request.

Misses Barbara Melkidejohn and Eleanor Thompson, Springbrook, sang "The Lord Is My Shepherd," and "Before the Sun Goes Down." Mr. Stanley Hawthorne, Madoc, and Miss Betty McConnell contributed two piano selections.

At 10.15 Rev. F. G. Joblin pronounced the benediction and the Eightieth Anniversary was a decided success despite the weather.

Over Seventy Guests In Attendance — Rev. Gordon Whitehorse Is Toastmaster

A happy occasion was celebrated at the home of William Snarr, popular and genial drover, of Hoad's, on Saturday night when he was host at a turkey dinner on the seventieth anniversary of his birthday.

The seventy or more guests were welcomed by the host and his sister, Mrs. Hugh Morton, of Stirling, and included several of his old schoolmates, relatives and friends. His other sisters, Mrs. Jack Brown, of Hoad's; Mrs. Ray Armstrong, Toronto; Mrs. Frank Johnston, of Frankford; and Mrs. Leonard Sharp, of Stirling R.R. 3, with members of their families were also present and assisted in preparing and serving the dinner.

The rooms were decorated with white and pink streamers and white bells while the tables were covered with tablecloths bearing the inscription "Happy Birthday" and were centred with two large birthday cakes, each bearing thirty-five candles. Later the candles were lighted under the supervision of Miss Joanne McArthur, of Campbellford, and were extinguished by Mr. Snarr, who also cut the cake.

Following the banquet, which had been prepared under the direction of Mrs. Grant Potter and her mother, Mrs. Hugh Morton, Rev. Gordon J. A. Whitehorse, of the Seymour United Church Circuit, acted as master of ceremonies and proposed a toast to the genial host. Greeted with the singing of "For He's A Jolly Good Fellow," "Bill" expressed his great pleasure at being privileged to entertain his old school chums, relatives and friends. He exhibited a picture taken of the pupils at the old school at Wellma's, and recalled the many happy days spent there. He also thanked all for their many gifts and good wishes.

Among the old school chums present as guests were Mrs. Henry Cooke, of Stirling; Geo. Watson, Jack Rainie, Miss Emma Rainie, Lewis Pauley, Bob Wallace, E. Pollock, and Mrs. Walter Dracup, of Wellman's and Mrs. S. Diamond and Mrs. H. Parr, of Hoad's.

Brief addresses of congratulations and good wishes were also delivered by Geo. Watson, G. B. Bedford and H. R. Tompkins, following which the evening was spent in music and cards. Mrs. Henry Locke and W.O. John Silver, R.C.A.F., Trenton, presided at the piano.

River Valley Women's Institute

The November meeting of River Valley Women's Institute was held at the home of Mrs. Alex Bush on Thursday, November 1st, with thirty members and visitors and several children in attendance. One new member, Mrs. Bob Philip joined at this meeting.

Mrs. Don Donohoe presided and a brief silence was observed in memory of our fallen heroes, who will be honoured on Remembrance Sunday.

Mrs. J. L. Donohoe in her report gave a detailed account of the month's proceedings. A vote of thanks was tendered the committee who purchased the drapes and rods for River Valley School. A letter of interest was read from Mrs. R. G. Purcell, F.W.I.O., President and it was moved by Mrs. Percy Utman and seconded by Mrs. S. McIntosh that we send ten dollars to help provide a community tractor and flour for the women of Mesovouno in a War torn Greek Village.

All members were urged to take advantage of the lecture in Stirling Community Hall on Friday afternoon, November 9th entitled, "We call it human nature."

Mrs. Ross Bush gave a report of the entertaining committee and plans were made for the dance.

The Potter's Orchestra has been engaged and there will be a booth of home-made articles and candy with a lucky door prize. She thanked all those who assisted with preparations

for the Hallowe'en Social. Roll Call was answered by gifts which will be sold at the dance. There were several aprons, dressed dolls, baby clothes, kitchen articles and jam.

The programme was arranged by Mrs. Ross Bush and the President and Mrs. Bush took the chair and introduced the guest speaker, Mrs. George Burkitt, Uniondale, the new District President.

Mrs. Burkitt paid tribute to the efficiency of the President in her business and then gave a glimpse of a recent address given by Miss Anna P. Lewis. Miss Lewis had stressed that each member radiate inspiration and enthusiasm, that she answer the Roll Call and not just say "Present."

Mrs. Burkitt urged the members to always keep in mind the aim of the W.I. which is to develop a more abundant life for the rural people of Ontario in four ways — developing better homemakers, happier and more useful citizens, stimulating and training leaders, and lastly encouraging appreciators of the things near at hand.

Just here she pointed out that if every Institute would leave their grant at Toronto the department could use it to such good advantage for educational purposes. This past year they printed the brochures which are in the calendar aids in furthering Institute work. The speaker spoke of the motto "For Home and Country" and explained how the fifty cent fee is used. She strongly urged the Institute members to take advantage of the short courses and lectures. They are prepared for

you and are free for the asking and each Branch should take advantage of them and arrange time to attend, for these short courses are wonderful opportunities to be better homemakers. The Institute Ode and Mary Stewart Collect furnish food for thought and should be studied more carefully. Today we cannot disregard the hungry people in other lands. International relations begin with ourselves and Institute members must be ready and willing to share their abundance when called upon to do so.

Then too, members should help the President and all work in unison. The Institute should be a mother to the community and aware of its needs at all times. Homemaking Clubs are important as these girls are your future members. A good Institute member is a good citizen doing each day's job a little better and putting the common good ahead of everything else.

One writer has said Institute members are the salt of the earth and another that Institutes spread knowledge in the art of keeping the home. Are we as Institute members worthy of these words, or are we resting on our past laurels? She outlined the Salada Tea Co. quilt contest, the coming convention in Guelph in 1953 when representatives of twenty-six countries of the world will be in attendance and the need to study Ontario. It should be remembered that all fees are to be forwarded to headquarters on February 1st so not to complicate matters.

Mrs. Burkitt was thanked by Mrs. Utman for her educational address. Mrs. George Heasman led in a chorus of "Grandfather's Clock" and "Home On The Range."

Mrs. Roy Bush, delegate to the Area Convention, gave a graphic picture of that meeting and explained its various phases of administration and when West Hastings District would again be eligible for nominations for office. She said each Branch is no stronger than its weakest member and each should have a special purpose and aim so that they will be of use to the community. At the Area Convention the Mohawk delegates pointed out that Columbus called the people "Indians" but that name is not correct.

In 1926 the first Area Convention was held in Belleville and Mrs. Will Hanna and Miss Flossie Rosebush were delegates from River Valley Branch and brought written reports to their Institute at its next meeting. Fortunately these reports have been preserved and they were read at this twenty-fifth anniversary and Miss Lewis has taken them to Toronto to make special copies of them. There were three hundred and ten members

at that first gathering and the delegates were tendered a free banquet through generous donations of the various cheese companies in the area.

Mrs. Bush gave a list of Roll Calls, interesting topics and a wealth of material suitable for the 1952 programs, and she still has other items of interest which can be given at a later date. In closing Mrs. Bush said the Area speakers urged that Institute members remember the motto, "Be Yourself."

Mrs. Burkitt expressed thanks to Mrs. Bush for her splendid gleanings of interesting items which as she said didn't come out of a newspaper.

The next meeting will be held on December 6th at the home of Mrs. Gerald Brooks and the member's gift exchange is to be 35 cents and children 25 cents.

Mrs. Percy MacMullen expressed thanks for hospitality, programme, to the guest speaker Mrs. Burkitt, to Mrs. Bush, for her report and to the lunch conveners.

The National Anthem closed a profitable meeting after which refreshments were enjoyed.

Legion Notes

Zone Church Parade

At the regular Zone meeting held in the Legion Room, Stirling, on October 28th, the occasion of the visit of Col. A. E. Baker, of the C.N.I.B., to the United Church on Sunday, November 11th at 7.30 p.m., was declared a Zone Church Parade, and notices are being sent to that effect to all branches of the Legion.

St. John's Hallowe'en Party

St. John's Parish Hall was the scene of a very exciting and entertaining Hallowe'en Party on the evening of October 30th, when the pupils of the Sunday School gathered in costumes of the land of make believe.

The Hall was very tastefully decorated with grinning Jack O' Lanterns, corn stalks and black and orange streamers. Balloons were floating around as if some weird magic were present.

Witches astride broomsticks, ghosts, cowboys, Indians and many other impersonations of Fairyland were present. Last, but not least worthy of mention was the Master of Ceremonies, Mr. Houchin, dressed as an Indian Chief, who in his very capable and interesting manner conducted an Indian War Dance, games and musical numbers, assisted by Ruth Mumby at the piano. Judging of costumes proved a very difficult task.

The following are the prize winners: Youngest child in costume — John Secker, clown.

Shirley Ackers' Class — Patricia Mallory, gypsy; Joanna Lyons, Red Riding Hood; John Noble, a bride.

Alice Vardy's Class — Joan McArtion, gypsy; Douglas Bolte, Indian Chief; Bobbie McArtion, bat.

Grace Carleton's Class — 1st boy's, Garry Frost, peanut; 1st girl's, Carol Burgess, Bo-Peep; 2nd girl's, Bonnie Brown, Dutch Girl.

Fred Houchin's Class — 1st, David Bell, Aladdin; 2nd, Barbara Wood-

The evening Lesson will be read by Col. Roscoe Vanderwater, D.S.O., and local clergymen Rev. W. H. V. Walker and Rev. H. C. Secker will share with the minister of St. Paul's in this service.

Col. E. A. Baker, O.B.E., M.C., Croix de Guerre, will give the address and the bugle calls will be sounded by trumpeters of the R.C.A.F. St. Paul's Choir will interpret Sir Edward Elgar's "Land of Hope and Glory." Mr. William Aylsworth will sing McCrea's immortal lines "In Flanders Fields" following the period of silence after the Last Post is sounded while a spotlight operated by Mr. Maurice Bell will reveal Flanders Field with its silver crosses with poppies scattered thereon. These symbolic crosses have been made by Mr. Albert Wells. Mr. Arthur Morrison and Mr. Jack Bush have provided the auxiliary equipment. The decorative arrangement will be cared for by Mrs. Wm. Cornett.

Mr. Maurice Bell has graciously provided for a Public Address System to carry the service to the Sunday School Hall as an overflow congregation is expected. A special lithographed six page order of service will be issued to all in attendance.

Mr. Frank Sprentall, local Hydro Superintendent, has personally supervised the installation of the memorial light.

Organ music will include "Pomp and Circumstance," by Sir Edward Elgar; "The March of Dead Heroes," by Gaul and the Highland Lament "Flowers of the Forest."

C. E. Macklin, chairman of the ushers will be assisted by Clerk of Ses-

ion George Carlisle and the following ushers specially designated for this service Messrs. E. Ketcheson, R. H. Philip, E. Heasman and Francis Jeffrey.

Memorial Hymnaries

Mr. Harry Potter and his sons Jack, Grant and Carl have thoughtfully provided two music copies of the Hymnary inscribed in loving memory of a devoted wife and mother, Mrs. Eva Edith Potter, who entered her rest June 25th, 1951. These will be dedicated at the Memorial Service Sunday morning and given to St. Paul's Choir.

Fred Bateman, Esq., G.M.

We are proud of Mr. Fred Bateman who was honoured by a representative meeting of Orangemen and their friends at a meeting held in the Stirling Community Hall last Tuesday week. Mr. Bateman is an Elder of St. Paul's Church and one of its most faithful members. His example as a Christian and the leader of a great organization is an inspiration to everyone. We rejoice that his devoted wife was also suitably recognized.

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

November 11th

Remembrance Day on the St. Paul's Carmel Pastoral Charge will be a notable one. The morning service will open at 11.15 a.m., following the 10.30 a.m. community service at the War Memorial which will close after the observance of the two minutes' silence at 11.00 a.m.

The congregational memorial service at 11.15 a.m. will be specially related to those who have entered their rest since Remembrance Sunday in 1950. The Parish Register lists the following: Roy Lancaster, Jennie Rebecca Chambers, William John Richardson, Frederick Nelson McKee, J. Arthur Blair, William Edward Fitchett, Rosetta Maggie Hanna, Eva Edith Potter, Eliza Rowatt Connolly, Bertha Marshall Ross, Walter T. A. Barker and Marjorie Heath.

The front left section of the Church will be reserved for all surviving members of the families related to the aforementioned.

Endowment Directory

The solid oak Endowment Directory gift of Mr. and Mrs. Bert Hanna will be unveiled, presented and dedicated. This notable furnishing will carry the names of Thomas William Donohoe, whose bequest to the Church inspired the Trustees Board to pen an Endowment Trust Fund and the names of the donors Mr. and Mrs. Bert Hanna, who have also made substantial gifts to this fund.

As the value of this open door of memorial and special gift making grows upon the congregation it is expected that every christian family circle associated with the Church will be represented by the names of one or more loved ones carved thereon. 2.30 p.m. At Carmel

The Memorial Service at Carmel will be related to the passing of Russell Silvenus Hubel, Alfred Sanford Anderson and James Theodore Reid, and to the members from Carmel who died on active service namely Andrew Loehaw and Roy Conley.

The pulpit will be draped with a silk Union Jack purchased by the Carmel Sunday School. St. Paul's War Memorial 7.30 p.m.

Church sittings will be reserved until 7.15 p.m. for the following: next of kin and relatives of those who made the supreme sacrifice in two world wars; the aged or handicapped; representatives of all levels of civil government including school trustees; patriotic, fraternal and public service organizations; Boy Scouts and those accompanying special guests.

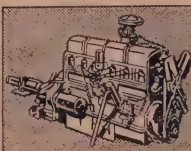

There will also be reservations for fifty members of the R.C.A.F., Col. Porritt, O.C. of the Hastings and Prince Edward Regt. and his attendants. Zone members of the Canadian Legion will parade, led by the Stirling Branch and color parties.

The marble memorial will be unveiled by Mr. Fred Bateman, President of the Stirling branch of the Canadian Legion. The memorial wreaths will

POWERED FOR THE JOB

Four great engines! The 92-h.p. Thriftmaster, the big 105-h.p. Loadmaster, the massive 114-h.p. Torquemaster and the mighty 120-h.p. engine all deliver outstanding performance with remarkably low fuel and maintenance expense.

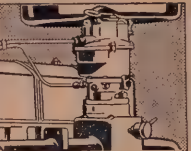

VALVE-IN-HEAD DESIGN

For 35 years, Chevrolet has built valve-in-head engines. No other manufacturer has built so many, just as no other truck-engine design can match the over-all economy and proved efficiency of Chevrolet's valve-in-head.

BLUE-FLAME COMBUSTION

Wings off the usable energy from every drop of gasoline. Blue-Flame combustion is possible only with valve-in-head engine design — provides greater power and livelier performance, through more efficient utilization of fuel.

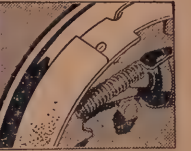

POWER-JET CARBURETOR

At low speed, on grades or at regular highway speeds, Chevrolet's Power-Jet carburetor maintains the proper fuel mixture for the engine. This, plus fast warm-up, smooth, quick response, means surprisingly low operating costs.

LONG LASTING BRAKES

The greater self-energization of Chevrolet hydraulic brakes provides smoother, safer braking — completely equalized pressure to each brake. This in turn assures full lining contact and longer wear — for the brakes on your truck.

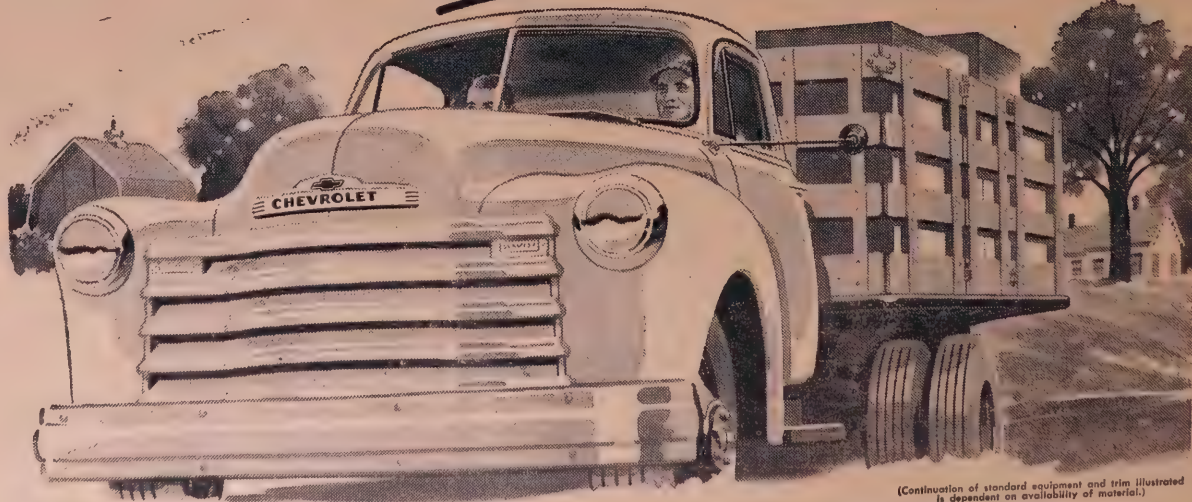

BONDED BRAKE LININGS

No rivets! On light- and medium-duty models, the lining is bonded directly to brake shoes to increase life and to eliminate danger of scoring brake drums as lining wears. You get extra wear — safer brakes.

greater economy

engineered in! ... to do more work for your money

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Just take a look at the engineered-in economy features of Chevrolet trucks. Features like valve-in-head engine design, Blue-Flame combustion, Power-Jet carburetor, long lasting brakes and a host of others. All the vast engineering and manufacturing experience of Canada's largest truck builder is used to give you greater economy on the job.

And Chevrolet economy goes far beyond low operating costs. It means engines, chassis

and cabs will stand up under rough, tough use month after month, year after year. It means building extra ruggedness and extra efficiency into Chevrolet trucks at lowest cost.

Every day, more and more truck users are switching to new Chevrolet trucks. Take a tip from these truck-wise buyers and get engineered-in economy and more work for your money.

Ivanhoe

The Young Married Couples of St. Andrew's Presbyterian Church, West Huntingdon, met at the home of Mr. and Mrs. Barton Haggerty on Friday evening for the purpose of organizing a Church Club. Most everyone present was in Halloween costume and after the promenade the meeting was called to order by Rev. W. H. V. Walker, who led in the devotional exercises. The hymn, "What a friend we have in Jesus" was sung, followed by prayer. Mr. Walker read John 15th, beginning, "I am the true vine," and gave an explanation of this portion of Scripture.

The following officers were duly appointed:

President — Mr. and Mrs. Milton Shaw
1st Vice President — Mr. and Mrs. John McInroy

Treasurer — Mr. David Fargey
Secretary — Mr. Harold Thompson

It was decided to hold the first meeting at the home of Mr. and Mrs. Milton Shaw the first Friday evening in December. The programme committee will be Mr. and Mrs. Wm. Donnan and Miss Margaret Haggerty.

W.M.S. Meeting

The October meeting of St. Andrew's W.M.S. was held at the home of Mrs. Alex Fleming on Thursday afternoon. In the absence of the President, the meeting was conducted by Mrs. Barton Haggerty. The hymns "Dare To Be a Daniel" was sung, followed by the Lord's Prayer in unison. An interesting talk was given by Mrs. Wm. Shaw on "Phurab," an unsung hero in Deborah's time. He was a servant of Gideon, obedient and courageous and had a large part to play in the deliverance of the Israelites from the Midianites.

The Scripture Lesson, Psalm 84, was read by Mr. Harold Thompson. Rev. W. H. V. Walker led in prayer. The minutes of the last meeting were read by Mrs. Milton Shaw and approved.

Plans were made to attend the 65th Anniversary of Madoc W.M.S.

Mrs. Milton Shaw sang "Near To The Heart of God." Miss Bessie Fleming read "A slave trader's story," by John Newton. A chapter in the Study Book was given by Mrs. A. Hassall.

Mrs. W. H. V. Walker read a letter from the Press Secretary of the Presbyterian. The meeting closed with "All Hail The Power of Jesus' Name." A delicious lunch was served by the hostesses.

Mount Pleasant

Dozens of folk from various points journeyed to Mount Pleasant on Anniversary Sunday and spent the day with friends.

The late Allan Wescott, who resided on Pump Street had the honour of drawing the first timber for the erection of Mount Pleasant Church, 80 years ago. Many men in the community gave a great amount of free labor and free timbers from their farms.

Mount Pleasant Woman's Missionary Society will convene on Wednesday, November 14th at 2 p.m. at the home of Mrs. Herbert Smith. Mrs. Ida Denton, Belleville, Stewardship Secretary, of Belleville Presbyterian, will pay her official visit.

Mrs. Thomas Andrews spent a day last week with Mr. and Mrs. Jack Ryan.

Mr. and Mrs. Frank Smith, of Mount Pleasant, and Mrs. Alfred Sweeting, of Toronto, have returned home from a delightful motor trip to Chicago, Ill., and to Marietta, Ohio, where they visited their brother, Mr. Herbert MacMurdy.

Rev. R. R. Bonsteel spent a few days last week at Queen's Theological College, Kingston.

Mr. and Mrs. Percy Hubble and Patsy, Stockdale, were recent guests of Mr. and Mrs. Oscar Merrick and Mr. and Mrs. Percy MacMullen.

Miss Marguerite Stone, Belleville, spent Anniversary Sunday with her grandparents, Mr. and Mrs. Ernest White and family.

Mr. and Mrs. Ernest White, Messrs. Harold and John White and Mrs. Marguerite McMullen were recent guests of Mr. and Mrs. Ray White, Bannockburn.

Mrs. Milton Shaw and Wayne, of Ivanhoe, spent Sunday with Mr. and Mrs. Roy Thrasher.

Mr. and Mrs. Earl McMullen, Larry and Linda, Bethel, attended Anniversary and were guests of Mr. and Mrs. Norman McConnell.

Mr. John L. Bailey and Mr. B. C. Tucker were guests of Mr. and Mrs. Will Potts on Sunday.

Mrs. Leonard Sharp spent part of last week at Hoard's and she and Mr. Sharp attended a birthday turkey dinner Saturday night in honour of the 70th anniversary of Mr. Will Snarr, of Hoard's. Mr. Snarr entertained several relatives' and former school mates from Wellman's, where he used to reside. Eighty guests enjoyed a delightful turkey dinner and program. His sisters catered for the event.

Mr. and Mrs. Raymond McConnell and Betty and Mr. and Mrs. Percy MacMullen attended the Appreciation Night for Mr. Fred Bateman, and were luncheon guests at L.O.L. No. 110 following the programme in the theatre.

Mr. and Mrs. Ernest White and Mrs. Marguerite McMullen spent a day last week with Mr. and Mrs. Fred Sarles, Holloway.

Old man winter put in his appearance on Friday, November 2nd, with the first snowstorm and it is estimated that five inches fell over the week-end, with zero weather Tuesday morning.

Rawdon folk had two bad jolts last week, first hardly anyone was prepared for winter and secondly along came the tax bills. The Rawdon School Area has added a large amount extra on top of that, those folks who live in the Stirling Union Area were gently reminded that it costs plenty to build new schools.

Mrs. Vera Sine and other relatives spent Sunday with Mr. and Mrs. Ross Jeffs.

Several folks are in the north country deer hunting.

Miss Ruth Linn has accepted a position at Fred Bateman's Ladies' Wear in town.

Sixteen from Mount Pleasant, namely: Mr. and Mrs. Roy Thrasher, Mr. and Mrs. Gordon Linn and Ruth, Mrs. Blake Sharp, Mrs. Milford Wrightman, Mrs. Ross Hoard, Mr. Robert Hoard, Mrs. Frank Jeffs, Mrs. George Weaver, Mrs. James Hoard and Mrs. K. Weaver attended the 60th Anniversary of Madoc W.M.S.

Fred Joblin, president, Rev. Kingsley Joblin, Toronto, gave the message while Rev. Elgie Joblin, Muncey, and the father of the three boys, Rev. Fred G. Joblin, Port Perry, each brought greetings. This is the first time the four Ministers ever took part in one service.

Kingsley spoke on the theme, "A day of thanksgiving," and prepared his remarks with the announcement that a baby girl had arrived at Fred's Parsonage on October 28th.

Rylstone

Alex Hume, teacher, and pupils of the 9th Line School held a Halloween Party at the school on Wednesday night. Several tramps, ghosts and other suspicious looking characters attended in costume. Jimmie Villiers acted as chairman for the following programme:

Opening chorus, "O Canada;" choruses, "Once More the Jolly Season's Here," and "Halloween Again;" recitations by Glenn Stewart and Norma Petherick; play, "Concert Rehearsal;" recitations, by Margaret Robb and Jimmie Gray; choruses, "Happy Rosina," and "Comin' Round The Mountain;" play, "Concert Party," and chorus, "Halloween Fun," and "One Little Halloween."

The party closed with the singing of God Save the King.

Mrs. Cora Reid and her pupils at the Union School held their Halloween Party on Wednesday afternoon. Several barn doors and gates mysteriously jumped off their hinges on Halloween. Mail boxes received a new and startling paint job or just like some small buildings, were found next morning in a reclining position.

Mrs. Alf Hay, of Campbellford, has been visiting her brother, Mr. Chester Meiklejohn and family.

Mr. and Mrs. Murray Heath spent Sunday at Wilton. Cheesemaking at Rylstone Factory has been cut down to every other day.

Mrs. Albert Holland and Stewart, of Havelock, are visiting her parents, Mr. and Mrs. John Stewart, and other relatives.

Mr. and Mrs. Fred Barnum spent last week with their daughter and husband, Dr. and Mrs. Jim Lyons and children, Kingston, and attended the christening of their granddaughter, Margaret.

Duffy's Best For Hastings West

Hello Homemakers! Money does not grow on trees! Yet when folks shop for Christmas cake ingredients they forget to include such items on their budget. Too often we make a gift list, but forget to estimate not only the festive foods, the cards and postage, decorations, gift wrappings, tickets for concerts, the tree and allowance for extras. However you'll want to make the fruit cake and pudding this week, which is probably before you have a family conference re-expenses, so here are economical recipes.

Christmas Cake

- 1 lb. butter
- 1 lb. brown sugar
- 9 eggs
- 3½ cups cake flour
- 2 tps. mace
- 2 tps. cinnamon
- 1 tsp. soda
- 3 lbs. currants
- 2 lbs. seeded cut raisins
- ½ cup chopped citron
- 1 cup sugar

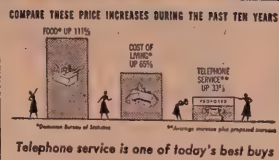

- ½ lb. almonds, shredded
- 1 lb. citron peel, cut
- 2 tps. brandy

Cream butter, add half the sugar gradually, and beat thoroughly. Beat egg whites until stiff, add remaining sugar, and set aside. Beat egg yolks until thick and lemon-coloured and add to first mixture. Add sugar — egg whites. Then add milk, brandy, flour sifted with mace, cinnamon and soda. Stir batter well. Pour batter to a depth of 1-3 in each of the 3 fruit cake tins which have been lined with greased foil (shiny side out). Then steam 3 hours and bake 1½ hours in electric oven of 300 degs. If desired, bake 4 hours for large cake and others 20 and 15 mins. less, in oven of 275 degs. without steaming.)

Steamed Suet Pudding

- 1 cup suet (chopped)
- 2 cups bread crumbs
- 1 cup raisins
- ½ cup milk
- 1 beaten egg

a Little buys a Lot of telephone service

It's one of today's best buys — growing in value all the time.

For one thing — its cost hasn't gone up as much as most other things you buy. Your telephone is one item that takes less of your budget than it used to.

Again — it's bigger value than ever because now you can talk to twice as many people as you could ten years ago — and more families are getting telephones every day.

In addition — we've been able to keep on steadily improving the quality of this traditionally friendly and helpful service.

If you haven't yet got service — we want you to know we're working at it. You can be sure your place on the list is being protected and your telephone will be installed just as quickly as possible.

THE BELL TELEPHONE COMPANY OF CANADA

- ¼ tsp. soda
- 1 tsp. cinnamon
- ½ tsp. cloves
- ½ tsp. allspice
- ½ tsp. salt

Pour the batter into a greased pudding mold. Cover it closely. Steam it for two hours. Serve it hot with whipped cream or wine sauce. Yield: 8 servings.

Mock Mincemeat

- 1 peck green tomatoes
- 2 qts. boiling water
- 1 peck tart apples, pared and chopped (12½ lbs.)
- 5 lbs. brown sugar (13½ cups)
- 1 lb. seeded raisins (½ of these chopped)
- 1 lb. currants
- ½ lb. of suet, finely chopped
- 3 tps. salt
- 2 tps. ground cloves
- 4 tps. cinnamon
- 3 tps. nutmeg
- 2 cups vinegar

Scald tomatoes with boiling water. Drain them well and combine with remaining ingredients. Boil these ingredients for 20 minutes. Pack the mincemeat into sterilized jars and seal them. Yield: 12 quarts.

TAKE A TIP

(1) Spoon the plum pudding mixture into greased molds or empty gold-lined tins. Fill the utensils two-thirds full and cover with aluminum foil or heavy waxed paper tied securely over top.

(2) Place the molds in a steamer over boiling water or on a rack in a kettle. Have enough boiling water so that about one-half of the molds are immersed. This will insure a light, well-cooked pudding. Cover the kettle or steamer with a tight-fitting lid.

(3) The water should be kept constantly boiling. Usually the large element may be turned to Low and yet retain the boiling point.

(4) Puddings may be cooked in a tightly covered roast pan in a preheated electric oven of 350 degs., using boiling water to surround these molds.

(5) In selecting a dark fruit cake, note that a recipe containing molasses and sour milk is usually the heaviest compared with others which contain fruit juice and jelly or a wine. Those made with brandy or wine are quite light and mellow well.

(6) Should the fruit cake become dry before Christmas place it in a closed saucepan over another saucepan of hot water until cake is hot. Heat grape juice or wine until hot (never boiling) and pour it, drop by drop, into the hot cake. Use as much as the cake will absorb.

(7) Store jars of mincemeat in a cool, dry place.

(8) When baking mincemeat pies place two pies in a preheated oven of 450 degs. for 15 minutes and then reduce temperature to 350 degs. for another 20 minutes.

THE QUESTION BOX

Mrs. A. C. requests: A recipe for homemade almond icing.

Answer:

- Almond Icing
- 1 lb. shelled almonds
- 4 egg yolks
- 2 cups icing sugar
- 1 tsp. rose water
- ½ tsp. almond extract

Blanch almonds and put through food chopper, using fine blade. Work the mixture to a smooth paste, adding the remaining ingredients. Dredge board with icing sugar and pat the mixture to the shape of the cake.

Moisten top of cake with cold water, press icing on it and let it stand in a warm place for 24 hours before covering with other icings.

Mrs. W. B. asks: Is it necessary to steam fruit cakes before baking?

Answer: It is not necessary if the temperature of 275 degs. can be kept constant and if a small tin of hot water is placed on the oven shelf while cakes are baking.

Mrs. J. C. asks: How many cups in a lb. of cake flour and a lb. of cut-up peel.

Answer: There are 3 1-5 cups cake flour in 1 lb., and 1½ cups of cut peel or candied cherries in ½ lb. of these fruits.

Junior Farmers Public Speaking Competition

The annual Public Speaking Competition open to members of the Junior Farmers was held on Monday evening, October 29th, at the Orange Hall, Cannifton.

The Thurlow Junior Farmers acted as host to this competition and competitors and members from throughout the Hastings County Clubs were invited to attend. Mr. Bill Leeming, Belleville, R.R. 2, of the Thurlow Club won the Competition and spoke on "Soil Conservation." Mr. Burton Hubble, Belleville, R.R. 5, of the Sidney Club placed second in the competition, and addressed the group on the subject of "Economics in Farming." Third in the Competition was Mr. Geo. Blatherwick, Shannonville, R.R. 2, of the Tyendinaga Club, speaking on "The Greatness of the Province of Ontario."

Judges of this competition were Mr. Earl Nelson, Campbellford, who is President of the Northumberland County Junior Farmers and Mrs. Thompson, a public school teacher in Campbellford.

St. Paul's — Carmel

(Continued from Page Three)

not only emphasized the value of the open Bible but called upon all loyal citizens to unfurl the Union Jack. It was good to hear his commendation for the flag on our Municipal Community Hall. Mr. Corrigan does well to remind us that unless we use the flag we will lose it. The neglect to fly it every school day from our schools is an indication of the sabotage of this great emblem of the British peoples.

It is a matter of concern if not alarm that the Toronto Daily Star is in the forefront of a campaign to replace the Union Jack with a nationalistic flag. Loyal citizens who have served under and seen their comrades buried beneath the Union Jack as well as all lovers of the unity of the Commonwealth will do well to wake up. It looks as though Canadian Nationalists are waiting for the death of more champions of the Union Jack, such as the late esteemed John R. McNicol, before reviving the matter again in Parliament.

The writer made it a point to address the Toronto Star in defence of the Union Jack. The letter was not published. The Star pleaded the large volume of its mail as the reason for its failure. This will scarcely convince a large number of its readers in view of its editorially expressed attitude on the flag issue.

All loyal citizens should support the Loyal Orange Association in its efforts supported by Veterans, the Daughters of the Empire, United Empire Loyalists and all patriotic organizations to "never let the old flag fall."

Gifts To Church

We have received a fresh supply of Hymn Books with and without music. These will make lovely memorial, birthday or Christmas gifts. The music copies of the Hymnary cost \$2.50 and the words copy \$2.00 each. Requests for these books may be made to Mr. R. A. Patterson or the Minister.

Sympathy

The sympathy of St. Paul's congregation is extended to the husband, children and loved ones of the late Marjorie Lavina Heath. The funeral service was conducted by the Minister in St. Paul's Church last Monday.

Special Junior Choir practices in preparation for the Advent Season and the operetta will be held each Monday from 7 to 8 until further notice and the Senior Choir from 8 to 9. The regular practices will continue as usual on Thursdays.

Practice Visitors

All persons interested are invited to attend any of the Senior or Junior Choir rehearsals at St. Paul's and to participate in them if they so desire.

It is thrilling to sit in a pew at a Thursday evening rehearsal and hear St. Paul's choir in its rehearsals. Entrance by the door.

Rev. J. A. Koffend Special Speaker At 50th Anniversary

St. Andrew's Presbyterian W.M.S. West Huntingdon, celebrated their 50th anniversary last Tuesday evening, October 30th. Former members and friends from Madoc, Belleville, Campbellford, Stirling, Tweed and neighbouring churches were present. A large basket of bronze and white 'mums' was placed at the altar by St. Andrew's W.M.S. in memory of departed members.

Rev. W. H. V. Walker conducted the devotional exercises and presided over the entire program. Rev. M. W. Heslip, of St. Peter's, Madoc, read the Scripture Lesson and led in prayer.

Mrs. Morley Haggerty welcomed the visitors and Mrs. M. W. Heslip, Vice President of Kingston Presbyterian, in reply brought greetings from the Presbyterian and St. Peter's. She also thanked the society for the invitation to share in the joy of this auspicious anniversary.

Miss Margaret Haggerty sang "Bless This House."

Gives History of Society

The history of the society was given by Mrs. John Wallace, who told of its organization in 1901 by Rev. S. S. Burns.

Charter members were Mrs. Harvey Wallace, Mrs. George Post, Mrs. John Fleming, Mrs. Jas. Donnan, Mrs. Allan Wright, Mrs. Robt. Roy, Mrs. Hulsie Rollins, and Mrs. Samuel Shaw.

Officers were, President, Mrs. Harvey Wallace; Vice President, Mrs. George Post; Secretary-Treasurer, Mrs. John Fleming; Organist, Miss Annie Farney.

Mrs. Harvey Wallace, of Oshawa, is the only charter member living.

Special Speaker

In introducing the guest speaker, Rev. J. A. Koffend, St. Lambert, Que., Mrs. Chester Sills mentioned the never-to-be forgotten sermons Mr. Koffend had delivered during his ministry here, and the large contribution both he and Mrs. Koffend had made to the society. Prior to coming to St. Andrew's they had served as missionaries in China.

Mr. Koffend in reply expressed thanks for the invitation to be present at this anniversary, another milestone in the life of the society. He also brought greetings from his family and regrets from his father and mother, Rev. and Mrs. J. R. Koffend, of Toronto, who were unable to be present.

Mr. Koffend delivered an outstanding address based on Deut. 8, and part of verse 2 "And thou shalt remember." If the children of Israel so long ago needed to be exhorted to remember, how much more should we be warned of the danger of self-complacency, of forgetting that we are dependent upon God for all things. God has entrusted to us the spreading of the glad news of salvation. The church needs to awaken to her great responsibility and also to the perils of the day.

Mr. Koffend added in speaking of the royal visit, "If we would only expend the same amount of enthusiasm and zeal in the preparation for the coming of the King of Kings, what great good could be accomplished."

Reminiscing
"Anniversaries are an occasion for remembering and for looking backward. We think of the many changes in the last 50 years. The high powered jet planes, television and other marvelous inventions. Only God remains unchanged and unchanging through all the years — the same yesterday, today and forever. As we celebrate the 50th anniversary of this society, may we pause, and remember the pioneers who blazed the trail and who have thrown the torch to us, to carry on the missionary cause so well begun."

Mrs. Wm. Shaw, on behalf of the society expressed thanks to Mr. Koffend for coming so far to share in the joy of this celebration and for his inspiring message.

Mr. Koffend then sang the Negro spiritual, "Were You There?"

An appropriate reading was given by Mrs. John McInroy, followed by a trio, "Dear Land of Home," rendered by Mrs. Milton Shaw, Miss Margaret Haggerty and Mrs. Arthur Hassall.

The candles on a three-tiered birthday cake were lighted by Mrs. William Benson and Mrs. Alex Fleming, and blown out by Mrs. Harvey Thompson and Mrs. John Hassall. The knife was placed in the cake by Mrs. Henry Wallace.

The offering was presented by Mrs. Milton Shaw and Mrs. Arthur Hassall and dedicated by Mrs. Morley Haggerty. The meeting closed with the singing of "Blest Be The Tie That Binds" and prayer.

Letters of congratulations and contributions were received from Mrs. Roy Boake, Syracuse, N.Y.; Miss Bernice Haggerty, Toronto; Mrs. William Wallace, Barrie; Mrs. John Craig, Belleville; Rev. and Mrs. A. N. Reid, Colborne.

Allan's Mills

(Held over from last week)

Friends were shocked to learn of the death of William Edward Huff who passed away suddenly following a heart attack at Highland Grove, on Thursday evening. He was in his 70th

year.

The late Mr. Huff was a resident of Bonarlaw all his life, as a farmer, and was a son of the late Mr. and Mrs. Wm. Huff. He was a member of the Springbrook United Church.

Surviving besides his wife, the former Dehila Covert, are two daughters, Mrs. Clinton (Edna) Robbins, of Bonarlaw, and Mrs. Warren (Phyllis) Bowen, of Wilberforce, and one son, Kenneth, at home. There is one sister, Mrs. Wm. Covert, of Westwood, and one half brother, Thomas Caldwell, of Bonarlaw. There is also one grandchild.

The funeral was held on Sunday afternoon in Springbrook United Church by Rev. H. Beare. During the service the choir rendered a beautiful anthem.

The pallbearers were nephews of the deceased and the flower bearers were all close neighbours.

The bereaved family have the sympathy of their many friends. Interment was made in 12th Line Cemetery.

Mr. and Mrs. C. Tucker visited Mr. and Mrs. H. Stiles on Sunday.

Mr. and Mrs. W. Bowen, of Highland Grove, are spending a few days with Mrs. E. Huff.

Among those who attended the funeral of the late E. Huff were Mr. and Mrs. Wm. Covert Westwood; Mr. and Mrs. J. Bailey, Mrs. J. Knott, Mrs. G. Hewitt, Mrs. Thos. McKeown and Mr.

Isaac McInroy, of Peterboro.

Mr. and Mrs. E. Spry visited Mr. and Mrs. Bill Burkitt on Sunday.

Frankford Scout To Receive Award

Scout Earl Rogers, of the 1st Frankford Boy Scout Troop, has received a personal letter from the Governor-General of Canada, requesting his presence in Ottawa next month to receive the Silver Cross Award which he won for bravery in assisting in the rescue of a Frankford girl from the Trent River a year ago last summer.

River Valley W.I. Sponsors Fine Hallowe'en Party

River Valley Women's Institute sponsored a Hallowe'en party at the school on Tuesday evening, October 30th, house for all the folks in the River Valley district; about 125 men, women and children were in attendance.

Mr. Richard Chard was master of ceremonies which opened with "O Canada." The Hallowe'en parade followed at 9 p.m., with Mrs. Ralph Utman playing the marches.

For the very small children, Miss Nancy Finkle won the prize.

The school children were divided in two groups with Miss Dianna Richardson winning fancy dress and Miss Vicky Armstrong the comic.

Humorous Program

The program was mostly humorous with readings by Mrs. Ernest Carr, Mrs. Reg. Coombes and Mrs. Will Ashby.

Mrs. Harry Morrow delighted with two piano selections.

Mrs. George Heasman led in the sing-song in which all participated.

Misses Joanne and Grace Heasman sang a duet.

The pupils of River Valley school sang a "Hallowe'en" chorus and their rhythm band gave a number.

Mrs. Ross Dush and her committee prepared a special bag of treats, an apple and peanuts, for each child who attended the function.

The committee served bountiful refreshments, sandwiches, pie and coffee.

A silver collection was taken to defray expenses.

Following refreshments, Messrs. Ernest Rosebush, Glen Morrow and Kenneth Belcour, delighted with a musical half-hour.

80th Anniversary At Mt. Pleasant Church

On Sunday, November 4th, Mount Pleasant United Church was filled with worshippers for the eightieth anniversary. Despite a heavy snow storm Saturday evening and a blizzard Sunday morning it took several benches to accommodate the overflow at the morning service.

There was a large number of former residents and friends from all the nearby communities and old residents were present from Foxboro, Frankford, Ivanhoe, Holloway and other points. Ferns and chrysanthemums added a bit of beauty and during the service the storm ceased and bright sunshine added another glow.

Rev. F. G. Joblin, of Port Perry, beamed with happiness as he rose to bring his message of greeting. He spoke of the wonderful occasion and the joy of seeing so many people who

formerly worshipped at Mount Pleasant as well as members of sister churches in the area. Then too, he was delighted to see so many people who were still at Mount Pleasant and had been there continuously for the past twenty-eight years. Rev. Joblin came to Rawdon Charge in July, 1923, and spoke from the wealth of his experience and the spiritual richness of his years of ministry. He gave a vivid picture of church life at Mount Pleasant preceding the depression years and said in the year of Union, 1925, Rawdon Circuit contributed the huge sum of twenty five hundred dollars for Missions and other charitable funds of the church.

Rev. Joblin spoke of his great pleasure in seeing Mr. John L. Bailey in the audience as he is the only person living who attended the Dedication Service in June, 1871.

Historical Documents

Rev. Joblin presented a prized document of historic value to the pastor for

the archives of Mount Pleasant Church. This was the original copy of the deed to the land where the church is situated and is signed by the late Nehemiah Hubble and his wife, Cinderella.

Rev. Joblin said, "No one can adequately measure what these pioneer stalwarts did for us eighty years ago.

These devoted people built the church in order to carry on the cause of Methodism and just below the hill the Baptist folk were busy completing their edifice." Prior to the building of the two churches the services were held in homes and school houses as well as open air meetings in summer. These early pioneers really sacrificed to give us today such a heritage and it is up to the younger folk to maintain their high standards and carry on the work these pioneers have passed on to future generations. There is no other way if we as a people wish to steer clear of Communistic ideas.

Rev. Joblin based his message on "The Three Good Cheers of Our Lord," and this was the first sermon he preached on Rawdon Charge in 1923. "Be of good cheer, thy sins are forgiven thee; it is I, be not afraid, and I have overcome the world."

The pastor of the Church Rev. R. R. Bonsteel, was in charge of the service and the hymns chosen all might have been used at the Dedication Service. Two of them written by that famous Methodist Charles Wesley, and the other by Isaac Watts. Perhaps the tunes on Sunday were different, but they were ones sung so often by our forefathers.

Rev. Bonsteel spoke briefly on the theme "Ye Have Not Chosen Me, But I Have Chosen You," as Jesus was referring to the disciples. He also welcomed all those who had braved the storm to be in attendance at this service, which closed with the rendition of "Love Divine."

The evening service opened with "O Love That Will Not Let Me Go," and Rev. F. G. Joblin offered a gracious prayer which brought back memories of days long ago.

Greetings from

Rev. and Mrs. W. H. Clarke

The Pastor read a letter of greeting from Rev. and Mrs. W. H. Clarke, Deseronto, as they laboured on Rawdon Circuit early in 1900. Rev. Clarke referred to the fact that he organized Mount Pleasant Epworth League on October 13th, 1907, as a week-night meeting for all the congregation, and meetings were held every Friday night at the church, with folks of all ages in attendance. The message closed with the thought, "Best of all — God is with us."

Rev. R. R. Bonsteel based his message on the text, "Let no man trouble me for I do belong to Jesus Christ my Lord through the marks I bear in my body." He cited many cases to prove that the marks of Christians show themselves. He also spoke of the great need of humanity both in Canada and in other lands and said the Lord meant that whoever is in need of love and assistance should be given help. In closing he stressed the need of a personal rededication of each one in order to carry on the great work of the church throughout the coming winter months. The service closed with the benediction of "When I Survey the Wondrous Cross."

The offering for the day was over three hundred dollars.

The full choir rendered "Blessed Hillops of Prayer," in the morning and "Take Jesus With You Wherever You Go" at the evening service. The guest soloist, Mr. R. Smith, with Mr. S. Hawthorne, as accompanist, both of Madoc, contributed "The Lord's Prayer" and "This Is My Task," at the services.

The benediction was pronounced by Rev. Joblin and the 80th anniversary guests were delighted to shake his hand once more before returning homewards.

Entered Into Rest

MRS. MARJORIE LEVINA HEATH

After an illness of three years, Mrs. Mayne Heath, Barrie, Ontario, died in the Toronto General Hospital on Friday, November 2nd. She was born in Madoc 39 years ago, being the former Marjorie Levina Roberts, daughter of the late Mr. and Mrs. A. Roberts, and resided in Stirling and Belleville before taking up residence in Barrie five months ago.

She was a member of Laurel Rebekah Lodge, No. 211, Stirling, and is survived by three sons, Beverly, Douglas and Ronald, three brothers and five sisters.

Members of Laurel Rebekah Lodge, No. 211, held their service at the Duffin Funeral Home on Sunday evening. The funeral took place from the Duffin Funeral Home, Stirling, at 1:45 p.m. on Monday, to St. Paul's United Church for service at 2 p.m., conducted by Rev. A. E. Baker.

The bearers were all former neighbours when the family resided on the Ridge Road Messrs. Oliver Stapley, Vernie Heath, Bruce Demorest, Volney Richardson, Vernon Matthews and Frank Wood.

Interment at Mt. Nebo Cemetery.

Cubs Entertain

Parents

The Cubs held a very successful parent's night Monday, November 5th. Practically every Cub's parents turned out and the boys put on a very fine programme.

Rev. Bonsteel gave the boys a very interesting talk on the Cub Law. A Cub gives into the Old Wolf and does not give into himself. The boys put on some skits and songs, including piano numbers by Denton Shortt and Ronald Woodbeck.

Mr. Joe Fellion presented the boys with badges won at camp this summer and Scoutmaster Frank Harding told the boys a very interesting story on Guy Fawkes.

The evening closed with the regular camp fire closing, with Rev. H. C. Secker giving the closing prayer.

West Huntingdon W.M.S. and W.A.

The W.M.S. and W.A. of the West Huntingdon United Church held their meeting on Thursday, November 1st, at the home of Mrs. A. Wright.

The meeting was in charge of the President, Mrs. W. Grant, who gave the Call to Worship and read a poem called, "Children of One Father." The Scripture Reading, Matthew 5:1-16 was read by Mrs. D. Cooke, followed by prayer by Mrs. Hammond and the Lord's Prayer in unison. Minutes of the last meeting were read by Mrs. MacFarlane.

Roll Call was responded to by a verse of Scripture. Remarks on Temperance were heard from Miss Sara Wilson, followed by a reading by Mrs. Elmer Post. An address was given by Mrs. Morley Clarke.

A vote of thanks to the hostess and to Mrs. Clarke was given by Mrs. Elmer Post. The benediction was given by Rev. M. Clarke, followed by the business period and a social half hour.

The film magnate wanted one of his stars to accept a reduction in salary, so he said to his partner: "You tackle him, Paul. You're better educated than what I am. You can give him a better line of talk than me."

Paul went off on his disagreeable job. When he returned the magnate asked, anxiously, "Well, what about it?"

"He acquiesced," said Paul.

"Did he? The dirty dog!"

Magistrate Lloyd Dies Suddenly At Northbrook

Stricken with a heart attack Magistrate John L. Lloyd, of Northbrook, died in his sleep Sunday night. He was found dead in his bed by his family Monday morning.

Well known throughout the central and eastern Ontario district where he had acted for many years in his official capacity as police court magistrate, Magistrate Lloyd was born at Coe Hill in Northern Hastings, son of the late Mr. and Mrs. Henry Lloyd. He was 65 years old.

His early life was spent in Northern Ontario where he was engaged in mining. Then in 1913, at the request of a friend, Mr. Edward Morely, he moved to Northbrook and has since resided there. Prior to his being appointed magistrate in 1921 he sold life insurance and operated a motor livery at Northbrook.

Following his appointment as magistrate he held courts in Renfrew County and at Kingston in 1935 was given the northern parts of Hastings, Lennox and Addington and Frontenac Counties as his itinerary. He held court on the occasion demanded at Sharbot Lake, Flinton, Tweed, Madoc, Marmora and Bancroft.

Springbrook W.A.

The regular meeting of Springbrook W.A. was held at the home of Mrs. Charles Gordanier on November 1st at 2 p.m.

The Worship Service was in charge of the President, and the theme was "The Talents." Hymn, "Bring Them In," was sung, followed by Theme Song and W.A. Prayer. Psalm III was read responsively, led by Mr. Beare. Mrs. Ralph Wellman gave the Lesson Thoughts on "Talents," which was fol-

lowed by prayer and the Lord's Prayer. The hymn, "More About Jesus," closed the worship period.

Minutes of the October meeting were read and adopted. The roll call, "a talent I would like to have," was responded to by 32 members and 3 visitors. Cards sent were 82 and 23 calls made. Expressions of thanks were expressed by Mrs. E. Bateman, Mrs. F. McKeown, Mrs. G. Webb and Mrs. John Forsyth.

An invitation to attend a bazaar for Bethel W.A. was accepted.

The programme consisted of the topic, "Everyday Talents," by Mrs. T. H. McKeown, followed by readings by Mrs. Galloway, Mrs. T. McKeown, Mrs. T. Webb and Mrs. Elias Spiry.

A presentation was made to Mrs. M. Neal and Mrs. Roy Brown, as a remembrance from the Association. The meeting closed with a hymn and prayer by Mr. Beare.

Roseneath Dr. Wins Cash For Penmanship

A 70-year-old doctor, George H. Field, of Roseneath, won \$1,020 Friday in a Dominion-wide penmanship contest.

Dr. Field was born in Cobourg and practised there many years before moving to Roseneath where he has been tending the sick for the past 15 years.

The doctor gives lie to the common belief that the writing of doctors can never be deciphered.

Minister's Pay

Who is paying the minister and helping to keep up the church? The Cranbrook Courier asks this question and then follows it with a colloquy provocative of thought.

I am sure I don't know. I haven't contributed a dollar to the church this year. It is all I can do to feed and clothe my family and keep up my insurance and pay my club and lodge dues and do my part in little social entertainments, and buy gas to run my car.

I have to pay for haircuts, shaves, shins, permanent waves, shampoos and face-lifting. These fellows won't work unless they get the money.

I have to pay my doctor and my dentist or they will balk on me. I am glad I don't have to pay the minister. He goes right on preaching twice on Sundays and looking after our souls during the week. If you die, he will bury you and brag about you at the funeral without any fee. But the undertaker has to be paid promptly. I have to keep a little money on hand for an emergency like that.

I love my minister and I love my church and if I had anything left over after providing for the above necessary things, I would give a little

to help support the minister and the church.

I know the minister is willing to baptize my children, marry them, and visit in the home in the hour of sickness and distress, but I shall have to let the fellow with more money pay him."

Some folks think that if you don't help to keep up the church you can't prosper. But that is not what is the matter with me, that I am broke. I went to church on Sunday and dropped a dime on the plate, but it didn't help, for I didn't make any more money than usual that week.

I would not mind giving a lot to the church if I knew I would get it back (as some say I will), but I am not willing to risk more than a dime on that kind of gamble. —Cowichan (B.C.) Leader.

Memorial Service At St. Paul's and Carmel Churches

The annual Memorial service at St. Paul's last Sunday morning marks a new order in the Church Year. Next of kin and their relatives occupied the front left section of the church. The names of the dead were read by Clerk of Session George Carlisle from the Parish Register. The choir sang, "Who Are These In White Array?" with Mrs. Harry Brown and Harold Hagerman taking the solo parts. Mrs. Geo. Heasman and Mrs. C. Macklin sang the lovely duet, "Morning Land," while organ voluntaries included "Requiescat in Pace," and Schubert's "Litany." The Junior Choir sang Sir Walford Davies, "God Be In My Head."

An outstanding event in this service was the unveiling of the solid oak Endowment Directory by Mrs. Jennie (Jane) Hanna, the gift of herself and husband J. E. (Bert) Hanna, to the church. The minister made the presentation on behalf of Mr. Hanna, and Mr. George Carlisle graciously acknowledged the gift on behalf of the church.

Church music hymnaries were dedicated in loving memory of William Edward Fitchett, the gift of his widow and of Eva Edith Potter, the gift of her husband and three sons (two

copies).

Carmel

The afternoon service at Carmel was related to the Parish and War dead. The pulpit was draped with a Union Jack. Members of bereaved families both by the toll of war and the visitation of the grim reaper in the Parish were present to honour the memory of their loved ones. The leave the husbands alone."

names were read by the minister and periods of reverent silence were observed. Mrs. Ross Hart sang helpfully, "Beautiful Isle of Somewhere." White 'mums graced the pulpit.

Joan: "What kind of husband do you advise me to get?"

Jane: "You get a single man and the leave the husbands alone."

Those of our citizens who long for the good old days were partially rewarded in last week's storm, when they had to dig up the candles and oil burning lamps. They were also compelled to milk the cows the old-fashioned way; but according to recent reports there will be no longing for the methods used in former days.

The Young People's Union sponsored a most inspiring meeting at the United Church on Friday evening, when members of the Thomasburg and Moira and Eggleton groups were guests. Mr. Boyd Moorcroft and Mr.

The November meeting of St. Mark's W.A., Bonarlaw, was held on Thursday the 8th at the home of Mrs. Stanley McInroy, with a good attendance.

Canon J. M. Brownlie opened the meeting with a hymn, followed by the Litany taken from the living message and the W.A. prayers. Mrs. Wellman read the Scripture Lesson. The Roll Call, a donation for the bazaar, was well responded to. Minutes of the last meeting were read and adopted. An interesting letter was read from the General Board by Mrs. Heath. Plans were made for the supper and bazaar to be held early in December. Canon Brownlie closed the meeting with prayer. A saintly lunch was served by prayer. A dainty lunch was served by

Mount Pleasant

In 1932 Earl Tauten Slager visited the battle fields of Belgium. Cemeteries without numbers, white stone crosses and black wooden crosses and in a poem written by his friend we quote these lines:

"Ye painted these Crosses, some white and some black.

As ye make men to differ, O Christ on the rack;

And will stone cross endure? and can wooden cross rot?

And what meaning the cross, when the deed is forgot."

Some from Mount Pleasant attended the combined service at Stirling Cenotaph on Sunday morning. Mrs. Frank Smith laid the wreath for the Rawdon heroes.

Several folk attended the Remembrance service Sunday evening at St. Paul's United Church when the edifice was packed to capacity. Mr. and Mrs.

Notice

To Whom It May Concern:

Having received the Stirling News-Argus I see the death of Mrs. Mildred Mae McIntosh, occurred on October 15th, 1951. Surviving a sister, Verna, "Mrs. W. Rickman," in Vancouver.

This is definitely incorrect. I have never lived in Vancouver and have no connection whatsoever with Rickman. My marriage was dissolved several years ago with William Rickman. Would the party who inserted the death notice kindly take notice of the signed signature.

STAY OUT OF HOSPITAL

ACCIDENT IS JUST A WORD
UNTIL YOU HAVE ONE

Last year, 20,000 persons were injured in street and highway accidents in Ontario. 400 suffered fractured skulls or spines; 3,000 had their arms or legs broken; thousands of others received other types of serious and painful injuries.

Do your part to prevent this needless suffering and crippling of our citizens.

Allan School Holds Hallowe'en Party

The pupils of the Allan School S.S. No. 3, Mount Pleasant, under the direction of their teacher, Mrs. Gordon Richardson, staged a Hallowe'en party at the school and invited every family in the section to attend. No charge was made for those who came in costume.

The programme opened with a masquerade with Messrs. Raymond McConnell, Gordon Linn and Robert Hoard, as judges.

In the original class the winners were Reiki Bulten, as a bandit, and Eleanor Smith as an Indian squaw.

Best dressed class — Judy Cooney, princess and Raeburn Scott, bride. Comical class — Jimmy and Pauline Johnson, dressed as devil and Chinaman; most comical, Malcolm Reid, impersonating a tramp.

The junior grades sang a Hallowe'en song and the senior grades a dialogue entitled "The Hallowe'en Parade."

Witch games were staged for the children under school age and for the senior grades.

Miss Lola McConnell conducted a guessing game, after which there was a chorus, "The Witches Ride," and Reiki Bulten contributed a reading, Malcolm Reid took charge of telling fortunes and Gail Scott gave a recitation.

Witch Writing
A demonstration of witch writing was given by Reiki Bulten and Lola McConnell and Eleanor Smith did some mind reading, followed with a reading by Ina Scott.

An introduction to the prince and princess was ably carried out by Marilyn McConnell, Judy Cooney, Roger Smith, David Potts and Walter Wrightman.

A drill and song made a pretty addition to the program and Ina Scott conducted "The Henry Club."

A game, "Uncle Joshua Died," and another chorus rounded out a program of interest, after which all enjoyed various games before refreshments were served.

About 60 adults and children were in attendance and a vote of thanks was tendered teacher and pupils for the jolly evening.

New Industry For Perth

NEW INDUSTRY FOR PERTH

Burroughs Machines, Limited, of Windsor, Ontario, a subsidiary of Burroughs Adding Machine Company of Detroit, Michigan, has announced the purchase of a 50-acre tract at Perth, Ontario, as part of the Company's long range plans for future expansion of its manufacturing operations in Canada. The Company now has a factory in Windsor, and another Burroughs subsidiary, Acme Carbon and Ribbon Company, operates a plant in Toronto.

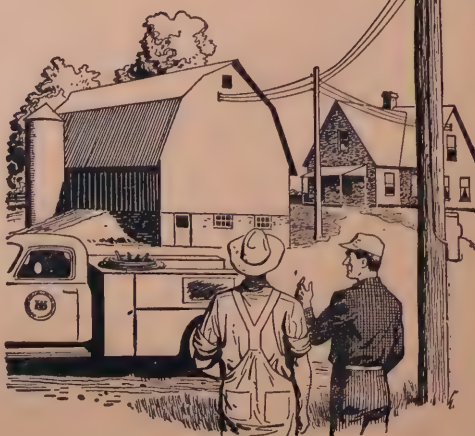

Detailed plans for the use of the property have not as yet been finalized in view of the present emergency situation. The City of Perth, 60 miles southwest of Ottawa, was selected after an extensive survey of other possible sites in the Province of Ontario. Perth is a desirable location because of the convenience of transportation facilities not only to the Company's Canadian sales branches, but also to the United States and Atlantic coast ports. Moreover, it was found to be an attractive, stable community with an adequate labor supply.

Col. the Hon. William Griesinger, Ontario Minister of Planning and Development, welcomed the Burroughs announcement, which he interpreted as forecasting expansion of production facilities. He said this was the only instance in recent years in which a company had deliberately inspected more than 50 Ontario municipalities before making a location decision.

Staff members of his department's Trade and Industry Branch had supervised this extensive survey. It was noteworthy that the Company was especially interested in Ontario towns under 5,000 in population, Col. Griesinger said.

HYDRO RURAL FAMILY MORE THAN DOUBLED SINCE THE WAR

HYDRO now serves 313,285 rural customers—more than double the 156,000 served at the end of the war—bringing electricity and a better way of living to an additional 157,285 Ontario farm, hamlet and village customers.

At the end of the war there were 21,569 miles of rural lines bringing electricity to the rural areas of Ontario. By September, 1951 the miles of line had increased to 37,239. During this period the horsepower demand in the rural areas showed a remarkable increase. The demand at war's end was 132,551 horsepower. By 1950 it had more than doubled to a total of 314,681 horsepower.

On the farm, Hydro power is a low-cost hired man helping to produce more at a reduced cost. In the home it makes possible the use of modern electrical appliances which lighten work, save time and make life easier for all. Yes, the coming of Hydro to the farm provides a better way of life for thousands of people in the rural areas of the Province.

Let Us All Remember Hydro Is Ours..
We Should Use It Wisely

Women's Institutes Sponsors Lecture

On Friday afternoon, November 9th about forty ladies gathered at Stirling Community Hall and enjoyed a very educational lecture by Miss Eileen McBride. The affair was sponsored by Stirling, River Valley, Chatterton and Pinegrove Institutes, and is a free service given by the Women's Institutes Branch of Ontario.

It was regretted that more of the young mothers who are in charge of small children and those of school age did not avail themselves of this free education which is so badly needed in this topsy-turvy world. There was also a great deal of helpful ideas for older people and the lecture was free to all Institute members and their friends. The roll call showed fifteen members of River Valley, seven Pinegrove, six Stirling, four Chatterton, and about eight visitors.

Miss Eileen McBride is a gifted lecturer and gave a two-hour talk on various phases of the theme, "We Call It Human Nature."

She explained how by careful study and application individuals can learn to change their food habits and it is the same with their various characteristics. In today's world nearly all magazines are publishing articles on physical needs and nutritional needs but it is the emotional needs that are crying for assistance. In the space of ten years we find that children have much better growth and have grown taller simply because they have been given much better food as their mothers have learned what the various manufacturers have prepared along the lines of scientific feeding.

But, the mental health of Ontario is below par. Mothers and fathers do not understand their child's needs and in many cases they are not properly adjusted themselves. Here is a big field for study and we must accept the fact that we have a lot of emotional people who all need special help.

Miss McBride graphically pictured various phases of neurotic individuals and gave illustrations of how these people get upset, and work themselves into a dither. She urged parents to teach their children in their early years the value of kindly relationships with other children and that by helping others in need you always help yourself. People who are over fifty must all continue to grow up — if you don't feed your mind, you will slide backwards. She urged a visit to Forest School, High Park, Toronto, between April and October.

The family is the most important factor, your baby needs to feel secure, to be loved and put on a schedule suitable to his own physical needs — not all babies on one schedule.

Then the teacher has her part to play and the child's first teacher (if she be a poor type) can ruin a child's career. It is essential that the teacher have a good fund of common sense. Then the young people need considerable vocational guidance as well as parental direction. Older people need security, kindness, a feeling of being wanted, a chance to help with household chores and to give advice. Whether an individual is eight months of age or eighty years old it needs emotional security, and everyone needs some kind of religious faith to carry them over the rough spots of life. Miss McBride gave some splendid concrete ideas for adaptability in the art of everyday living. Very often mother is over-tired, upset herself or very busy and the child knows something is the matter, he doesn't understand what and so that is when he cuts up. The child is punished for something that is no fault of his whatever. It is the same when Dad comes from his office, he expects the children to be quiet so he can relax.

Miss McBride explained how a child should share responsibility, how older people could be cared for in the home, what can be done to make new Canadians good citizens, the value of sharing of confidences and she gave several good illustrations to prove her points. These illustrations she had gleaned from various discussion groups in Canada, England and the United States.

One lady said in a meeting in the United States that she had never gotten over the shock of being told at school that her father had sold his farm and that the family were moving to a new community. Her parents had neglected to take her into their confidence and she heard this news at school.

A child must be taught that difficult situations arise which must be faced as they are just a part of everyday living. No one should demand too much of a child, parents should not expect too much, very often they forget a child is only three — and expect him to act like six or eight, that is because the parents are immature themselves and if parents are not well-balanced, no one can expect their children to be.

Miss McBride gave helpful advice

for folk who are discouraged, for those who have mother-in-laws in their home, in overcoming inferiority complex, how to build up self-worth in individuals, the damage to our systems of fear, anger and anxiety, how to analyse our prejudices, how to help your child overcome the fear of a dog. She explained why children and older folk throw a tantrum in order to get their own way and a host of other items which are fundamental in the day to day living. Miss McBride stressed the necessity of taking time for proper rest and the need to avoid being upset over petty details. Take your rest and keep in good physical condition even though you must leave the dust on the furniture. Then too, don't think you have to go everywhere and do everything that others do, don't feel you have to hold office in all the clubs, rather choose wisely and keep in good health. She stressed humour and how helpful it is to see the funny side; also the great advantage of talking over your worries, the value of work which should be drudgery. She said try to be a sympathetic listener if you are giving assistance to others.

If you are in charge of meetings of church and community organizations, put several members on committees and give them work to do. Have as many members as possible participating in the programme. Don't use your meeting hour to plan teas, etc.,

rather appoint a committee to do that. Pay more attention to your children and help them find pleasure in everyday living. It will pay big dividends when they have their own homes. She closed with special methods used to help the mentally ill and some discussion took place on various phases of the lecture.

Mrs. Louis Rodgers, 2nd Vice President of West Hastings District, welcomed the guests and introduced the speaker.

Mrs. Roy Bush, Past District President, expressed appreciation to Miss McBride for her worth while effort and said it was a timely subject as we spent most of our time living with ourselves and with other people. Mrs. Hiram Rodgers was in charge of the singing.

Mrs. E. B. Finkle, District Secretary, expressed thanks to Stirling Institute, the hostess Branch. The National Anthem closed a profitable afternoon, after which three members from each Branch assisted with serving refreshments which consisted of sandwiches, cookies and tea.

One comment was heard at the close which we think worth repeating. An Institute member said "what a pity I didn't have this privilege years ago. How beneficial it would be to me in rearing a large family."

Those in attendance were loud in their praise of the lecture with its

helpful advice. It was regrettable that many others missed the opportunity to better their everyday living.

Eggleton W.M.S. and W.A.

Eggleton W.M.S. and W.A. meeting was held on November 8th at the home of Mrs. C. Bridges. The President opened the meeting with a poem, followed by the singing of hymn 286. The members repeated the Lord's Prayer. The Scripture Lesson, taken from the 4th Chapter of Ephesians was read by Mrs. C. Fitchett. The commentary was given by Mrs. H. Clarke. Two readings were given by Mrs. Warren Harlow, "Are You An Active Member," and "Wouldn't It." Mrs. M. Reide read "Learning." Hymn 400 was sung.

The Roll Call was answered by 12 members and one visitor. Final arrangements were made for the bazaar on November 30th and invitations to West Huntingdon and Holloway Bazaars accepted. The Installation of Officers for 1952 was conducted, with the new W.A. President, Mrs. C. Bridges and Vice President, Mrs. H. Chambers. Collection was \$3.42. Hymn 519 was sung followed by the Mizpah Benediction. The hostess served lunch.

You name it!

DRYOCOPUS PILEATUS
(Northern Pileated Woodpecker)

The Pileated Woodpecker is a startling bird. So spectacular is his appearance that he is often a target for guns in the hands of thoughtless people.

An extremely valuable bird, the Pileated should be protected. He destroys millions of wood insects and provides nesting sites for tree-dwelling ducks.

Get to know wildlife. You'll find a whole new world of interest — and you'll want to conserve our natural scene.

Rylstone

On Wednesday, November 7th, the Rylstone Women's Institute met at the home of Mrs. Murray Heath, with 22 ladies present.

The meeting opened in the usual way by the singing of the Institute Ode and the Lord's Prayer. Roll Call was answered by "The first owner of your farm." The meeting was on Historical Research and Current Events, and Mrs. Lily Anderson was convenor for the following programme:

Topic, "The home is the first seat of government," by Mrs. Fred Barnum; report of 1st and 2nd days of the Women's Institute Area Convention, held in Belleville in October, was given by Mrs. Wilfred Spencer and Mrs. Clarence Barnum; humorous reading, "The Women's Institute," by Mrs. Lindsay Finch; current events, Mrs. Arthur Brick; reading, "It's easy to be an editor," by Mrs. Carrie

Wright. The programme committee was Mrs. Fred Fry and Mrs. Wilfred Spencer.

Mrs. Alfred Atkins and Mrs. Ernest Irwin made a quilt top, which they donated to the Institute to be quilted at the home of Mrs. Roy Fry on Thursday, December 6th and sold later at an auction.

The meeting closed with the National Anthem and lunch was served under the supervision of the lunch committee Mrs. Gerald Petherick, Mrs. Fletcher Wildman, Mrs. Lily Anderson and Mrs. Will Rutherford.

The annual Sunday School treat was held at the Gospel Hall on Friday evening.

The "Sewing Salutes" girls' club met at the home of Mrs. Arthur Brick on Saturday afternoon.

Mr. and Mrs. Ray Davies and children, of Glen Miller, and Mrs. Essie Conley, of Batawa, were Sunday visitors of Mr. and Mrs. Wilfred Spencer

and family and Mr. and Mrs. Clarence Thompson and boys.

Mr. and Mrs. Ralph Heath entertained several of their friends at a New Health Dinner at their home on Thursday night.

Mrs. Maude Rummals, Mr. and Mrs. George Sutherland and children, and Mr. and Mrs. Bill Thompson and Andrew were Sunday visitors of Mrs. Lizzie Thomson and Mr. and Mrs. Lloyd Anderson.

St. Paul's W.A.

Rev. R. R. Bonsteel, of the Rawdon Circuit, was the guest speaker at the November meeting of St. Paul's W.A. He spoke on the Women's Association from a ministerial point of view, and stressed the magnificent contribution women made to the work of the church by their faithfulness and their dedication of everyday abilities with an evangelistic end in view. The fellowship of working together at church suppers, to provide finances to carry on this spiritual and evangelistic work and the maintenance of the church parsonage, providing a suitable and comfortable home for the Pastor and his family, were works of good repute.

Particularly did he wish to impress that the harmony and fellowship of working together at menial tasks was good for the soul.

Mrs. J. B. Thompson read the Scripture from Acts 4: 13-20, based on the courage attained by trusting in God

and doing right.

Mrs. Donohoe gave a very suitable Remembrance Day reading, "Soldier, What Did You See?" Mrs. Baker favored with a piano solo, "Prelude," by Bach.

Mrs. Donohoe conducted the business part of the meeting which opened with the Theme Song and two minutes' silence "In Remembrance," followed by the Lord's Prayer in unison. The minutes of the last meeting were read and approved and the treasurer, Mrs. Jeffrey, gave a splendid financial report and a substantial thankoffering was voted to the Church Board.

Mrs. H. Wells reported for the Sunshine Workers.

The December meeting will be held at the home of Mrs. R. A. Patterson and a good attendance is requested.

Mrs. R. B. Duffin and her helpers served a very delectable lunch and the meeting closed with the Benediction.

Entered Into Rest

WALTER HENRY YOUNG

Funeral service for Walter Henry Young, Peterborough, was held on Tuesday, November 13th, the Rev. Walter Crone officiating. Burial was in Little Lake Cemetery, Peterborough.

pallbearers were D. Lane, J. Kelly, W. A. Henry, M. Searle, G. Forde and D. White.

Mr. Young died suddenly Saturday evening at his home in his 57th year.

Surviving are two daughters, Miss Olive Jean Young, Peterborough, Mrs. Gordon Woodcock (Marion), Crookston, and stepchildren, Mrs. C. A. Darling (Hilda), Mrs. Ronald Woods (Dorothy), Niagara Falls, Mrs. Gordon Manley (Elitha), of Rockcroft, Cecil Mack, of Harold, Ont., Orville Mack, of Lindsay, and a sister, Mrs. Wm. Bowen, of Stirling.

Mr. and Mrs. John Carlisle Honoured

About 90 friends and relatives gathered in Wellman's Orange Hall on Wednesday evening and tendered Mr. and Mrs. John Carlisle (nee Delia Johnston), a delightful party in honor of their recent marriage.

The programme consisted of community singing led by Mrs. Lorne Watson.

Mrs. Frederick Beckett sang a solo with Miss Marie Vanderberg as accompanist and Mr. Kenneth Matthews gave a couple of selections on his electric guitar with his mother, Mrs. W. Matthews, as accompanist. A duet was given by Mr. Craig Watson and Mrs. Lorne Watson.

Mrs. Clifford Clancy read "Advice To Men," and the Misses Mildred and Muriel Morton contributed a duet.

Address Read

Mrs. Douglas Clancy read an address of appreciation to Delia and John and Mrs. Clarence Dunham presented the newlyweds with a purse of folding money.

Delia and John expressed thanks to the Wellman's folk for their kindness.

Guests were in attendance from Campbellford, Healey Falls, Stirling, Carleton Place and Trenton. Refreshments were served and a social half hour enjoyed.

The Wellman's Wide-A-Wake Sunday School Class held their October meeting at the home of Mr. and Mrs. Frederick Beckett and at that meeting they presented Delia with a rose satin comforter in appreciation of her assistance to the class. She graciously said "thank you" and hopes to be able to attend their various meetings.

Patient: "How much do you charge to pull a tooth?"

Dentist: "Two dollars."

Patient: "Well, here's a dollar, just loosen it a bit."

Hastings County Holstein Breeders And Friends Enjoy Annual Banquet

Rev. Duncan McTavish, of
Belleville, Guest Speaker —
Good Program Presented

Two hundred and ten Holstein breeders, their wives and friends attended the annual banquet, sponsored by the Hastings County Holstein Breeders' Association last night at the Stirling Community Hall.

The Holstein Club President, Max Burnside, was chairman, and expressed his thanks to the directors and breeders who have given good support to the Club.

Mr. G. E. Nelson, Holstein Fieldman, delivered brief addresses after which he introduced Rev. Duncan McTavish, of Bridge St. United Church, Belleville, the guest speaker.

Rev. McTavish Speaker

Rev. McTavish, in a humorous and thought-provoking address emphasized that while the various world powers were spending millions of dollars in rearmament little was being done to help the starving millions of the world. He commended Canada for sending a contribution of wheat to India, the proceeds of which were to go for educational purposes and referred to the cow being holy in this country of teeming millions.

Hunger was one of the chief causes of world troubles and Canadians, who dwell in a land of plenty had a part to play in bettering world conditions, stated the speaker.

Miss Betty McConnell rendered a piano solo, followed by a number by Russell Pye and a vocal solo by Ted Reynolds. A reading by Mrs. Stanley Hayton, of Foxboro, was followed by a musical number by Mr. and Mrs. Eric Summers, of Stirling. The singing of "O Canada" brought a happy evening to a close.

Change of Time

Owing to High School Commencement next week St. Paul's Senior Choir will hold one practice only on Wednesday, November 28th at 7:30 p.m. at the Parsonage. Please note change of time.

River Valley W.M.A. Annual

On Tuesday, November 20th, Mrs. Jennie Donohoe was hostess for the River Valley W.M.A. with a good attendance.

Mrs. Ralph Utman opened the meeting with hymn, "Unto The Hills," followed by the Lord's Prayer. Responsive Reading from Psalm 63. Eleven home calls and 2 boxes were reported. The nominating committee gave their report for 1952, which was as follows:

President — Mrs. Ross Holland
1st Vice President — Mrs. Ernest Carr
2nd Vice President — Mrs. Ralph Utman
Sec. Treas. — Mrs. Gerald Brooks
Press Reporter — Mrs. Geo. Heasman

Literature — Mrs. Roy Irwin
Community Friendship — Mrs. Alex Bush, Mrs. John Kane, Miss Flossie Rosebush.

Baby Band — Mrs. Ernest Carr and Mrs. Roy Bush.

Christian Stewardship — Mrs. Stanley Irwin.
Associate Member — Mrs. Vander-voort

Christian Citizenship — Mrs. W. H. Hanna.

Supply — Mrs. John Kane
The adoption of this report was moved by Mrs. Ernest Carr and seconded by Mrs. Roy Bush. The December meeting will be held at the home of Mrs. Gerald Brooks on the 11th with programme prepared by Mrs. B. Carr.

The programme was in charge of Mrs. Ross Bush. Roll Call was answered by the word "Peace." Hymn, "O God Our Help in Ages Past," was sung, and 2 verses of "Lord of the Land" was read as a prayer, and an explanation was given. Mrs. Holland read the Scripture, Mrs. Alex Bush gave a reading on the Lord's Prayer, and Mrs. Ernest Carr, one on Armistice Day. The Study Book was taken by Mrs. Ross Bush, assisted by Mrs. Geo. Heasman and Mrs. Gerald Brooks. The meeting closed with the hymn, "From Ocean Unto Ocean," and the Mizpah Benediction.

Successful Bazaar By St. John's Guild

St. John's Guild bazaar and afternoon tea was held on Wednesday, November 14th, and was very successful. A cordial welcome was extended to all visiting friends by Mrs. Belshaw, who received at the door.

The hall was decorated in blue and white with large baskets of 'mums and other fall flowers. The gift fancy work, home-cooking, candy, farmers' tables were well patronized. The ladies also had four nicely decorated tea tables. Pouring tea at an attractive dining table were Mrs. H. C. Secker, Mrs. H. H. Alger, Mrs. K. Mumby and Mrs. Chas. Vance.

VILLAGE COUNCIL HOLDS SPECIAL

The Village Council met in special session on Friday evening last, with Reeve H. J. Wells presiding and Councilors R. K. West, Don Rodgers and W. T. Elliott in attendance.

A request tabled from the Centre Hastings High School Area asking Council to pass two separate resolutions relative to having County Council raise money by debenture to finance capital expenditures in the Area touched off a lengthy debate by the members. The first was a resolution asking the County Council to raise \$25,000 for five years, to pay for permanent improvements through the area, and the second asking the County body to raise \$150,000 for 20-year debentures. The necessary resolutions were eventually passed and Clerk Mallory instructed to forward them to the County Clerk.

To Redecorate
Local Theatre
Authority was granted the Property Committee to have the Stirling Theatre redecorated as soon as possible. The purchase of twenty-five new chairs for the Community Hall was also authorized.

Hostess To The Past Grands' Club

A most delightful November meeting of the Past Noble Grand's Club was held at the home of Mrs. Vera Bailey with Miss Evelyn Bailey and Mrs. Marion Heath as co-hostesses.

The President, Mrs. Grace Vandervoort, took the chair. The meeting was opened with the singing of "O Canada," and the Lord's Prayer in unison. Roll Call showed 16 members and 3 visitors present. Business was dealt with and plans were made for the Christmas meeting to be held at the home of Mrs. Florence Dafeo on December 19th with Mrs. Laura Shortt as co-hostess and Mrs. M. Heath and Mrs. Effie Bailey on the programme committee. A new member, Mrs. Hazel Mumby was accepted and welcomed to the Club.

Mrs. Ethel Duffin conducted an interesting contest and Mrs. Mary Vandervoort gave several humorous readings. After closing the hostesses served a delicious luncheon. A vote of thanks was moved by Mrs. Mary Vandervoort to these ladies for the lovely afternoon.

Enjoy Bus Trip

On November 16th, at 8 a.m. Rawdon Junior Farmers left Stirling on Hattburn's Bus and headed towards Toronto. After brief stops in Port Hope and Oshawa the party arrived in Toronto about 12 noon. They ate a brief lunch and proceeded to Canada Packers, where they were taken on a tour through the plant. From there they proceeded to the Westminster Hotel and checked in. At 7 o'clock they arrived at the Exhibition Grounds and went to the horse show.

The next morning the majority of the members arose early and went to see the Santa Claus Parade. In the afternoon all were free to do as they wished. Some went to the Royal, while others went shopping. At night the members attended either a show or the hockey game between the Leafs and the Bruins. At 11:00 p.m. the group boarded the bus and headed for home, arriving in Stirling at 2:30 on Sunday morning.

RIVER VALLEY W.I. DANCE

River Valley Women's Institute members sponsored a successful dance in the Community Hall on Monday evening. Potter's Orchestra, of Warkworth, supplied music for round and square dancing. The door prize, a hostess tray set, was won by Reg. Shadbolt, Madoc. The fuchsia table lamp with flowered base and ruffled shade was won on a draw by Mrs. S. J. Caskey, Frankford.

The home-made candy booth and the hand made articles each netted a nice sum. The Institute members served refreshments consisting of sandwich, white and dark cake and coffee.

The Institute is grateful to those who attended, those who sold tickets, C.J.B.Q. for air publicity and all others who assisted. The boys at the Belleville Radio Station and Messrs. Duffin and Faires were remembered with treats. The dance was well attended and we think most folks had an enjoyable evening.

Accepts Position

Miss Laura McGee, daughter of Mr. and Mrs. Frank McGee, has accepted a position on the staff of the local branch of the Bank of Montreal.

Mr. John Moore, of Lindsay, who has been a member of the local staff for several months, has resigned to accept a position in his home town.

Beulah Factory Damaged By Fire

Property damage estimated at \$200, resulted from a fire at Beulah Cheese Factory at Ivanhoe between five and six p.m. on Monday afternoon.

Fortunately the blaze, which broke out in a curing room partition, was noticed by Miss Margaret Wright, school teacher, who notified the cheesemaker, Mr. Ross Laim. A general alarm was given over the telephone and neighbouring farmers gathered quickly and fought the blaze with fire extinguishers and water until the arrival of Chief Vance and some five members of the Belleville Fire Brigade, who assisted in extinguishing the blaze.

Mr. Arthur Wood, cheese factory president, said the fire apparently started from a steam pipe leading through a curing room partition. Monday was the last day for factory operations this year.

Most Rev. J. Lyons, D.D., Archbishop of Ontario, Attends Confirmation

Rev. H. C. Secker Presented
The Candidates — W. D.
C. Hall Read The Lessons

In Trinity Church, Frankford, on Thursday evening, November 15th, the Sacrament of Confirmation was administered by the Bishop of the Diocese, the Most Rev. John Lyons, D.D., Archbishop of Ontario.

The Church was filled to capacity with many friends from Stirling, Glen Miller and Frankford present. The Rector, Rev. H. C. Secker, presented the candidates and read the Preface. Mr. W. D. C. Hall, Lay Reader, read the three lessons from the New Testament, upon which this Apostolic rite is based. His Grace gave a very inspiring address, urging the candidates to live lives of holiness and loyalty to the Church.

The choir under the direction of Mrs. G. Johnston, led in the singing of hymns appropriate to the occasion. The Anthem was "Consecrated To Thee," by Roy E. Nolte, with Mrs. Bert Foster taking the solo part.

Candidates from Frankford were Mr. and Mrs. M. Houlden, Maxine and Glen; Mr. and Mrs. Wm. Rose, Mrs. H. Morrow, Mrs. C. Cooney and Margaret; Mr. G. Wilson, Mrs. Benedict, Betty Burkitt, Joyce Huffman, Joy Davis, Mrs. Joan Finlan, From Glen Miller, Mrs. K. Orr, Mrs. C. Collier, Janet Collier, James Wiggins. From Stirling, Anne Boite, Mary Lou Faires, Lois Burgess, Beverly Morgan, Ruth Mumby, Veva Coombes, Frances Hoard, Martin Secker.

The Ladies' Guild, under the direction of Mrs. A. Caskey, President, served refreshments after the service, when the Archbishop met the candidates and other members of the Parish.

Foxboro Farmer Killed In Runaway

Thrown from a manure spreader when the team of horses he was driving ran away in a back field, Earl Bird, 59-year-old bachelor farmer, of Foxboro, was instantly killed Tuesday afternoon.

His body was found Tuesday night by a nephew, Leon Wilson, who went to look for him when he failed to show up at his house. His body was found in the middle of a field, the broken manure spreader piled up some distance away against a fence.

Coroner Dr. J. S. Demorest, of Foxboro, was called and said an inquest was unlikely.

Club Plans Candlelight Service

The regular meeting of St. Andrew's Club took place on Monday night at the home of Rev. W. H. V. and Mrs. Walker, with Mr. Walker officiating in the absence of the President, Jas. Johnston.

The meeting was opened with prayer by Rev. Walker, followed by the Scripture Lesson by Ernie Cain. Business was discussed and the final plans were made for the Candlelight Service to be held on December 16th at 7:30 p.m.

Several readings were given, followed by an interesting topic entitled, "Friendship," by Mrs. Don Rodgers. The meeting closed with the hymn, "What A Friend We Have In Jesus" and prayer by Rev. Walker.

A social half hour was enjoyed by all. The next regular meeting will be held on December 3rd.

Delegates

Messrs. Alan McDonnell and Geo. Carlisle were in Toronto on Tuesday attending the Cream Producers' Convention in the Royal York Hotel as delegates from the Hastings County Federation of Agriculture. They were accompanied to the city by their wives and attended the horse show at the Royal Winter Fair on Tuesday night.

Rawdon Council To Meet Dec. 3rd

Rawdon Township Council will meet on Monday, December 3rd at 1:30 p.m. for the transaction of general business. The regular statutory meeting will be held on Saturday, December 15th at 11 a.m.

Attend Reception To Grand Master

Members of the Independent Order of Oddfellows in Madoc District No. 45 gathered at Madoc on Thursday evening last to honour Dr. McKinney, of Brooklyn, Ont., Grand Master of the I.O.O.F. Following a banquet the Grand Master delivered an outstanding address on Oddfellowship. Among those from Stirling who attended were Messrs. E. D. Ketcheson, Kenneth Belcourt, Mel Tanner, Don Heath, Les McKeown, W. H. Patterson, B. R. Searles, Hugh Jones, Clarke Rodgers, Alan McDonnell, Harry Vandervoort, Geo. Carlisle, R. E. Shortt and Earl Wallace.

Lose Final Game

The Volleyball Jamboree at the Ontario School for the Deaf in Belleville was attended by thirteen schools with over twenty junior and senior teams competing. Stirling High School entered only a senior team but proved themselves to be better than average. Playing their regular four games the team won over Madoc, Marmora, Picton and Wellington. There resulted a three-way tie for first place between Brighton, Belleville Collegiate and Stirling. B.C.I. and Brighton played off with B.C.I. the winner. In the final B.C.I. and Stirling girls fought a close game, with Belleville winning by a score of 24 to 19.

Won Over Marmora
On Marmora court on Monday of this week Stirling played the first game of the semi-finals and won by a score of 51-40. Highest point getters were Isabelle Fox and Roberta Good.

On Tuesday night on the Stirling court, Stirling girls won over Marmora in the last game of the semi-finals with a score of 67-27. A sudden death game will be played against Madoc in Marmora court on Thursday. High point getters were Isabelle Fox and Margaret Drew.

Assembly Warden Visits Rebekahs

Joint Meeting of Oakdale
Lodge, Madoc, and Laurel
Lodge, 211 — Presentations

A joint meeting of Oakdale Rebekah Lodge, Madoc, and Laurel Rebekah Lodge, No. 211, Stirling, was held in the latter's lodge room on Monday night to welcome Miss Emma Bothwell, of Ottawa, Warden of the Rebekah Assembly of Ontario. The occasion also marked the 31st Anniversary of Laurel Lodge. Mrs. Phyllis Burley, of Belleville, District Deputy President of District No. 4, was also in attendance.

Cut flowers adorned the Noble Grand's and Vice Grand's desks, while a lovely birthday cake decorated with green candles in pink holders occupied a prominent place at the front of the hall. The cake was made by Mrs. H. Mumby, of Springbrook, and iced by Mrs. F. Stapley and Mrs. A. Fraser. History of Order

Introduced by Mrs. Hazel Mumby, Immediate Past Noble Grand, the Assembly Warden delivered an interesting and instructive address on the "History of the Order." Mrs. H. McGowan, of Madoc, Past District President, introduced Mrs. P. Burley, of Belleville, District President, who also gave a short address.

Presentations
Gifts were presented to the Assembly Warden, with the address being read by Mrs. Cassidy, of Madoc, and the presentation being made by Mrs. Gladys Elliott, and the District President, with Mrs. H. Mumby reading the address and Mrs. Bessie Patterson making the presentation.

Mrs. Roy Brown, who is leaving shortly to reside in Peterborough, was also honoured with a gift. Miss Evelyn Bailey reading the address and Mrs. Mabel Barlow making the presentation.

A short programme was presented under the sponsorship of Mrs. Bessie Patterson, assisted by Miss Evelyn Bailey. Community singing was enjoyed, with Mrs. Mildred Morrow at the piano, followed by a reading entitled, "Patent Medicine," by Mrs. Hilda McGowan, of Madoc. Mrs. Cora Eggleton rendered a vocal solo and Norma Stickwood, Madoc, conducted a contest.

At the conclusion of the programme the candles on the birthday cake were lighted by Mrs. M. Megginson, the first Noble Grand of Laurel Lodge, and blown out by the District Deputy President. The honour of cutting the cake fell to the Assembly Warden, after which dainty refreshments were served. A social hour brought a very pleasant and profitable evening to a close.

Speaker At Orange Rally

Fred Bateman, of this Village, Grand Master of the Orange Lodge of Ontario East, was guest speaker at an Orange Rally held at Picton on Tuesday night. The meeting was preceded by a chicken dinner. Mrs. Bateman accompanied her husband.

Kenneth Morrow, who was undergoing treatment in Kingston General Hospital for his back, has been placed in a cast and was brought to his home on Saturday last. His many friends hope for his speedy recovery.

Trent Valley Loop Organizes

Arthur Duncan, popular president of the Trent Valley Hockey League was elected to another term of office at the annual held in Frankford on Sunday. Other 1951-52 officials are, secretary, Dick Bridgman, Trenton; 1st Vice President, William Regan; 2nd Vice President, Reg. Wardle, Belleville; 3rd Vice President, Frank Openshaw, Trent Bridge.

Teams represented were Belleville, Peterborough Brintons, last year's champions; Stirling, Marmora, Norwood, Havelock, Trenton, Campbellford, Trenton RCAF, Lakelfield, and Campbellford. There is a possibility that Wellington will enter a squad. According to reports both Belleville and Peterborough teams will be allowed to enter while Stirling and Campbellford might merge their ice lane forces. Players, residence rules etc., were discussed and some important business left to the new executive. The loop expects to open at the first of the year.

Mount Pleasant W.M.S.

The November meeting of Mount Pleasant Woman's Missionary Society was held on the 14th at the home of Mrs. Herbert Smith. There were 17 members, 7 visitors and 5 children in attendance. A silver basket of coral mums added a note of beauty to the service.

Mrs. Burton Sharp played quiet music and Mrs. Ross Hoard read a poem by Patience Strong, "Our Lovely World." All sang, "Jesus Keep Me Near The Cross," and the prayer from the October Missionary Monthly was read. This is the new revised Woman's Inter-Church Council Prayer.

Mrs. Percy MacMullen read the minutes and roll call. Mrs. Kenneth Weaver reported \$36.75 from Autumn Thankoffering and \$11.50 from October givings. Miss Ruth Linn gathered the offering which was dedicated to Missions.

Mrs. Frank Jeffs read a community friendship letter from the Presbyterian Secretary which gave ideas for recording individual visits each month. An invitation to visit West Huntingdon United Church for an afternoon tea on Friday was announced.

Supply Secretary, Mrs. Gordon Linn and her assistant, Mrs. Frank Jeffs, hope to pack the supply bale next week. The Christmas meeting will be held on December 12th at the home of Mrs. Gordon Linn.

Mrs. Roy Thrasher and Miss Ruth Linn gave good reports of the Sectional Rally held at Shannonville in October. Mrs. Will Hubble and Mrs. Ross Hoard contributed musical selections, violin and piano.

Mrs. Ida Denton, Stewardship Secretary of Belleville Presbytery, paid her official visit as suggested by Mrs. McLellan, Presbyterial President. She said during the three-quarters of 1951 Mrs. Mills had received \$11398 and the 1952 allocation for Belleville Presbyterial is \$20,6000. When the value of the Canadian dollar dropped to a new low it was necessary to raise more funds. An appeal has gone out to each Auxiliary to reach and surpass their allocation and to remit all their money at the end of each year. Mrs. Denton outlined a weekly budget which she felt wise to consider for another year. Mrs. Mills hopes that all treasurers will have their remittance in Napanea by January 5th and not hold up the line.

Christian Stewardship is giving ourselves, out time, and our talents, sharing our possessions and sharing our money. God can use us in His work. In these days we are being asked to give to outside charitable institutions but we must remember Missions is the top need, as it is up to us to save lost souls. Missions and the Christian Church go hand and hand. This is a day of opportunities and each one is asked to justify the faith and do all they can to further the great Missionary cause.

Mrs. F. L. Wilson, Vice President of Belleville Presbyterial, said this was a get acquainted and a friendly visit. She urged each Auxiliary to increase their membership as the W.M.S. is a group of women trying to do the Master's work. Our obligation to Missions is Christ's command, "Go ye into all the world." All people need the gospel those who have it owe it to others to help advance the Kingdom of God now.

ONE IN TEN

A million Canadians now have jobs in manufacturing. Ten per cent of these are in the primary textile industry. (The latest Dominion Bureau figures are 1,080,000 in manufacturing and 104,000 of these in primary textiles.)

Besides leading all other Canadian industries in numbers employed in manufacturing, primary textiles also is away ahead in the size of its payroll. It is up among the leaders in providing jobs for women and in being well spread out through the smaller communities.

Dominion Textile is a considerable part of this basic textile industry.

1951 Near End

All members and friends are invited to co-operate by returning their outstanding church envelopes and completing their special gifts as soon as possible for 1951 so that there will be no "carry over" of 1951 business to 1952.

The Church Books at Carmel and St. Paul's will close on December 31st. All gifts after that date will be recorded in 1952. Last year a few were disappointed when the Annual Reports were distributed in the record of their givings. This can be remedied for 1951 if each member, adherent and friend will make their gifts before the Christmas demands are upon them.

Missionary and Maintenance

The Official Board of St. Paul's is moving toward the attainment of the pay as you go policy of the Woman's Missionary Society. This wonderful Society will spend in 1952 the money it collects in 1951. Thus it avoids all borrowing with interest charges. This is in sharp contrast to the Missionary and Maintenance Fund which spends what it hopes to get.

St. Paul's possibly over a period of ten years will reach the position where it can pay its allocation or objective at the beginning of each calendar year and thereafter all funds of the next ensuing year will be available to continue a "pay as you go" policy. All such gifts of course are kept in a separate account and are held entirely for the Missionary and Maintenance projects of the church less any small operating costs.

Bible Society

The Official Board of St. Paul's has decided to make a grant of \$35 towards the work of the Bible Society rather than to make personal canvas-

see for 1951.

Memorial Park

Our commendation to the person or persons responsible for the repair of the Memorial Park fence. The Remembrance Day Service gave tangible evidence of the unity of the community in honouring its war dead. The music of the flowing Rawdon provided a thrilling accompaniment to the Stirling Band and assembled worshippers as the gathering sang "Time like an ever rolling stream bears all its sons away." The Last Post and Reveille were creditably sounded by bandman B. Mason.

Advent Season

Sunday, December 2nd will mark the opening of the Advent Season at St. Paul's. Services are being carefully planned for each Sunday in December. Evening services will be especially rich in drama and carol song and will be held every Sunday in December at 7:30 p.m.

The evening service order is as follows: Dec. 2nd, Drama (1) The Herald and Dedication of John the Baptist (2) The Annunciation; Dec. 9th, Drama the Nativity (1) According to St. Matthew (2) The Nativity according to St. Luke; Dec. 16th Annual Choral Service of St. Paul's Choir and the presentation of the "Three Madonnas" masterpieces; Dec. 23rd the Annual Candlelight Service of the Royal Junior Choir and nativity scene; Dec. 30, the 1951 Bible Drill Festival conducted by Mr. Wilfred Skitch, of Toronto. It is expected that the 1951 silver trophies will be awarded at this service. (1) Open to girls and boys of St. Paul's-Carmel. (2) Open to all girls and boys of the adjacent Townships and the Village of Stirling.

Advent Music

Special music at St. Paul's in the advent will include anthems, ladies' choir, quartet, trio or solo arrange-

ments.

Africa

The work of Christian Missions in Africa by the United Church was presented at Carmel and St. Paul's last Sunday. This work is centred in Angola, Portuguese, West Africa, near the southern end of the continent in an area about the size of Alberta with four million inhabitants. In this land fifty per cent of the babies die under one year of age. Sixty per cent of the people have hook-worm and one hundred percent of the houses have ticks.

The work of the United Church is carried on by a staff of 26 workers of whom sixteen are provided by the Woman's Missionary Society. Medical, educational and evangelical missions are carried on in a federated work under the Church of Christ in Angola. Under Missionary guidance even the corn which reached only thirty inches, is now shoulder high. Missionary & Maintenance Fund grants for this work total about \$6,000 per year.

Christmas Suggestions

A letter box for all our shops and offices. A church music hymn book for singers and pianists, especially the young. A large print hymnary for mother, father or grandparents.

Good News

We have learned through the good offices of Mr. Elmer Sandercock that the Frankford Road as it approaches Trenton is now to be reconditioned.

Post Office and Driveway

It is not easy to persuade the Dominion Government to play Santa Claus. We rejoice to learn however, that the Minister of Public Works, the Hon. Alphonse Fournier has called for tenders for painting the retaining wall and the laying of inoleum in the public lobby of our Post Office. Now if we could only secure a clock for the tower!

The driveway at the Post Office has been a nuisance since the building was constructed. It does not solve the problem to say that it should have been attended to then. We must give credit where credit is due. The Dominion Government is now prepared to make a job of fixing it and our long suffering rural carriers will welcome that decision. Indeed the promise was made to do it this year.

However we have learned that there are complications because the Village Council has jurisdiction over the sidewalk and adjacent roadway. The Minister advises under date of November 1st that the work of the Department is dependent upon what the town i.e. village will do. The Village authorities are evidently anxious to co-operate with respect to some trees that effect the improvement. We feel these two levels of government can get together and we would like to believe that the strong will help the week. In the meantime it looks as though the next move is up to Stirling as the Minister writes "The work of this Department will have to be done in conjunction with the town's work at such time as the town comes to a definite decision as to what is to be done to its sidewalk."

New Trent Bridge

In response to our appeal for the painting of the River bridge at Frankford to conform to the Canal bridge we are advised by the Provincial Department that it has plans for a new bridge to replace the present "horse and buggy day" structure. This serves to remind us that a major bridge building programme will be needed in which all levels of government will need to co-operate to replace the structure erected in pre-motor years. Long range planning could provide for picturesque stone and steel replacements during the next two or three decades of the bridges within the Village. Lovely Stirling can become more lovely with new bridges in which beauty is combined with utility.

Queensboro

Last Sunday a score of Junior Choristers of the Royal Choir provided the special music and led the service of praise at the evening Anniversary Service at the Queensboro United Church. Soloists were Misses Heather Rodgers and Laura Jeffrey. The Choir was graciously welcomed by the Pastor and afterward entertained at the Parsonage.

Transportation was graciously provided by Messrs. J. L. Good, G. Carlisle, W. T. Elliott (F. Jeffrey), J. Kain, Ed. Warren, G. Belcourt, C. Rodgers and Mrs. E. Ketcheson. A number of interested adults also supported our young people by their interest and presence.

Carmel

A group of Glen Ross pupils attended the Royal Choir rehearsals last Thursday. It was good to see them. Perhaps in time we shall have a Jun-

ior Choir at Carmel.

Sympathy

The officers and members of St. Paul's extend sincere sympathy to Mr. Ross Herminston and his loved ones recently bereaved by the death of his parents. A kindly Providence saw that "in death they were not divided."

Culinary Art

Added to a pleasing personality the Rector of St. John's has demonstrated his culinary skill by making a tasty plate of muffins for St. John's Bazaar. These subsequently graced the Parsonage table.

Christmas Concert

The Sunday School Concert of St. Paul's will be held on December 14th. The Sunday School also will have its hymn books rebound. Members of the staff will participate in the "Herald of John the Baptist." Those participating in this will meet at the Church on Sunday at 4 p.m.

Choir Rehearsal

St. Paul's Choir will rehearse tonight (November 22nd) as usual and a radio will be on hand to give election returns throughout the evening.

St. Paul's Choir will hold only one rehearsal next week. This will be on Monday, November 26th at 7:30 p.m. There will be no rehearsal on Thursday, November 29th. This applies only to this one Thursday.

RIVER VALLEY WOMEN'S INSTITUTE

The members of River Valley W.I. extend deepest appreciation to all those who assisted in any way to make the dance a success and especially C.J.B.Q. for publicity over the air.

noon service.

On Friday evening a large delegation of folks from the Hoard's Young Adult Club visited Mount Pleasant Club. The Hoard's folk presented the worship and a short programme. Mr. and Mrs. Eric Summers and their committee were in charge of recreation.

On Friday evening the Two-By-Two Club entertained Hoard's Young Adult Group and Mount Pleasant Young People's Union. Mr. Eric Summers opened with "Faith of Our Fathers," and Lord's Prayer, after which he welcomed the visitors.

Mr. Alex Hume, President Hoard's group presided and all sang "Unto The Hills Around." Mr. Harold Milne read the Bible Lesson and the President gave the topic on the theme, "Why there should be a young adult group in every church." He also extended thanks to the Mount Pleasant folk.

Rev. Gordon Whitehorn led in a sing song, after which Hughie Hoard sang "God Sees the Little Sparrow Fall." Mrs. Everett Parr read "Little Things." Miss Doris Hoard contributed a piano solo and Mr. Everett Parr voiced thanks for hospitality. Rev. R. R. Bonsteel graciously replied. Mrs. Herbert Smith and Mrs. Carleton Potts were in charge of recreation after which refreshments were served.

Rylstone

The Women's Auxiliary of Rylstone United Church held a pot-luck dinner and quilting at the home of Mrs. Sanford Melkijohn in Springbrook on Thursday last. The quilt was finished and will be sold at auction.

Mrs. Chester Melkijohn spent a few days last week with Mrs. Alf Hay, at Campbellford.

Mr. and Mrs. B. Spencer and Lynne were Sunday visitors of their aunt and uncle, Mr. and Mrs. Percy Mumby, at Springbrook.

Mr. and Mrs. Ellis Jones were guests on Sunday of his sister, Mrs. Wm. Mastin, Mr. Mastin and daughters, Dawne and Diane, in Belleville.

Mr. and Mrs. Wm. Rutherford and Miriam and Mr. and Mrs. Chester Melkijohn spent Sunday in Tweed with their uncle, George Melkijohn and daughter, Cozie.

Miss Marlene Hadley spent the week-end with Ruth Petherick.

Mrs. Gordon Melkijohn and son Lynn spent Thursday with her mother, Mrs. Gordon, at Marmora.

Mrs. Richard Morton, Mrs. Glenn Morton, Mrs. Wm. Morton, Mrs. Ralph Thompson, of Springbrook and Miss Jean Morton, of Stirling, spent Wednesday afternoon with Mrs. Stewart Buck (nee Marie Melkijohn), of Hastings. Mrs. Stella Gibson returned home with them after spending a few days with her niece.

Mr. and Mrs. Murray Heath attended the Royal Winter Fair last week.

Madoc Junction

Messrs. Raymond and Robert Chambers spent last Thursday in Toronto and attended the Royal Winter Fair.

Rev. Morley Clarke spent the tea hour last Friday evening with Mr. and Mrs. Warren Harlow.

Mrs. Carl Reid attended the Royal Winter Fair in Toronto over the week-end.

The Friendship Circle met on Friday evening of last week at the home of Mr. and Mrs. Bert Reide with a large crowd in attendance. Mrs. Gordon Nelson prepared the programme. Mrs. Hugh McMullen was pianist and Mrs. Bert Reide presided.

Miss Anna Mae Clarke sang a solo; readings were given by Mrs. Charles

Wellman's Mission and Baby Band

Wellman's Daisy Mission Band and Baby Band met on Saturday afternoon, November 10th at the home of their leader, Mrs. Burton Morton. The Mission Band President, Miss Annie Dracup, presided and gave the call to worship. The response was read from the blackboard. Janet Tompkins read the Scripture Lesson from St. Luke's Gospel and Marlene Haggerty read a story of Dr. Bott, a Canadian Missionary, who is now head of the Overseas Relief in Japan. The Mission Band Prayer was read, followed by silent prayer by the members and prayer by the leader.

The offering was collected by Margaret Dracup; this included mite-boxes and thank-offering envelopes and the total was very gratifying.

When "The Carp Banners Fly," was given by the leader and Nancy Chumley gave the Secretary's report. Mrs. Morton conducted the business. Mrs. Byron Seeley and Mrs. Jack Dunham were appointed auditors for the two bands. The Mission Band then sang a welcome song to the Baby Band and the mothers gave a special unison prayer. At this time, Jean Tompkins and Bonna Dracup formed an arch through which Doreen and Donald Maybee passed and were welcomed into the Mission Band by the President and the leaders, who presented each with a graduation diploma.

Miss Annie Dracup was then presented with her Mission Band life membership certificate on which her name had been artistically lettered by Miss Gladys Clarke.

The election of officers for 1951 resulted as follows:

President — Annie Dracup
Treasurer — Chas. Nix
Secretary — Marlene Haggerty
Planist — Muriel Morton

Mrs. Morton conducted the installation ceremony and all sang "O Master Let Me Walk With You," with Mrs. K. Tompkins as the piano. A written test, a review of the Study Book followed, after which Mrs. Carman Nix conducted a series of very interesting games. The children were served apples and cookies with a cup of tea for their mothers. Thus ended a very profitable and enjoyable year with the two Bands of Wellman's United Church.

St. Paul's W.M.A.

The Auxiliary of the Woman's Missionary Society held their November meeting in the Church School Rooms on the afternoon of the 18th, with 26 members present. Mrs. C. Macklin presided and Mrs. N. E. Eggleton played soft music as the members gathered.

A poem and hymn opened the session and the usual business routine followed. The Corresponding Secretary read notes of thanks for messages of sympathy sent to bereaved ones; letters from Holloway and West Huntingdon ladies inviting the women of St. Paul's to bazaars; and communications from Presbyterian Secretaries.

Mrs. A. E. Good, Secretary of the Community Friendship Department reported fourteen calls made since the October meeting.

Mrs. V. Richardson, Temperance and Christian Citizenship Secretary, drew attention to the fact that while on the tour of Canada, the Princess abstained from wine at civic dinners and also commented on Prince Phillip's willingness to assist in the church services each Sunday while he and the Princess Elizabeth were in Canada.

Parcels of good used clothing for the Spring bazaar for overseas relief may be left at the Parsonage any time from now until spring.

Mrs. Macklin was assisted in the devotional exercises by Mrs. M. Vandervoort, who read portions of Scripture which were commented on by Mrs. Macklin. The second chapter of the "Study Book," "Home Missions working where the student missionary goes," was reviewed by Mrs. A. Armstrong.

In 1950 there were 240 communities in which 224 students preached. Of this number, 24 were young women. These students travel while on their fields by bicycle, old car or power bikes. There are at least 5,000 children of the United Church who cannot attend any Sunday School, but now through the mail and by air, these children receive regular Sunday training. "The Family Teacher" is a quarterly help which is sent to the parents for use in the Bible Study. In the largest Presbytery of the United Church — the Presbytery of Prince Albert, Sask. — a full-time radio ministry is maintained. This Presbytery has 127 preaching places with only 14 ordained ministers full-time. Most of the year the people go without church service. For nearly ten years the voice of the United Church has been regularly heard three times weekly from station CKBI, Prince Albert. Rev. and Mrs. W. H. Pyke give a children's broadcast each week with Mrs. Pyke the story teller. The programme is well received and is meeting a real need where the frontiers of the church are flung.

Then there are the fleet of four Mission Boats that ply up and down the west coast of British Columbia, and the fleet of five boats on the Newfoundland and Labrador Coasts that minister to the inhabitants along those rocky outskirts of Canada.

The meeting closed with the Mizpah Benediction and a half hour was spent socially over a cup of tea and sandwiches.

BUSY LEISURE'S BETTER

Just looking forward to the leisure days of retirement is not the only preparation that should be made. For those near the time of leaving active business life, it is important that hobbies should be started, either as a means of keeping busy or for the purpose of adding to the income. All too many people retire from business and, shortly after retire from life. The shock of the sudden change without a satisfying hobby to fill the place of business, is often dangerous to health.

MIXING BOWL

Hello Homemakers! Food budgets become more vulnerable at this time of year. Meat is one item that can make a good-sized dent. However, we must remember it is false economy to buy low-grade bargains. Tough, stringy meat that never cooks tender is expensive at any price.

The wise buyer forms the habit of selecting meats that are "good buys" and asks for the blue or red label quality. For instance, tenderloin may be tender, but the cost! It's all in knowing what to do with less tender

cuts. By scheming, we can make food dollars go a little farther — and meat pies do just that.

Meat pies are really stews baked with covers on. Either leftover cooked meats or cuts of raw round steak, fronts of veal, lamb ribs, or pork shoulder pieces are the basic ingredients which can be stretched a long way by adding such items as carrots, onions and tomatoes.

We've never known a family who turned up its nose at any really good meat pie. Men like an all-over biscuit crust or individual biscuits, crisp and tender. A variety of toppings will always be appreciated and these include

with meat pies.

3. Make extra gravy using the liquid from boiled vegetables and a bouillon cube.

Beef and Vegetable Pie

- 1 onion, sliced
- 1 lb. short ribs beef
- 2 tbsps. fat
- 2 cups canned tomatoes
- 2 cups kernel corn
- ½ tsp. chili powder
- 1 tsp. salt, some pepper
- 3 tbsps. dripping
- 3 tbsps. flour

(Pastry dough)

Saute onion and beef (cut in pieces) in fat until browned. Add tomatoes, corn and seasonings. Blend fat with flour and stir into hot mixture. Cook until thickened. Pour into greased casserole. Roll out pie dough to fit casserole. Bake in preheated electric oven, 450 degs. for 12 to 15 minutes. flaky pastry, cracker crumbs, or dumplings.

TAKE A TIP

1. Add extra liquid to a meat pie made of cooked meat. Tomato juice, canned mixed vegetable juice or canned gravy add more flavour.
2. Serve catsup, chili sauce or chutney. Serves 6.

Steak and Kidney Pie

- 4 lamb kidneys
- 1 lb. round steak
- 1 sliced onion
- 4 tbsps. fat
- 3 cups boiling water
- 1 tsp. salt
- 1 tbsps. Worcestershire sauce
- 2 tbsps. flour
- Hot biscuits

Soak, pare and slice kidneys. Saute in two tbsps. fat. Cube the steak; brown this and onion in 2 tbsps. fat. Add water and seasonings. Cover and simmer about 1 hour. Mix kidneys with meat and bring to a boil. Cook 3 mins., stirring constantly. Pour into a greased baking utensil. Cover with biscuit dough cut in circles. Bake in electric oven of 450 degs. for 15 mins. Serves 6.

Shepherd's Pie

- 2 tbsps. flour
- ½ tsp. salt, some pepper
- 3 cups ground, cooked meat
- 1 tbsps. minced onion
- 1 tsp. Worcestershire sauce
- 2½ cups gravy
- 3 cups mashed potatoes

Sprinkle flour, salt and pepper over meat and mix well. Add onion and Worcestershire sauce, then hot gravy and bring to a boil, stirring constantly. Pour into a greased casserole. Spread

THE QUESTION BOX

Miss M.P. asks: How can I prevent hot gravy from boiling out of a meat pie?

Answer: Insert one or two egg cups in the casserole before pouring meat mixture into it. (Do not use plastic cups—may use custard cup.)

Mrs. H. C. asks: Why does meat become grey in meat pie?

Answer: Unless pieces of meat are not browned well in a small amount of fat in an uncovered skillet the meat will lose its brownness. Meat also loses colour and flavour if cooked too long at too high temperature.

Salem W.A.

Salem W.A. held a quilting and pot-luck dinner on Thursday, November 15th at the home of Mrs. Thomas Clements. There were 24 ladies present.

Mrs. Clements presided for the afternoon meeting which opened with hymns 46 and 240, followed by the business period. Mrs. Mayo prepared the programme on Missions, and opened with a hymn. Mrs. James Johnston offered prayer. Mrs. Will Johnston gave a reading on Missionaries. Readings were also given by Mrs. George Sine and Mrs. Harold Holden. The meeting closed with benediction.

Mrs. V. Hagerman voiced the thanks of the W.A. to Mrs. Clements and those assisting with the programme.

Bethel Busy B's

The Bethel Busy B's met at the home of Mrs. Frances Reid on November 10th, with 10 members present.

The Vice President, Shirley Cooney, called the meeting to order with the

singing of "Take My Life and Let It Be." Shirley Cooney read a story called "What Do We Mean By A Better World?" Barbara Green read the Scripture. Joan Barron led in prayer.

The worship period closed with the singing of "O Worship The King All

Glorious Above."

Minutes of last meeting were read. The next meeting will be held at the home of Mrs. Theodore Cooney.

The programme consisted of a story by Jean; game by Joan Barron; contest by Jean Reid. After the program a delicious lunch was served.

SITE OF TOWERS DECIDED IN TV RELAY

BELL TELEPHONE'S RADIO-RELAY SYSTEM which will carry television programmes from Montreal to Toronto in 1953 will travel along

the circuit below. On towers ranging from 50 to 225 feet high, one on the Oak Hills, near Stirling, multiple phone call transmissions will also be carried. Towers are to be erected in the spring of 1952.

Looking ahead to 1953 when a microwave radio-relay system will carry television service from Montreal to Toronto, the Bell Telephone Company have already plotted a tower path and tower sites.

One structure will be set up on high ground southeast of Stirling and another at Hastings to the west and Enterprise to the east. Together with 9 more towers between Toronto and Montreal, via Ottawa, the chain will

be completed. In addition to television service the radio-relay system will also deliver multiple long distance calls over towers ranging from 50 to 225 feet in height.

Aluminum is friendly to food

Hospitals must be careful about their kitchens. Cooking utensils must meet the highest hygienic standards in food preparation. That's why hospitals use so many aluminum utensils. Aluminum is ideal in contact with food. And this food-friendly metal helps

prepare meals more easily because it heats so quickly and evenly. Millions of Canadian housewives enjoy these "aluminum advantages", too. They cook better, cook more easily and protect the flavour and quality of their food with aluminum utensils.

ALUMINUM the metal of many uses SERVES THE DOCTOR, TOO!

- Aluminum caps are used on blood plasma bottles.
- Aluminum capsules are used to protect serums.
- Aluminum jells are used in treating ulcers.

IN THE FOOD INDUSTRY, ALSO, aluminum continues its good job of protecting purity and quality. Chocolate bars, tea, butter, margarine and many other foodstuffs are wrapped in aluminum foil.

IN THE DAIRY INDUSTRY milk pails and many parts of modern milking machines are made of aluminum. And when you see a bottle of milk with a gleaming aluminum foil top, you can be sure of purity well protected.

NEWS FOR THE BUSY FARMER

LEGUMES AND GRASSES HELP LOOSEN CLAY SOILS

Probably one of the best methods of keeping a heavy clay loose and easily worked is to grow alfalfa, clovers and grasses more or less continuously. A loose soil is one which has a good structure, provides adequate open spaces and thus lowers the weight per cubic foot. These open spaces allow rain water to enter the soil and be stored for future crops.

In practical farming it is not usually economical to keep fields under sod cover for more than two or three years. Generally the farmer has to adopt a rotation which will enable him to grow a sufficient acreage of cultivated crops and at the same time include enough legume or grasses to maintain or improve the physical condition of the soil.

Grasses are probably the most effective crop in producing a loose, open, well aggregated surface soil. The effect of grasses, however, is confined chiefly to the upper few inches of the soil and on the heavy textured clay it is necessary to keep the soil loose to such a depth that sufficient water may enter the soil and be stored for the use of the crop. The deep rooted legumes appear to be the only crop which will keep the soil loose to the required depth. A soil which is loose, open and well aggregated to greater depths will store more moisture, thus reducing the amount of water lost by run off and evaporation. At the same time it will allow any excess that may accumulate during wet periods to reach drainage systems.

Work done recently by the Dominion Experimental Stations at Harrow and Woodville has measured the effectiveness of a number of commonly grown legumes keeping the soil loose, increasing the air space, thus lowering the weight per cubic foot. The only measurements available at present permit comparison of two year rotations with continuous cropping, reports James M. Fulton. Where red clover, alfalfa or sweet clover was seeded in oats of a corn-oat rotation, the air space was approximately 50 per cent as compared to 33 per cent where corn was grown continuously for four years. Soybeans grown on the same plot of land for four years left the surface soil in much better physical condition than the continuous corn but soybeans have little effect below the top few inches. Deep rooted legumes are a necessity in the crop rotation on a clay soil.

IT PAYS TO CULL POULTRY

Every poultry producer should make culling a constant practice if he expects to get maximum returns from his flock, according to J. F. Fraser, Poultry Division, Kemptville Agricultural School.

The habit of culling helps the owner in several ways. It helps to prevent the spread of disease in the flock, gives some return from birds that otherwise become a total loss and decreases the feed bill by eliminating the "boarders."

He states that birds, which are lower in vitality than the majority of the flock, usually become victims of poultry disease through lack of vigor. Inferior specimens, if they live, often serve as carriers and spreaders of disease. It is reasonable to suppose that a flock always made up of normal and vigorous birds has a fair chance of remaining healthy.

Each year birds that are under-sized or weak become a total loss to the operator. They gradually deteriorate until they die or must be destroyed. However, if culled out while in good flesh and free from disease, many of these could be marketed. This is a stop-loss proposition followed by all good producers.

He feels that most poultrymen find their feed bills large enough without feeding "boarders." Failure to remove the poor producers means so much feed and labour expended for nothing. Mr. Fraser points out that culling is or should be a continuous process, starting with the chicks and carried on throughout the year. The younger the culls are when removed, the greater the saving. He advises that particular care should be exercised when the pullets are placed in the laying house. Each bird should be examined, and every bird rejected that is thin, small or in any way inferior to the rest of the flock.

Once the birds are in the laying house culling should be carried on throughout the laying year. Each bird in the flock should be checked each week or two. This can be done

easily when the birds are on the roost. Disposing of the non-layers helps to maintain the egg production percentage. This is particularly true during the late summer as the birds tend to go into a resting or moulting period, the poor layers moult first.

In conclusion Mr. Fraser states "Culling poultry pays well — do it often."

DECEMBER SURVEY 1951

Each December the Bureau of Statistics in co-operation with the provinces conducts a survey of the number of livestock on farms, and cost of hired labour. Forms for this survey will be in the hands of farmers by about December 1st.

The success of this survey depends on the co-operation of farmers in filling in and returning questionnaires. A widespread response from all types of farmers throughout each province is needed in order that the statistics can be based on a sufficiently large number of reports from a representative sample of farms throughout Canada.

The statistics obtained from the survey are used extensively throughout the year. The Dominion Bureau of Statistics is the official source of statistical information in Canada and its figures are used by governments, farm organizations and industry to

plan future operations. International organizations such as the World Food and Agriculture Organization depend on the Bureau to supply up-to-date figures on Canada's agricultural industry. The farmer, through providing the information needed by the Bureau, has a real opportunity to help form a true picture of agricultural conditions.

The survey has no connection with taxation. The farmer's individual form is seen only by workers in the Dominion and Provincial agricultural statistical offices and the farmer is protected by law against the wrong use of his return. All individual forms are kept strictly confidential.

Dairy School Announced

The Dairy School of the Kemptville Agricultural School will open its 58th annual class on January 7th, 1952, according to A. L. Gibson, head of the school. He points out that this three month course is designed to give men and women engaged in practical dairy education, including a knowledge of the scientific principles underlying the production and care of milk and the manufacture of dairy products.

Mr. Gibson adds that since the first school started the dairy industry has expanded considerably, bringing a greater need for dairy education. For this reason the course has been extended from its original two weeks in 1894 at Queen's University to the present three months course at Kemptville. In 1936 the school was moved to its present location and in 1940 a new dairy school building was erected to give better accommodation to the students and also keep up with the

increasing need for dairy education. Since the first student entered the school at Queen's, some 7000 men and women have taken the course.

He points out that only those holding the diploma awarded to successful candidates at the end of the course, may obtain a "permit" under the regulations of the Ontario Dairy Products Act.

For admission to this course, Mr. Gibson feels that students should have a sufficient general knowledge to enable them to benefit from the instruction. He suggests they should have at least lower school, and preferably some upper school education. However, before a diploma is given each student must have completed at least one full season with a creamery cheese factory or other processing plant. He adds that, although there is no tuition fee to residents of Ontario, each student must be sponsored by a Dairy Plant Manager or government dairy instructor.

In conclusion, Mr. Gibson suggests that all those interested in taking the course should make their application before December 7th. Further information about this dairy school may be obtained by writing the Dairy School, Kemptville Agricultural School, at Kemptville, Ontario.

Four card sharks got together on the train and a tense, hard-fought contest ensued. Suddenly, the dealer tossed his cards down and said: "The game is crooked."

"What makes you think so?" queried the card shark on his left.

"I can tell," replied the dealer, "because that guy is not playing the same hand I dealt him."

EARS TO HEAR WITH

At the back of the nose are two tubes which send air into the middle ear so that the pressure may be equalized on either side. Very often, violent blowing of the nose may force in-

fection into the middle ear, via the tubes, causing the hearing to become impaired. The nose should always be blown gently, one nostril at a time, so that infection will not travel into the ear.

Entered Into Rest LYCURGUS (KIRK) MORAN

Ill for the past three and a half months Lycurgus (Kirk) Moran, 7th Concession of Murray Township, R.R. 1, Frankford, died at the Belleville General Hospital Tuesday, he was in his 69th year.

Born in Murray, son of the late Mr. and Mrs. Orton Moran, the deceased had lived all his life in the neighborhood where he was a farmer. He was a member of Tabernacle United Church, Murray Township, and was a Sunday School teacher for a number of years.

Surviving besides his wife, the former Elizabeth Doxey are two sons, Ray Moran, Frankford, and Howard, at home, and three daughters, Mrs. Earl (Carrie) Elliott, Toronto; Mrs. J. C. (Ardis) Cumberland Lansing; and Mrs. Thomas (Lena) Hasler, of Dunn-

ville.

There are three brothers, A. C. Moran, of Detroit; Philip Moran, Seattle, and Blake Moran, Murray Township, and two sisters, Mrs. John Lott, Sask., and Mrs. Arthur McColl, Vancouver. There are ten grandchildren.

INFANT ROLAND L. RODGERS

The funeral of Ronald Lyle, three months old son of Mr. and Mrs. Frank Rodgers, Foxboro, Road, Belleville, was held at the Duffin Funeral Home, Stirling, on Thursday afternoon, November 15th and was largely attended by relatives and friends.

Rev. W. H. V. Walker, of St. Andrew's Presbyterian Church, Stirling, gave a message of comfort to the bereaved. Interment was made in Stirling Cemetery.

The baby took ill Wednesday morning and died on route to the hospital. The parents, Mr. and Mrs. Frank Rodgers and one sister, Brenda Lee

survive; also the grandparents, Mr. and Mrs. Louis Rodgers, Stirling, and Mr. and Mrs. John A. McMullen, fifth Concession Rowdon.

A large number of floral tributes expressed the heartfelt sympathy of friends and neighbours.

New High School Officially Opened At Marmora

Residents of Marmora and district and neighbouring villages turned out en masse on Friday evening for the official opening of Marmora's new High School. H. A. McNally, Marmora representative of the Board of Centre Hastings High School District, acted as chairman.

Dr. S. Eagleson, of Madoc, chairman of the board, in his introductory speech gave a detailed account of the work of the board in connection with the school.

Reeve V. M. Lynch was the next speaker and said he was proud of the new school as it was a realization of a dream of many years. He hoped the students would appreciate it and take good care of it. He paid tribute to Elmer Sandercock, M.P.P., who had assisted so much in the project. He introduced Mr. Sandercock who spoke of the importance of education for young people in securing jobs today.

Reeve C. H. Buskard, of Deloro, then spoke and tendered his congratulations to the board. Reeve Irwin McCoy of Marmora and Lake Townships was the next speaker and said he was pleased to see the completion of this project. He was glad to know that children in remote parts of the township would have the same chance for education and hoped all children would appreciate the efforts of the board in providing them with such a beautiful school.

Officially Opened

A. G. Hooper, Superintendent of Secondary education for Ontario, following an address declared the new school officially opened. G. L. ... High School Inspector, also spoke on education.

Producing Clean Milk In Winter

The quality of milk produced in the Province over the past five months has been the best ever received at cheese factories and other milk manufacturing plants, according to C. E. Lackner, Director of Dairying, Ontario Department of Agriculture. However, he points out that the amount of reject milk being received at the factories has shown an increase since the cattle were brought into the stable.

Mr. Lackner has a few suggestions to enable the farmer to continue shipping top quality milk during the winter months. The first and most important factor to remember is to keep the stable and cows clean. The walls and ceiling should be kept as free of dust and cobwebs as possible and sweeping should be kept to a minimum prior to and during milking in order that the air in the stable be free of dust.

He recommends that the long hairs on the flanks and udders of the cows be clipped and that the dust should be wiped from the sides and under parts of the cows, with a clean cloth, prior to milking. Another point is that proper ventilation in the stable is necessary to prevent the absorption of objectionable stable flavours by the milk.

Mr. Lackner adds that even with the best of care, there is bound to be some sediment get into the milk. However, he stresses that milk filters should be used as a remedy for careless milk practices. Although milk filters will remove a certain amount of sediment — clean milk is preferable and of sup-

erior quality to cleaned milk.

Mr. Lackner feels that the importance of clean milk cannot be stressed too greatly and that every precaution taken will pay the producer.

St. John's News

Those receiving their first Communion in St. John's Church on Sunday were Anne Boite, Lois Burgess, Veva Coombes, Ruth Mumby, Beverly Morgan, Mary Lou Faires, and Martin Secker. The Rector spoke on the subject, "The Element of Sacrifice in the Holy Communion."

On November 27th at 3 p.m. the Little Helpers of St. John's will hold their Annual Service and party. All children up to seven years of age with their mothers are welcome.

In the Chapel of St. John's at 4 p.m. on Sunday the Sacrament of Holy Baptism was administered to Helen Post, Phyllis Moynes, William Allan Moynes and Marta Joan Moynes.

Mrs. Edgar Morrow presided over a meeting of the Altar Guild on Tuesday afternoon. Mrs. J. E. Salisbury was elected Secretary-Treasurer. Gifts of ten dollars from the Foxboro W.A. and four from Mrs. Thompson, Chicago, were acknowledged. There was considerable discussion about new linens. The Rector gave a short talk on the duties of the Guild.

Mrs. Ernest Cain Hostess To St. Andrew's W.M.S.

The November meeting of St. Andrew's W.M.S. was held at the home of Mrs. Ernest Cain on Tuesday evening. Mrs. L. Rodgers presided over the devotional part of the program. Mrs. Don Fargey read the Scripture Lesson.

Mrs. W. L. Munro conducted the roll call, with the word "Sacrifice" being the keyword. Mrs. Munro read the minutes of the last meeting. Members were urged to each become members of a visiting committee. Expressions of sympathy were to be sent to Mrs. Chas. Fargey and Mr. and Mrs. R. A. Hermitson from the Society. An expression of kindness was to be sent to Mrs. W. L. Anderson and her daughter at this time.

Mrs. Blanche Reid had charge of the offering. After the singing of a hymn Mrs. Blanche Reid gave a splendid reading, "Design For Living." Mrs. Don Rodgers had the topic, which was most appropriate at this time.

"Another year has rolled by and again we had our day set apart for Remembrance Day. We humbly bow our heads in memory of and in respect to those who have given their lives in defence of their country, their home and their loved ones.

They shall not grow old as they that are left grow old
Age shall not weary them, nor the years condemn,
At the going down of the sun and in the morning
We will remember them.

"They died that we might live in order that we might have peace, they sacrificed all trying to overthrow nations that would destroy our democracy, our peace and our religious principles. Their lives have not been lost in vain. They are not dead to us but gone before. May we each lift our hearts in humble prayer that we may be filled with love and loyalty. Let us not forget those who have fought and most of all let us not forget God.

"When we as individuals of a nation do our parts and have faith in His promise then hatred and greed and pride shall die. Cannon and swords shall prostrate be. Warring shall end, the world shall cry for He shall speak peace. Thus, we plead, Lord God of Hosts, be with us yet, Lest We For-

Awards and Diplomas Given Pupils At High School Commencement

Dr. Bert Howard, Principal of Albert College, Belleville, Delivers Fine Address

The annual Commencement Exercises of Stirling High School were held in the Stirling Theatre on Monday night. There was a good attendance with seating accommodation at a premium.

The first part of the programme consisted of the presentation of special prizes to successful students by Principal J. L. Good, assisted by Mr. J. B. Belsaw, Stirling Representative to Centre Hastings High School Area Board.

The Girls' Choral Group was heard to advantage in the rendition of two numbers while the Boys' Choral Group acquitted itself most creditably in three numbers. The musical part of the programme was under the very capable leadership of Mr. S. Hawthorne and Mr. D. H. Garrison.

During the evening the Girls' Volleyball Team, champions of the area league, with their coach, Miss W. Hay, were presented to the audience.

In the winning of scholarships Bill Zuffelt took top honours, having taken four and it was very fitting that he should deliver the "Valedictory" address. Bill stated that he had taken the final two years of his High School Course at Stirling and he was very proud of the fact that he had done so since this particular seat of learning enjoys an enviable reputation among the High Schools of Eastern Ontario. He lauded the staff for its excellent course of instruction and expressed the hope that succeeding classes will receive the same instruction for which our High School is noted.

Dr. Bert Howard

Principal J. L. Good introduced the speaker, Rev. Bert Howard, D.D., Principal of Albert College, Belleville.

Dr. Howard took as his theme, "Why School?" He stated that in going to school there is something more than the mere studying and learning of academic subjects. It is a matter of learning things from life. Going to school develops the motivated power of our natural lives. It helps the younger generation to design their courses in life to serve the best purposes. School teaches us to think straight and deeply.

It teaches us to face life because life is an exacting taskmaster. These tasks must be overcome and we must develop the fine things within us. We must stand on our own feet and make the very best of our opportunities. We must have internal resources — something that many people lack. One of the main things in the act of living is to observe everything in life

Stirling To Be Featured Over CFRB

On Monday next, December 3rd, at 6.15 p.m. over Radio Station CFRB, Toronto, Stirling will be featured on the programme "Ontario Marches On," sponsored by the Cities Service Oil Company.

In tribute to the smaller places Monday, Wednesday and Friday evenings the Company presents a short programme, giving the history, location and other information, as well as a personal sketch of the chief executive. Later Reeve Wells will be presented with a life size charcoal sketch (head and shoulders) of himself, done by a famous Canadian artist.

Tune in CFRB at 6.15 Monday next and hear all about your home town.

Successful Euchre

Stirling L.O.B.A. No. 655 held a very successful card party on Wednesday evening, November 25th. The ladies' prize was won by Mrs. E. Gooke, and the gentlemen's prize by Jack Eaton. Consolation prizes were won by Mrs. S. McMurray and Keith Bates.

Refreshments were served to bring a very pleasant evening to a close.

Death Claims Geo. E. Mack

Word has been received of the death of Geo. E. Mack, at High River, Alta., on Sunday, November 25th.

Born at Wellman's Corners, the son of the late David Mack and Clarissa (Sine) Mack, the late Mr. Mack was 84 years old. He had acted as City Clerk of High River for many years and was well known and highly esteemed. His many friends and relatives throughout the Stirling district will regret to learn of his death.

in due proportion.

Dr. Howard's advice to the students was to realize that their school work contributes to their future success and happiness. Succeeding generations have wrought many changes in life even in the past century and the graduates of today have an opportunity to do their parts in developing and changing the course of the world of today so as to make it a better and happier place.

On behalf of all present Principal Good extended to Dr. Howard sincere thanks for his able and thought provoking address.

The complete list of awards and diplomas will be found on page two of this issue.

SCHOOL BOARD IN SESSION

The regular meeting of the Stirling Public School Board was held on Tuesday night, with chairman H. E. Fox presiding and Messrs. C. L. Hatton, W. H. Donnan, R. A. Patterson and Dr. E. A. Carleton, in attendance.

Principal W. D. C. Hall reported on matters affecting the local school and recommended the purchase of a number of music books. On motion his recommendation was accepted.

A lengthy discussion ensued on the final settlement of the contract for the construction of the new school and the firm of Cameron & Sprague, of Belleville, will be engaged to protect the interests of the local School Board.

Chairman Fox voiced his appreciation and thanks to the Board for their kindness and thoughtfulness during his recent illness.

The final meeting of the School Board for 1951 will be held on Monday, December 17th.

E. Sandercock Elected By Largest Majority In History of Hastings West

Has Majority of 3,341 Over
Angus Duffy, Liberal —
Gibbs, CCF, Poor Third

Elmer "Sandy" Sandercock, the Progressive-Conservative candidate in Hastings West, overwhelmed his opponents in last Thursday's Provincial election to record the largest majority ever given a candidate in this riding. Final returns gave him a majority of 3,341 over Angus Duffy, Liberal, while Gibbs, CCF candidate, ran a poor third. His majority in the 1948 election was 3,171.

Trenton Only Exception

The Conservative candidate won a majority in every municipality in the riding, with the exception of Trenton, which gave Duffy a majority of 141. Belleville polled a strong Tory vote giving the member-elect a majority of 1,603, while Sidney Township also gave him a majority of 141.

In Stirling, Mr. Sandercock, who is a former resident of the village, scored heavily against his opponents with 408 votes against 118 for Duffy, Liberal, and 12 for Gibbs, C.C.F.

Rawdon Township, traditionally Conservative, gave Sandercock 592, Duffy 169 and Gibbs 20. The northern section of the riding added to his majority.

A good representation of the officers and members of Keystone Chapter, No. 72, R.A.M., attended a field day held in Masonic Temple, Belleville, yesterday afternoon and evening. The work of conferring degrees started at 2.30 p.m. and was carried on throughout the day. A banquet was served at 6 p.m.

Work Started On New Sub-Station

Work started last week on Stirling's new Hydro Sub-Station, which is to be located on the west side of Baker St., just north of the former Presbyterian Church Shed. The construction is being carried out by the Ontario Hydro-Electric Power Commission and it is expected that the new sub-station will be ready for use next month. The main power line will run north from the Belleville road across J. Sheridan's farm and Rawdon Creek to the sub-station.

St. Paul's U.R. Welcome Club

About 35 members of the U.R. Welcome Club enjoyed a full course dinner last Monday evening in the Church Parlors. The dinner was served by the group under the leadership of Allan and Margaret McDonnell.

President Ed. Warren presided over the business portion of the meeting and the annual Christmas Party and Pot Luck Supper was planned. The concluding item of the evening was a spelling bee which everyone enjoyed.

Annual Reunion

Messrs. C. I. Hatton, R. E. Fox and H. R. Tompkins attended the annual re-union of Peterborough Valley, Scottish Rite Masons, held in the Masonic Temple, Peterborough, on Monday. At the banquet in the evening, which filled the Kewartha Room of the Empress Hotel to capacity, R. F. Downey, a 33rd Degree Mason, was the speaker.

Rawdon Hockey League Meeting

An open meeting of Rawdon Hockey League will be held in the Orange Hall, Springbrook, on Wednesday, December 5th at 8 o'clock. All interested in hockey are invited to attend.

Confer Degrees

Members of the Independent Order of Oddfellows were present in large numbers last night when the initiatory and first degrees were conferred on a number of candidates in the Stirling Lodge room. The initiatory degree was conferred by the local degree team and the first degree by the Madoc brethren in a very impressive manner. Following the ceremony refreshments were served and a social hour enjoyed.

Varied Assortment Candy, Fancy Work and Novelties — Proceeds Over \$200.00

A very successful bazaar and afternoon tea was held in the Stirling Community Hall under the auspices of Laurel Rebekah Lodge, No. 211, on Friday afternoon last.

The hall presented a most inviting atmosphere with the decorations including evergreen trees, glowing with colored lights, glittering tinsel and red poinsettias portraying the Christmas season. The tea room was reached through wide open white gates, while the table was decorated with green candles and yellow chrysanthemums.

The guests were received by Mrs. C. A. Wells, Noble Grand and Mrs. John Good, Vice Grand, with Mrs. S. Demorest looking after the tickets.

The tea room was in charge of Mrs. Roy Duffin and Mrs. Percy Utman. Mrs. W. H. V. Walker and Mrs. H. C. Secker poured for the first hour while Mrs. J. McGowan, of Madoc, and Mrs. Earl Bailey were in charge for the remainder of the afternoon.

The guests were invited to the tea room by Mrs. Mabel Megginson and Mrs. Mary Vandervoort.

Those who assisted in serving were Mrs. Gordon Green, Mrs. Edna Wright, Mrs. R. B. Murray, Mrs. Allan McDonnell, Mrs. James Bailey, Mrs. Albert Fraser, Mrs. Sid Williams, Mrs. Leslie Thompson, Mrs. Phil Beaudrie, Mrs. Joseph Grills, Mrs. Ivan Scott and others.

The ladies replenishing the serving dishes were Mrs. Harvey Pitcher, Mrs. Berson Mitts, Mrs. C. Pritchard and Mrs. Bob Williams.

Mrs. Don Heath and Mrs. Arthur Vandervoort and their committee had charge of the refreshments.

Fancy Work

The fancy work booth was convened by Mrs. G. Bradshaw, assisted by Mrs. K. Belcourt, Mrs. Francis Jeffrey and Mrs. Sheldon McIntosh. Here practically any useful article, including aprons, knitted goods, dollies, handkerchiefs, and novelties could be purchased.

The home-cooking table, convened by Mrs. R. A. Patterson, assisted by Mrs. J. S. Whitehead, offered an array of home made cookies, cakes, tarts, etc. Assisting were Mrs. John Morrison, Mrs. H. Mumby and Mrs. W. Warren.

Candy Booth

The candy booth, offering a choice selection of home-made sweets, was convened by Mrs. R. E. Fox assisted by Mrs. E. Ketcheson, Mrs. E. Broadworth, Mrs. Hugh Jones and Mrs. Kenneth Morrow.

The "Country Store" did a thriving business in vegetables, pickles, fruits, etc., under the direction of Mrs. D. Lamb, assisted by Mrs. Carl Clancy, Mrs. Morley Barlow, Mrs. Louis Rodgers, Mrs. Harry Vandervoort and Mrs. Douglas Clancy.

Santa Claus Coming To Stirling Wednesday, December 19th

Business Men Offer Prizes For Best Floats In Parade — Schools Are Invited

Good news for the boys and girls of Stirling and district is contained in a message received by President Harold Bird, of the local Business Men's Association, from Santa Claus, in which he definitely promises to be in Stirling early on the afternoon of Wednesday, December 19th.

Now don't forget the date boys and girls, Wednesday, December 19th, and make sure you are in town in time to assemble at the Stirling Community Hall at 1.30 p.m. and get prepared to welcome Santa when he arrives from his northern haunts.

Contest For Floats

A contest for floats in the parade will be held with prizes of \$25, \$15 and \$10 being offered. Any school or school section is invited to enter this contest.

Invitations are being mailed to the teachers and pupils of all schools in the surrounding district and the local community groups that the teachers

accompany the pupils in the parade, which will move off from the Community Hall for the Christmas Tree as soon as Santa arrives. Stirling Citizens' Band will lead the parade and President H. C. Bird and his helpers will assist Santa in distributing the treats at the large Christmas Tree, which will be placed near the centre of the parade. Every child is assured of a treat.

Following the distribution of the treats, the boys and girls will be guests of the village at the Stirling Theatre, while the teacher-folk are visiting the local stores doing their Christmas shopping.

Canvas This Week

Canvasmen will be calling on business men this morning with a donation to finance Santa's visit and hoped they will receive a very good response. Anyone in the area of surrounding district wishing to make a donation to this community project may leave it with Geo. Noble, Francis Jeffrey, or with Bob Patterson.

Legion Notes

At the regular business meeting of the Stirling Legion on November 6th, a good turnout attended the business meeting of the year, with President F. Houchin in the chair.

Motions and recommendations of both the October Branch meeting and the Zone Executive meeting held in Stirling on October 28th, were reviewed and provoked considerable discussion. Arrangements for Poppy Day and Remembrance Day were completed.

It was definitely decided that the Branch would sponsor a Junior (Bantam) hockey team under the able direction of Sports Officer A. Abernethy, assisted by Cdes. X. P. Mayhew, R. D. Patterson, G. Noble and Wm. McMullen. Arrangements for a draw for a "Christmas Cheer Basket" were made.

The Zone bowling and cribbage

tournaments, and plans for inter-branch fellowship were laid over for consideration by the next Executive.

The second meeting of the month, (third Tuesday strictly social) passed pleasantly and uneventfully.

Members will be pleased to know the Branch has acquired full ownership of a pool table in good condition, through the generous action of the Tweed Branch, fully equipped and ready to use. This will add considerably to the enjoyment of social evenings.

A start has been made on the Branch By-Laws, and it is hoped to have a complete draft of these presented at the December meeting for ratification.

December meetings 1st and 3rd Tuesdays and election of officers. All members in good standing are expected to be present. Financial standing, committee reports, and annual report will be presented for approval. This

PREMIER LESLIE FROST

Frost Government Wins Seventy-Nine Seats In Landslide Victory

Premier Leslie Frost's Progressive Conservative Government was re-elected in Ontario on Thursday last in a virtual landslide, with its supporters capturing seventy-nine of the ninety seats.

A heavy vote smashed the Socialist CCF as a political force at least for the life of the 24th legislature and left a weakened Liberal party as the official opposition.

The final standing, with the standing after the last election:

	1951	1948
Prog. Conservative	79	53
Liberal	7	13
CCF	2	21

Poppy Fund

Stirling Branch No. 228, Canadian Legion, B.E.S.L. desire to express their sincere appreciation of the generous response to their Poppy Day Appeal by the people of Stirling and district. The amount contributed was \$121.00. Special mention is made of the co-operation given by the Principals and pupils of our district schools in this cause.

The community may rest assured that the Poppy Fund of the Stirling Legion in its entirety may and will be used for emergency assistance to ex-service men and their families in this locality.

Ontario Department Lands and Forests Quinte District

Interesting Records Obtained From Road Blocks

The 1951 deer season which ended November 17th, proved to be a good one from the hunters' point of view in spite of the poor weather prevailing during the first week. Many old-timers expressed the opinion that deer were more plentiful and a "good crop" of fawns came through the summer in fine shape.

Hunters report that the animals had yarded for the winter in a number of areas and concentration points were hard to find.

Road blocks operated by Conservation Officers on highways 17, 38, 41 and 62 provided a good cross section of hunting conditions, sex ratios and deer populations throughout the district. Twelve officers participated, checking in all 4,315 hunters, most of whom were residents. The total kill, north of No. 7 Highway, checked at road blocks was 2,243, indicating that approximately 52% of the men questioned had been successful. Fawns represented about 20% of the kill, and bucks and does together roughly 80%.

Although accurate figures are not available for the entire district, Conservation Officers estimate the num-

ber of hunters increased by 20% this season and some increase noted in the deer population as compared with 1950.

According to R. G. Sheppard, Fish and Wildlife Inspector at Tweed, there was less evidence of deer being shot in the water during the present hunt, partly due to the freeze-up and generally speaking, infractions of the Game Laws were fewer.

Small Whitefish Being Caught By Commercial Fishermen

Recent reports from commercial gillnet operators in Lake Ontario show a scarcity of both Whitefish and Herring. There has been a fair run of small whitefish averaging 13" to 15" in length, which indicates a good hatch of four or five years ago. Large adults were more scarce than in 1950.

19 Million Whitefish Eggs Collected Near Glenora

Whitefish Spawning operations were completed in Hay Bay about November 23rd according to Manager A. B. Brown at the Glenora Hatchery. Up to November 17th, some 19 million whitefish and 2 million herring eggs had been collected. Although the small-sized fish is a good sign, the quantity of eggs is correspondingly lower.

Transfers of fingerling stock to the White Lake Ponds Rearing Station are also nearing completion. Some 204,000 speckled trout have been moved from Glenora, and with the transfer of 23,000 Kamloops trout from Normandale, and 9,000 Ouananiche from Pembroke, stocks for winter storage at White Lake will be complete.

Scaling Work Started

Some scaling work is already underway as woods operators commence operations for the current logging season. Lands and Forests officials at Tweed estimate an approximate cut of 20 million feet in the Quinte District during the coming winter on Crown lands, plus some 3,000 cords of pulpwood.

Thirty-three camps were in operation with 550 bush workers employed as of the end of October and the number has increased since that date.

Department of Lands and Forests Scalers will handle additional responsibilities this year including more tree

Havelock Elects

E. J. Leeson

Reeve For 1952

E. J. Leeson received an acclamation for the Reeveship of the Village of Havelock at the municipal nomination meeting on Friday night.

Twelve were nominated for Council and an election is expected.

Engineering Job Progresses On Iron Ore Land

Engineering work on the new iron ore property at Marmora is progressing satisfactorily, a company spokesman said. The equipment has been ordered and delivery is expected during the early part of next year. Arrangements are being made with the Hydro Electric Power Commission of Ontario for establishing the necessary power line for the project. The property of Marmoraton Mining Company Limited will be operated by Bethlehem Mines Corporation, a subsidiary of Bethlehem Steel Corporation. Harold

O. Olsen is general superintendent of Bethlehem Mines Corporation. It is understood that the grading of the ground for a railway siding will start at an early date and that next spring a lot of construction and other development will be under way.

Reeve I. McCoy

Is Returned In Marmora and Lake

Reeve Irwin McCoy and his 1951 associates on Marmora and Lake Township Council were given acclamation at the well-attended nomination meeting held in Marmora Township Hall on Friday afternoon under the presidency of Township Clerk Thomas Bateman. At the same time, the three retiring members of the Marmora School Area Trustee Board were re-elected to office. The newly elected are Reeve Irwin McCoy, Councilors John Wilkes, Arthur Sheridan, George Fox, Gordon Jones. School trustees, two-year period: Percy Carman, Wilbert Jones and Raymond Bonter.

Cement produced in Canada in 1948 exceeded all previous records both in quantity and total value. During the year, 14,127,123 barrels were sold for \$28,264,987.

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.C.)

The Hastings County Tuberculosis and Health Assoc. has addressed its "Christmas Seal" appeal to many local residents. This is a worthy project. All parents should avail themselves of the opportunity afforded by travelling chest clinics to have their children regularly examined.

Hastings County should advance to a County Health Unit status and include every form of inspection and guidance for Young Canada. If our Ontario Dept. of Health is right and we believe it is that a per capita cost of 55 cents per person per year will make a full health unit possible, then why does our County Council delay the inauguration of this service?

Rawdon vs Sidney

We are informed that the far-sighted Council of Rawdon obtains transportation for its High School pupils while those from Sidney pay the same rates without enjoying transportation. It seems the negation of equal treatment for a pupil on one side of the town line road to enjoy transportation to High School while a student on the opposite side of the road must travel on "shanks horses." Could it be that children suffer through the failure of North Sidney to qualify for entry to the Stirling High School Area? We believe the able leaders of Sidney Township will find a way to bring every benefit to its junior citizens as are now enjoyed by those of Rawdon. It would appear that Sidney is paying for a service it does not enjoy.

Aside

In this matter of equality of treatment it is our observation that many little folks walk to school while sturdy adolescents ride. We make our plea for "Junior."

Archives

The historic records of Sidney and Rawdon should be deposited in a library centre to ensure their safety.

Roads

Rawdon Township Council is to be thanked for travelling the Little Cemetery Road at Carmel. All parts of the Township will approve of this action especially since those who use this road exercised great patience waiting for over 25 years while other roads were cared for. We are out for good roads for everyone and rejoice that Rawdon has also removed during the year a dangerous approach to the Marmora Highway about two miles north of Stirling. We understand a child was killed at this corner about fourteen years ago.

"Sword of the Lord"

We are grateful to some anonymous donor who sends us the well written Christian Weekly, "The Sword of the Lord."

Advent Season

St. Paul's, Stirling will begin its

special Christmastide Services next Sunday evening. These will open with congregational Carols led by Mr. R. A. Patterson each Sunday evening at 7.15 p.m. Come early and enjoy this "song-fest."

The first evening service, December 2nd will include the Herald and Dedication of John the Baptist and the Annunciation.

Drama parts it is expected will be taken by the following: The Angel Gabriel, Mrs. J. L. Good; Elizabeth, Mrs. R. A. Patterson; Zacharias, Mr. Gordon Bailey; Mary, Miss Verna Brown; the neighbours, Sunday School Teachers and Officers.

The Royal Choir will sing, "God Rest You Merry," and Miss Janet Ann Good "Sleep Holy Babe," while the uncommon Carol, "The Father's Light and Splendour," will be interpreted by the Senior Choir. Organ selections include the Spanish Carol, "Christmas Song," Stoughton's, "Song of Adoration," and the "Festival March" by Barnas.

At the evening service St. Paul's Choir will sing the "Original Coventry Carol," and "The Lord at first did Adam Make." Mrs. Walter Warren's lovely soprano voice will be heard in "Ninna - Nanna" (Nato Nobis Salar-tore) "Sleep Child Divine," a Christmas Lullaby. The St. Paul's Choir will sing the Advent Anthem "The Angel Gabriel," as an introduction to the "Annunciation." In this presentation Miss Verna Brown will sing the "Song of Mary" (Magnificat).

Organ numbers at this service will include a carol of the Dominican Republic, "Let Me Cross Your Threshold;" a selection from Bach and a Provencal Carol "On Their Way."

any Church in Stirling where the charge is less than one dollar.

White Gifts

For The King

Orphaned children are to be helped by "White Gifts for the King" brought to St. Paul's on Sunday morning and to Carmel on Sunday afternoon, Dec. 16th. In addition it is hoped that every person who enjoys the blessing of hearing will make a gift toward the installation of hearing aids at St. Paul's Church. This project is with-in sight let us make it a reality.

Nimrods?

We have heard of the going forth of our hunters to secure venison. It remained to Mr. Harold C. Bird alone to produce tangible evidence of success. Thank you Mr. Bird. It was a treat.

Advertisements

Stirling has kind, courteous business men. They are quite the equal of the best. It is nevertheless noticeable that very few advertise "we deliver in time for dinner." "Give us your order today and we'll start your job tomorrow!" "Our pride is our promptness;" "You need only call us once;" "We are as near as your telephone."

We have been repeatedly informed that old man Mr. Delay and his companion Mr. To-Morrow are among the oldest residents of the village. We suggest that the time has come to retire them. Never do today what you can put off till tomorrow will mean ultimately bankruptcy.

Heard On Front Street

"I don't blame her for using lipstick — she probably needs it."

U.C. Salaries

Rev. J. I. Mackay, B.D., D.D., of Ottawa, addressed the Official Board

of St. Paul's-Carmel as follows:

"The Executive of the General Council at its meeting a few days ago, took action to set the minimum salary for a married ordained minister for 1952 (beginning Jan. 1) at \$2,600, with a furnished house, plus an allowance for travel on the charge where a car is needed for the carrying on of the work." The letter is dated November 15th. The salary for 1951 was set at \$2,400.

"Any Charge that finds it impossible to meet the new scale is entitled to make application to the Board of Home Missions for assistance. This is also for charges that have not been able to reach the 1951 scale."

Music Options

The Royal Conservatory of Music advises that music is an optional subject in the courses leading to the examinations in Grades X, XII, and XIII controlled by the Ontario Dept. of Education.

A Royal Conservatory Grade V subject is recognized as the equivalent of a Grade X High School subject. A Royal Conservatory Grade VII including Grade II Theory or Grade III Theory alone as the equivalent of a Grade XII High School subject. A Royal Conservatory Grade VIII including Grade II Theory or a Grade IV Theory alone is the equivalent of a High School Grade XIII subject.

In Grades X and XII General Course Music may be substituted for any subject except English, History, Social Studies or Physical Education.

In Grade XIII music may be substituted for any subject except English and Physical Education.

Music means piano or vocal, or violin or organ. Any of these in High School are now rated as the full equivalent of Science, Mathematics, Latin, French or any other subject save the exceptions of English, History, Social Studies or Physical Education.

It is hoped as the scope of this field is more generally recognized that High School Commencement exercises throughout the Province will include awards for those who have achieved approved marks in any department of music. Generally speaking music pupils are required to devote as much if not more time in preparation for their examinations than most subjects require on the High School Course.

U.R. Welcome

A splendid dinner meeting and programme directed by Allan and Margaret McDonnell was held by the U.R. Welcome Club (formerly Young Marrieds) in St. Paul's Church Parlour last Monday week. President Ed. Warren presided.

The Club will hold a Christmas Party on December 17th beginning with a pot luck supper and designed to include every member of every family. St. Paul's has a wonderful young adult constituency. Let everyone turn out for this last regular meeting of 1951.

Last Sunday

The weather was ideal. The music included a duet, "The Ivory Palaces," by Mrs. Ivah Thain and her daughter, Mrs. Don Rodgers; Senior Choir Anthem "The King of Love," with parts Mrs. Wm. Wilkins, Mr. and Mrs. Harry Brown and Mr. Wm. Aylsworth; Royal Choir Anthem, "Who Is The Stranger." Each was well interpreted and a helpful ministry.

Miss Wendy Warren received the Royal Choir Award.

Tweed Salvation Army Captain Heron conducted a special service led by members of the Riverdale Corps, Toronto, at St. Paul's Church in the afternoon.

Several visitors were present at the afternoon service at Carmel.

IT'S NO ACCIDENT that more Canadian truck men buy Chevrolet trucks than any other kind! Economy-wise truckers know that there's no better buy than a Chevrolet truck for thrifty, dependable service. They know too that Chevrolet truck performance is in a class by itself, and that every one of the big model range provides outstanding features for extra safety and extra driver comfort. And, of course Chevrolet trucks offer a choice of four great valve-in-head engines — the 92 h.p. Thriftmaster, the 105 h.p. Loadmaster, the big 114 h.p. Torquemaster, and the mighty new 120 h.p. engine. So, see your Chevrolet truck dealer—soon—and find the completely satisfying answer to all your hauling needs!

RIVER VALLEY WOMEN'S INSTITUTE

Christmas meeting December 6th at home of Mrs. Gerald Brooks. Christmas Exchange (35c adults, 25c children). Everybody please bring lunch. November 30th—Euchre Party at the School House.

George Scott and his sister, Ina, contributed a musical selection, violin and piano. Miss Ruth Sharp read an interesting selection. Messrs. Ray Sharpe and Robert Hoard rendered a duet. Plans were made for the Christmas meeting to be held December 14th at the Church Hall when lunch will be served. Each member is asked to bring a friend to the meeting and all the folks in the community are welcome to attend. Rev. W. H. Clarke organized this group on October 13th, 1947.

Mrs. Lloyd Dafeo spent a few days with Mr. and Mrs. Lorne Wilson following her recent operation.

Mrs. Albert Dunkley and her grandson, Mr. Douglas Martin spent a few days in Toronto with relatives.

Mr. and Mrs. Percy MacMullen spent Monday evening with Mr. and Mrs. Ormel MacMullen, Belleville. Several folk attended the High School Commencement on Monday evening.

Mrs. A. Fox spent a few days in Belleville as her granddaughter, Miss Doreen Bailey, underwent an appendectomy in Belleville Hospital on Friday.

Mrs. Marguerite McMullen and her niece, Miss Marguerite Stone, spent a few days visiting Mr. and Mrs. Percy White and family, at Brantford.

At Hubble Hill Poll held in Mount Pleasant Church Hall on Thursday, November 22nd, the vote was a fraction over half of those entitled to the franchise. Mr. William McAdam was Returning Officer and Mr. Douglas Campbell, Poll Clerk. The others on duty for the day were Messrs. Archie Bailey and Allan Reid and Mrs. Lindsay McKeown. The count showed Duffy 32 and Sandercock 134, with "0" for Gibbs. This was the only Poll in Rawdon and Stirling which did not register a OCF vote. It was a typical Indian Summer November day with all roads in good shape for travelling despite the heavy snow storm early in the month.

Mrs. Lindsay McKeown, Mrs. Herbert Smith, Mrs. Milford Wightman, Mrs. Gordon Linn, Mrs. Percy MacMullen and Mrs. Sid Williams attended Laurel Rebekah Bazaar on Friday afternoon. Mrs. Williams assisted with the serving of the refreshments.

Mrs. Gordon Linn, Supply Secretary of Mount Pleasant W.M.S. and her assistant, Mrs. Frank Jeffs and the President, packed the supply bales at the Linn home on Thursday evening, and they were shipped on Friday. The usual clothing valued at over one hundred and forty dollars was forwarded to Toronto for Overseas Relief. The layette and a good supply of baby clothes was shipped to Miss Elsie Hunt, R.N., in Manitoba.

Mr. and Mrs. Percy MacMullen visited Mr. and Mrs. Edward Montgomery, Foxboro, on Sunday.

Mr. and Mrs. Clifford Sine quietly celebrated their 35th Wedding Anniversary on Tuesday, November 27th.

Minto

Mr. and Mrs. Albert Clements, of Ivanhoe, visited Mr. and Mrs. John Courtney on Sunday.

Sorry to report Mr. Hiram Dafeo not improving as rapidly as his many friends would like to have him.

Mr. and Mrs. Ken Belcour, of Stirling, were Sunday guests of Mr. and Mrs. Mel Wickens.

Mr. and Mrs. Bert Saries, Oak Lake, spent a day recently with Mr. and Mrs. Will Wright.

Master Grant Hagerman has been on the sick list but is better again.

Miss Margaret McGee was a ten hour guest of Mr. and Mrs. Ed. Colden on Thursday.

Mr. Gordon Reid spent the week-end at his home in Belleville.

Mr. and Mrs. Wm. Donald and Mr. and Mrs. Frank McGee spent Sunday with Mr. and Mrs. George McMaster,

Cheese Warehouse To Be Officially Opened Dec. 7th

In operation since the first of September, the Ontario Cheese Producers' Association's new cheese warehouse at Belleville will be officially opened on Friday, December 7th, following the British Empire Cheese Show next week.

The Hon. Thomas L. Kennedy, Minister of Agriculture for Ontario, will open the building while other government officials and agricultural heads will be in attendance. An invitation has been extended to the Hon. James G. Gardiner.

Prior to the opening a luncheon is being held at the Masonic Temple.

The Belleville storage plant is the first of its kind in Ontario built specifically for warehousing of cheese. Dimensions are 120 by 200 feet and the building has a storage capacity of close to 60,000 boxes of cheese. All storage rooms are refrigerated.

Offices of the Ontario Cheese Producers' Association are on the second floor of the building.

Nothing has been omitted at the storage that would further facilitate the efficient and quick handling of cheese. Loading platforms are all under cover and an electric operated "fork" truck is used to move stock and turn cheese, thus reducing manual labor to a minimum.

Agriculture and tourism have much in common. Success of each depends on good weather and on individual enterprise by individual operators.

Hello Homemakers! Christmas tunes ring through the air every hour of the day. Such joyous music arouses our interest in preparations for the festive season and the entertainment of relatives and friends. Some snacks hide them. And there will always be help at your elbow if you mention making candy.

Candy Bars
5 cups puffed rice
1-3 cup butter
1/2 cup peanut butter
1/2 lb. marshmallows

Measure puffed rice into a shallow pan. Heat in an electric oven of 350 degs. for 10 mins. Pour puffed rice into a greased bowl. Meanwhile melt butter, marshmallows and peanut butter in double boiler. Pour over cereal, stirring until rice is coated. Pack mixture into greased star molds (or custard cups), cool and store.

Peanut Brittle
1 cup sugar
1/2 cup shelled peanuts

Chop peanut coarsely. Carmelize the sugar in a heavy iron pan, stirring constantly until the hard lumps become syrup. Turn from high to medium when lumps form. Pour the syrup over nuts in a pie plate. When cold, break in pieces.

Turkish Delight
2 tbsps. gelatine
1/2 cup cold water
1/2 cup boiling water
2 cups granulated sugar
1-8 tsp. salt
Grated rind 1 lemon.
3 tbsps. lemon juice
Grated rind 1 orange
4 tbsps. orange juice
Maraschino cherries

Place the gelatine in a saucepan;

stir in the cold water; let stand for 5 mins. Add boiling water, sugar and salt; stir until dissolved. Boil for 15 mins. Remove from element and add fruit rind and juices. (Colour if desired.) Strain through a sieve into a square cake pan and set in a cold place. When firm, loosen the jelly from pan with a spatula. Cut into cubes and coat with powdered sugar.

THE QUESTION BOX

Mrs. J. T. asks: How do you make coconut sweets, using condensed milk?

Answer: Coconut Sweets. Moistened 1 (4 oz.) package shredded coconut with 1-3 cup sweetened condensed milk. Form into balls with the hands; flatten slightly. Bake in an electric oven of 300 degs. for 15 mins. Makes about 16.

Mrs. J. R. asks: Why does a yellow sugar mixture curdle sometimes when making candy?

Answer: If a candy curdles while cooking, do not be alarmed, it will probably become smooth when it is beaten. It is usually due to freshly processed sugar or too much sugar. You may add water to sugared candy and boil it again.

Mrs. M. S. asks: Why does veal shank fail to jelly when it's been cooked for 3 or 4 hours with gelatine added to it?

Answer: A jellied mold cannot be prepared by cooking the gelatine in it. After the seasoned veal has been cooked tender, measure the hot liquid and soften plain gelatine with 1/2 cup cold water, allowing 1 envelope for 1 pint stock. After gelatine has softened for 15 mins., stir it into hot stock and immediately pour into greased mold. When the mixture begins to jelly fold the cubed meat into it. Chill in

electric refrigerator.

TAKE A TIP

1. To prevent candy from sugaring, add 2 or 3 tbsps. of corn syrup to any recipe.
2. It is advisable to cook candy in a room where there is not excess steam as steam causes candy to become sticky.
3. It is convenient to beat candy using the electric mixer if the cooked syrup is poured, while hot, into the large bowl. Add the butter and flavouring, beat the candy at high speed. If nuts are to be added, fold them in at low speed just before the mixture is to be poured into pans.
4. Candies that are made up of butter, cream, chocolate or molasses are apt to burn if not stirred while cooking. Dissolve the ingredients for these candies over high heat, then cook slightly after they reach the boiling point. These candies usually require beating when almost cold.
5. Candies calling for a high content of water (hard candies) should be cooked rapidly without stirring any more than is necessary to prevent burning. Remove the syrup gently from the electric element and let it settle for a minute or two before pouring it.

Research

Two grants for research, totalling \$17,500, have recently been made to Canadian universities by the Sugar Research Foundation. One goes to McGill University, where Dr. J. H. Quastel will direct research into how the human body absorbs and uses sugar. The other research is to be directed by Dr. Roy G. Ellis of the School of Dentistry, University of Toronto, and will be concerned with dietary protection against tooth decay. One might say that this comes into the "man-bites-dog" class of news, when it is recalled that both physicians and dentists have frequently got into print by blaming sugar for many of the ills they are called upon to treat

National Business Head

RENE B. PERRAULT

Rene B. Perrault, Montreal, who has been elected President of The Canadian Chamber of Commerce at the national business organization's 22nd Annual Meeting in Quebec City, October 30th - November 1st. Mr. Perrault, prominent in business circles in Eastern Canada, is President of the automobile firm of Cumming-Perrault Ltd., Montreal. Active in association, community and welfare work, Mr. Perrault has served on the Executive Council of the Canadian Chamber, on several Chamber Committees, and is a former Honorary-Treasurer of La Chambre de Commerce du District de Montreal. He takes over from Dr. Francis G. Winspear of Edmonton, former President of The Canadian Chamber of Commerce.

professionally, and the Sugar Research Foundation could not be expected to love them. It should be recalled, however, that those doctors and dentists who are trained in research methods are not usually those who are rushing into print with conclusions unjustified by available evidence. Probably sugar, like other foods, can be harmful if too much of it is eaten. But people suffered from bad teeth and over-weight before sugar was a common article of diet, so some of the prejudices against sugar are scientifically unjustified.

The results of the research projects at McGill and Toronto may well assist in clearing away some of the fog surrounding the subject of modern dietetics. Whatever these results may be, it is unlikely that they will confirm popular prejudices among either laymen or doctors. That is one reason why research is worth while.

This Is Rent Control

Mr. Smith lives in a rented house. It belongs to an elderly widow and is her only source of revenue. Mr. Smith has been in it since before the war, when rents were very reasonable.

Rent controls have kept them reasonable ever since, from Mr. Smith's point of view. But not so reasonable from the standpoint of the widow.

Out of the rents received she has not been able to keep the property in a proper state of repair.

The time has come when major repairs are necessary to prevent rapid and serious deterioration. But she is in no position to finance those repairs.

She would like to sell the house in order to get out from under her troubles. But under rent control regulations she has no power to give the purchaser possession, because she can't make Mr. Smith vacate.

Mr. Smith, won't buy the house, because he finds it cheaper to pay the controlled rent. Nobody else will buy it because of the difficulty of getting possession.

So Mr. Smith is sitting pretty in a widow's house at an inadequate rent; and by so doing is preventing the widow from taking the only course open to her to save her property from destruction.

This is rent control, but it is not the essential justice guaranteed by Magna Carta to every citizen. —from The Rural Scene.

BRINGS \$1.11 POUND

The grand champion steer at the Ottawa Winter Fair sold for \$1,055.50. Owned by G. E. Wiggins, of Kemptonville, the 950-pound Shorthorn brought \$1.11 a pound on the hoof. Ottawa Journal says its steaks will bring \$3 a pound. It was bought by L. E. Riley, manager of Steinberg's store.

SUITABLE APPLICANT

He was undersized, meek, diffident, subdued, and he had applied for a job as night-watchman.

"Yes," said the works manager, dubiously, "but the fact is we want someone who is restless and uneasy, especially at night. Someone with remarkable hearing who starts at the slightest sound. Someone who is always listening, thinking there are bad

characters around. We want a large, aggressive, intrepid and dangerous person. In short, the kind of person who, when roused, is a fiend."

"All right," said the little man as he walked away, "I'll send the wife."

First social service centre in Ontario was the Jesuit Mission Station St. Marie on the Wye River between Midland and Port McNicoll. There was established the first hospital, the first school, and the first experimental farm in the province.

There are now over 30 different railways in Canada, ranging in size from the Canadian National Railways with its 21,000 miles of track to small local lines like the Thousand Island Railway with its four and a half miles of track.

A Special Message from your B of M manager...

If I were asked to sum up the whole Canadian way of living in two words, I'd say: "Steady Progress". The people of this country seem to combine stability with a go-ahead spirit. This approach shows up in most things we do. Take Canada's first bank — my bank. We have just finished our 134th year, with assets of over two billion dollars. Our Annual Statement is typically Canadian in that it tells of substantial progress in terms of brass tacks rather than brass bands. Just three highlights will show you exactly what I mean:

DEPOSITS: Our 1,800,000 customers have \$2,085,187,091 on deposit at 572 B of M branches across Canada. Some of this money belongs to business firms and institutions, but more than half of it is the savings of everyday people.

LOANS: Now at the highest year-end figure in the Bank's history, our loans amount to \$646,368,336. Farmers, fishermen, ranchers and lumbermen borrowed a great deal from us, but we lent money to people in every walk of life and to business of every kind. At that, we had to cut down on many loans we would ordinarily

have liked to make, in order to co-operate with the Government in measures which are designed to combat inflation and help gear up Canada's economy for the defence program.

INVESTMENTS: At the year's end, the B of M had \$976,950,829 of its depositors' money invested in high-grade government bonds and other public securities. These were listed in the Bank's books at a figure not greater than their market value. Our other securities represented mainly short-term credits to industry. The combined total amounted to \$1,108,174,362.

Like Canada, her first bank has gone on from strength to strength in the past year. We believe in being strong because our main job is to protect people's savings. And we believe in encouraging people to save more, too.

In this, as in any other way we can, we are working with Canadians in every walk of life for the steady progress that will give us all a stronger, happier country.

WINTER SHORT COURSES

The annual mid-winter short courses at the Ontario Agricultural College are to be held this year from December 31st to January 4th. Six main courses will be offered: Livestock, Soils and Crops; Farm Mechanics; Horticulture, Agricultural Economics; Beekeeping and Rural Leadership.

The course in Livestock, Soils and Crops will provide an opportunity to gain valuable information concerning the profitable production of livestock on Ontario farms.

The Farm Mechanics course is subdivided into five separate divisions designed to give information, assistance

and practical instruction on farm building practices and the proper operation and care of mechanized equipment.

The Horticulture course provides fundamental information on the principles of practical horticulture including material on insects, diseases, and weeds and their control.

The course in Agricultural Economics will deal with economic problems which are of particular interest and importance to Ontario farmers at the present time, while the Beekeeping course will discuss proper colony management and the important use of honey bees for the pollination of fruit

and clover crops.

The Community Programs Branch, Ontario Department of Education, will provide assistance in the Rural Leadership course, which aims to encourage young people to discover their own abilities and use them in the enrichment of rural life.

Additional information on these mid-winter short courses may be obtained by writing to the Department of Public Relations, O.A.C., Guelph.

All applications for admission to the courses must be received by December 15th, 1951.

INFECTIOUS RHINITIS IN SWINE

A hog raiser faces a serious situation when his pigs become infected with rhinitis, and Dr. T. Lloyd Jones, of the Ontario Veterinary College, and Professor R. G. Knox, of the Ontario Agricultural College, offer some information about this disease, which is apparently becoming widespread.

The most serious effect of rhinitis is that it slows up growth. This occurs because of a distortion of the face which makes it difficult for a pig to eat.

One of the first indications that the disease has invaded the herd is a tendency of nursing pigs to sneeze frequently in quick succession. Sometimes the affected pigs will have a period of violent sneezing because of the fact that their nostrils have become clogged with some form of discharge. The irritation causes some pigs to rub their noses into the ground or against some solid object.

As the disease develops the nose often becomes crooked or pushed up, causing difficulty in eating. The result is lack of thrift and poor gains. Rhinitis seldom causes a pig to die but may weaken it to such an extent that another disease may develop and death result.

At present there is no positive method of treatment against this disease. If the disease is not present on a farm, every effort should be made to guard against its introduction. It is well to remember the following facts:

All pigs showing signs of rhinitis are liable to transmit the disease to nursing pigs.

Pigs from litters where rhinitis is present, in spite of a healthy appearance, may give the disease to healthy litters.

Pigs from infected premises often carry the infection when taken to clean premises.

When an outbreak of rhinitis takes place in a herd, brood sows that were mature before the outbreak will not carry infection. All mature breeding sows and their litters should therefore

be isolated at time of farrowing, and likewise newly weaned pigs should be protected against infection.

There also seems to be some merit in raising pigs under natural conditions. Swine that have an opportunity to get exercise in the sunshine and open air and to root around in pastures seem to have less trouble than those confined in close quarters.

SOIL STRUCTURE AND CROP PRODUCTIVITY

The productivity of soils is to a large measure dependent on their physical condition, particularly on the soil structure. By soil structure is meant the aggregation of minute individual soil particles into larger compound fragments, says P. C. Stobbe, Soil Specialist, Central Experimental Farm, Ottawa. Soils without structure are massive, powdery, or single graded like sand.

In soils well supplied with plant nutrients poor structure may often be the limiting factor in crop productivity. Surface soils with good structure can be maintained in good tilth and they provide a desirable seed bed. They also favour maximum root development and permit free penetration of water, thus reducing the loss by run off which causes soil erosion. Good structure in subsoils favours the soil.

In general the structure of the soil deteriorates rapidly when the organic matter content of the soil is depleted and when the soil is worked excessively under unfavourable moisture conditions. If some heavy soils are worked when too wet they become massive and acquire a hard lumpy or crusty surface on drying. Excessive cultivation of soils when too dry will tend to pulverize the soils.

Mr. Stobbe points out that the addition of organic matter in the form of barnyard or green manure will improve the structure of surface soils. Growing sod crops, and in the case of heavy acid soils, the addition of lime will help to improve the structure.

The structure of subsoils can often be improved by growing deep rooted crops and by the installation of drains in the case of soils with imperfect and poor internal drainage. The use of sub-soilers may help to improve the structure of soils with compacted or cemented hardpans.

A NEW EARLY TOMATO VARIETY

Early and heavy volume arrivals on the market of medium-sized and globe-shaped tomatoes that are almost free from cracks and other external blemishes may be expected next year, as a result of the development of the Carleton tomato by the Division of Horticulture, Federal Department of Agriculture. The new plant is a striking variety with many distinct advantages, such as extreme earliness, heavy early yield, good quality, uniformity in size, and freedom from cracks.

The Carleton is a selection from a cross between the Abel tomato, an early variety developed twenty years ago by the Division of Horticulture, and the Marglobe, a USA variety.

The Carleton is recommended for home and market-garden-growing purposes. Since it bears a medium sized fruit, it will not find acceptance in the canning industry. Seed of this tomato was produced under contract last summer and will be available to the public next year through regular trade

Bank of Montreal Presents Annual Report

Something entirely new in the interpretation of bank statements has been initiated by the Bank of Montreal this week, in reporting its financial position to customers at the end of its 134th year of operations. The B of M's message, highlighting the most significant aspects of its 1951 statement, presents a striking departure from the traditional pattern of Canadian bank reports. Strongly emphasizing the personal approach, it is published as a signed statement from the local B of M branch manager, Allan V. Greenley.

Headed "A Special Message from Your B of M Manager," the report is

no longer a bank statement in the ordinary sense of the word but a plain-spoken review of the main features of the bank's experience throughout the past 12 months. Written in straightforward, non-technical language and illustrated by appropriate thumbnail sketches, the report represents a further advance in the direct "grass-roots" approach pioneered by the Bank of Montreal in its annual reports for the past seven years.

In the preamble of this humanized report, the local manager makes several down-to-earth comments upon the Canadian way of living. He emphasizes that the people seem to combine stability with a go-ahead spirit and sums up the Canadian way of life in two words, "steady progress."

1,800,000 Canadians Have \$2 Billion On Deposit At Bank of Montreal

Total deposits at the 572 branches of the B of M across Canada now amount to a new high of \$2,085,000,000, according to the message which adds that "some of this money belongs to business firms and institutions, but more than half of it is the savings of everyday people."

Loans now stand at over \$646,000,000 another highest year-end figure in B of M history. This figure is indicative of the vast scale of co-operation with business and private individuals made possible through the confidence placed in the Bank of Montreal by its 1,800,000 depositors. "Farmers, fishermen, ranchers and lumbermen borrowed a great deal from us," states the report, "but we lent money to people in every walk of life and to business of every kind."

Loans Would Be Greater But For Credit Curbs

The B of M points out that its policy of working with the government, in measures "designed to combat inflation and help gear up Canada's economy for the defence program," resulted in the cutting down of many loans which it would otherwise have wished to make. But for this factor the record loan figure would have been even higher.

Assets in excess of the \$2,200,000 mark are held by the B of M at the end of its 134th year of business. Well over \$97,000,000 is held in high-grade government bonds and other public securities. These are listed in the bank's books at a figure not greater than their market value. Combined with securities representing short-term credits to industry, these investments total \$1,108,000,000.

St. John's News

The season of Advent begins this Sunday. The church sets aside this time as a preparation for the joyous festival of Christmas. It is a season of quiet and serious consideration of the second coming of Christ, as well

as a thanksgiving for the abiding joy of His coming at Christmas. Then He came as Saviour of the world, at His second coming it will be as Judge of the world.

St. John's Church will keep this season twice each week as well as on Sundays. On Thursday evenings following choir practice at 7.30 p.m. there will be a service of prayer and devotion. On Friday mornings at 8.15 there will be a celebration of Holy Communion.

Correction: The sum of money given to the Chancel Guild by Mrs. Thomson, of Chicago, was ten dollars and not four as was reported last week.

The annual service and party for the Little Helpers of St. John's was held on Tuesday afternoon at 3.30 p.m. Over fifteen mothers with babies under seven years gathered in the

church where the little ones proceeded up the aisle with their mite boxes and presented them to the Rector, who placed them in a white box where they were dedicated and blessed with prayer. Mrs. H. Morrow played for the service, which after prayers, ended with the singing of "Jesus Bids Us Shine."

All then went to the Parish Hall where the members of the Senior W. A. who had previously held their monthly meeting, entertained the Little Helpers and mothers and refreshments were served. Mrs. R. Mallory moved a hearty vote of thanks to the Senior W.A. for their hospitality. Mrs. Secker, on behalf of the W.A. replied.

Mrs. J. Whitehead was in charge of this event and also is the Secretary of the Little Helpers, doing a very fine work with the 39 or more members.

Hastings Crop Improvement Annual Meeting

The Hastings County Crop Improvement Association's Annual Meeting will be held in the Stirling Community Hall on Thursday, December 13th, and an outstanding programme is lined up, so that every farmer in Hastings County should make an effort to attend. The business meeting will be held in the morning and lunch may be purchased at noon in the Community Hall.

The highlight of the meeting will be an address by Mr. Tom Dickenson, Manager of Borden's Dairy Farm, at which the Eastern Ontario Grassland Day was held this year and as many will recall, it was a rather wet, unsatisfactory day. Everyone will have an opportunity to hear more about the farm and Mr. Dickenson, who manages over one thousand acres, and is an outstanding specialist on grass silage is well qualified to be the guest speaker. Other speakers will include Mr. Jack MacRae, District Fieldman and members of the County, and District Crop Improvement Associations.

W. Kingston, Mayor of Campbellford

Wilbert A. Kingston was acclaimed mayor of Campbellford on Tuesday replacing J. E. Ayhart, who has been mayor for the past four years.

Mayor Ayhart said he was retiring from municipal politics because of the pressure of his business. Mr. Kingston has been a member of town council for four years, acting as senior councillor in this past year.

Reeve Ralph J. Locke was put in by acclamation for his third term as reeve of Campbellford.
